(No Parking Permit Required)

Welcome to Riverside Community College District's unique and vital public safety training located at the Ben Clark Training Center (BCTC). In association with local, state and federal agencies, Riverside Community College District (RCCD) offers one of the largest public safety training programs in Southern California. Each year, the college prepares hundreds of students to work as law enforcement officers, firefighters, probation officers, dispatchers, and correctional officers.

Most of the training occurs at the BCTC, located adjacent to March Air Force Reserve Base. RCCD at the BCTC is recognized nationally for its innovative, interagency programs that emphasize state-of-the-art training for law enforcement and firefighting personnel to function as a team.

Several major public agencies participate in public safety training, including the Riverside County Sheriff's Department, the Riverside County Fire Department, the California Department of Forestry, the Department of Corrections and the Department of Probation. Working in conjunction with these agencies, RCCD is able to offer the following intensive programs in Law Enforcement and Fire Technology:

Law Enforcement

Peace Officer Training	Probation Officer Training
Correctional Officer Training	Dispatcher Training

Fire Technology

A.S. Degree	Basic Firefighter Academy
Truck Academy	Technical Rescue

This schedule of courses is especially attractive for public safety personnel to access the college's courses and available programs. All classes are offered at the Ben Clark Public Safety and Training Center, located at 16791 Davis Avenue, Riverside, where **no parking permit is required**.

Ultimately, Fast Track provides students with at least two opportunities: a time to enhance and apply their intellectual skills toward greater professional performance; and a time to prepare to advance in their leadership positions.
