

DISTRICT ASSESSMENT COMMITTEE GOALS, 2009-2010

- Goal #1:** Continue to support the work of all levels of the institution as they further develop and implement comprehensive assessment plans at the program level and report on results in program review documents.
- Goal #2:** Continue to support the work of Student Services and Administrative Units as they further develop and implement assessment plans.
- Goal #3:** Continue to support the work of disciplines in their efforts to develop and implement comprehensive assessment plans at all levels of instruction and report on results in Program Review documents.
- Goal #4:** Assist the work of the strategic planning committees as they take assessment results into account in making budget allocation decisions.
- Goal #6:** Assist campus and district leadership in developing assessment processes into a three-college model.
