

STATE NURSING ASSUMPTION PROGRAM OF LOANS FOR EDUCATION FOR NURSING FACULTY (SNAPLE NF)

REDUCE UP TO \$25,000 OF YOUR STUDENT LOAN DEBT!

There is a growing need for new faculty members in the nursing field at California's colleges and universities.

Higher education costs, coupled with a shift in financial aid from scholarships and grants to student loans, make loan repayment options an important decision to pursue nursing education.

The SNAPLE NF program has been designed to encourage persons to complete their graduate educations and serve as nursing faculty in a registered nursing program at an accredited California college or university.

Help alleviate the nursing faculty shortage. Apply to the SNAPLE NF program today.
