Program Requirements

Students accepted into the Nursing Assistant Training Program are required to submit health & physical examination, immunization records, American Heart Association (BLS) HealthCare providers CPR card and complete a background check through Live Scan (fingerprints). Applicants must be free from communicable diseases, infections, psychological disorders, and other conditions that would prevent the successful performance of the responsibilities and tasks required in the training program.

Based on guidelines from California Department of Public Health (CDPH), and clinical facility policies; nursing students must have clear criminal background and be fingerprinted to participate in clinical courses. The School of Nursing requires applicants to disclose prior misdemeanor and felony convictions. The applicant must explain the circumstance of the conviction and provide documentation of rehabilitation. The CDPH considers the natures and severity of the offense subsequent acts, recency of the acts of crime, compliance with court sanctions, and evidence of rehabilitation in determining eligibility for certification.

Enrollment Procedure

1. Application will be posted on the RCC [website](#) during open application period.
2. Student completes application online and submits online. Once the application is submitted you will be notified of receipt.
3. Once the application is received, the Nursing Enrollment & Evaluation Specialist (NEES) will verify completion of the application and ensure eligibility requirements have been met.
4. If the application is complete and eligibility requirements have been met, a pre-program checklist will be emailed to the applicant.
5. The applicant will complete the pre-program checklist requirements and will submit the completed packet by the deadline to natp@rcc.edu. The deadline will be provided. The pre-program checklist contains information regarding setting up a Compolio account (health records, vaccine verification, CPR card, etc.) along with other important information. Any supplemental documentation such as letters of recommendation, military service, etc. must be submitted to natp@rcc.edu.
6. Eligible applicants who received a pre-program checklist must attend a mandatory Bootcamp on the specified day. This is mandatory and will be included as clinical hours. During Bootcamp, the applicant will receive another checklist that has information regarding finger printing, uniforms, etc.
7. If all of the above is completed by the designated deadlines, the applicant is eligible for acceptance into the NATP program and will be notified via email by the NEES.
8. Admission is granted on a first come, first serve based on submission and completion of the pre-program checklist by the deadline and attendance at Bootcamp.

Selection Procedure

Selection of the Nursing Assistant Program will be filled on first-come first-served basis of qualified applicants. RCC reserves the right to designate a certain number of spaces for contract agreements and/or to meet grant-designated outcomes. If a student is not offered a space in the program, a new application is necessary in the next application period.

State Certification Requirements

All students are required to meet the state requirements for hours of theory and clinical attendance. The California Department of Public Health (CDPH) requires a valid social security number for certification. The California Department of Public Health Licensing and Certification Program Aide and Technician Certification can be reached at (916) 327-2445.

When planning expenses, students should be aware they may have to limit their hours of employment due to program requirements. Scholarships and grants are available to those who qualify.

Health Exam and CPR Certification

Students will be admitted to the program pending submission of a CPR Card (American Heart Association BLS Healthcare Provider) valid for 1 year, and a completed health examination form with clearance permitting unrestricted functional activities essential to nursing practice in accordance with the American with Disabilities Act (1990). Health Exam and CPR Certification are not required at the time of application.

Background Check and Drug Screen

All new and readmitting students are required to demonstrate a clear background check and drug screen prior to enrollment in clinical courses. See *Background Check/Drug Screen* policy for further details. The background check requires that students be able to provide a valid social security number. The process for obtaining the background check is available in the School of Nursing office.

California Department of Public Health

The Professional Certification Branch (PCB), Aide and Technician Certification Section (ATCS) is primarily responsible for the certification of nurse assistants by ensuring applicants adhere to the California Health and Safety Code, Section 1337- 1338.5.

Citizenship and Immigration Status Verification for Certification

The Federal Personal Responsibility and Work Opportunity Reconciliation Act requires government agencies to eliminate “public benefits” to individuals who cannot provide proof of their legal status in the United States. “Public Benefit” has been interpreted to include a certificate issued by a state. This means that all applicant for CNA certification will be required to submit verification of citizenship or legal residence status in the United States. A certificate may not be issued until legal status in the United States has been confirmed by the Immigration and Naturalization service.

Disclosure of Social Security Number/Tax ID Number

If you fail to disclose your social security number or tax/ID number, your application for initial or renewal certification will be delayed or rejected.

Fingerprint Requirement

One requirement to qualify for the certification examination is the submission of Live Scan fingerprints. These are evaluated by the California Department of Justice and the F.B.I.

The Riverside Community College District Board of Trustees has adopted policies and procedures and has endorsed practices, which provide for the district and its employees and students to comply with all applicable laws relating to prohibition of discrimination based on gender, age, race, color, national origin, disability, or sexual orientation.
