

NURSING – REGISTERED

The Registered Nursing program has special prerequisites and registration requirements. Please see page 10 for more information or contact the department.

Program Description

This program generally prepares individuals in the knowledge, techniques and procedures for promoting health, providing care for sick, disabled, infirm, or other individuals or groups. This includes instruction in the administration of medication and treatments, assisting a physician during treatments and examinations, referring patients to physicians and other health care specialists, and planning education for health maintenance.
