

## Welcome

It takes a special person to be a nurse. Some say it's a calling, others, an epiphany. Whatever the reason, it's one of the most giving career paths one can take. However, it's not an easy path, which is where ATI can help. We have the comprehensive and adaptive learning systems to prepare you for what you need to know to pass the NCLEX and to become a compassionate, skilled nurse.

## Getting Started with ATI

Go to [www.atitesting.com](http://www.atitesting.com).

Download free Silverlight software (if necessary).

Click "Create an account" and keep track of your username and password.

## First Visit

**Show Me More:** Contains the audio/visual instructions for ATI's webpage, which includes a tutorial customized to each tab.

## Orientation Materials

**"How To" Guides:** Offer detailed instructions on specific webpage functions like accessing assessments, tutorials, results and remediation.

**Student User Guide:** Includes comprehensive written instructions with screenshots for using the tools on the website.

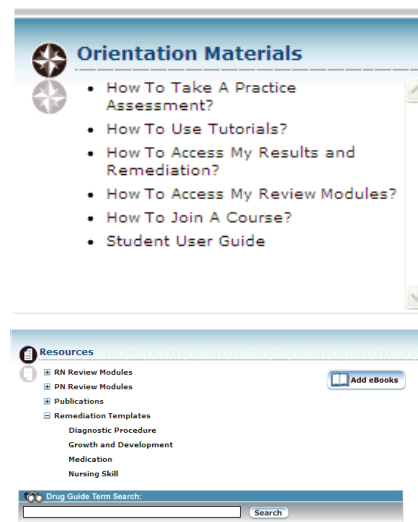

## Resources

**Online Review Modules:** Include all content areas covered on NCLEX and contain hundreds of videos, animations and images to enhance your learning experience. Review Modules are directly linked to Focused Review® to remediate areas of weakness based on your results on ATI assessments.

**Drug Guide Term Search:** Enter a drug term into the search box, and the interactive tool will automatically populate the drug's information.

**Remediation Templates:** Graphic organizers designed to review concepts you missed on ATI assessments.

**Publications:** Include online versions of Ready Set RN/PN.

## My eLearning

### Enter IDs

Use the field below to enter an ID to gain access to an assessment, tutorial or course.

ID:   [What's This?](#)

### Enter IDs box:

Use the field to enter an ID provided by your instructor to gain access to an assessment, tutorial or course. Your instructor may give you individuals IDs for each assessment, tutorial and course, or you may be provided with one Product ID code.

**Product ID:** Your instructor may provide you with one Product ID code (starting with CDN) to access all assessments, tutorials and courses. The Product ID code is specific to each graduating class. Once you enter your Product ID code, you will have access to all assessments, tutorials and courses enabled by your instructor.

### Tutorials:

**NurseLogic & Learning System:** These tutorials are designed to help you think like a nurse and practice test-taking strategies (included with your package). Your school may subscribe to other tutorials, such as Skills Modules, Dosage Calculation and Safe Medication Administration, Real Life™ Clinical Reasoning Scenarios and Pharmacology Made Easy.

### Assessments:

**Online Practice (Non-Proctored) Assessment:** Is an unsupervised, informal assessment designed as a learning experience. You may access online and take as many times as needed. If enabled by your instructor, rationales are provided for both correct and incorrect responses, and provide an opportunity for mastery of content.

**Proctored Assessment:** Is a supervised, or monitored, standardized assessment that compares your performance to other students nationwide.

**Proficiency Levels:** Define performance on Proctored Assessments.

**Comprehensive Predictor:** Predicts your probability of passing NCLEX the first time.

## My Results

**Assessment Report:** Provides your Topics to Review outline as your personalized remediation plan for independent study, and shows you exactly where to find remediation content (see below).

**Focused Review:** Allows you to remediate after every practice or proctored assessment by creating a plan to study ATI Review Module content, practice application exercises, view media clips and use tutorials - built to match your learning style.
