THE MAJOR:

Theatre and cinematic arts attempt to provide the public with entertainment to fulfill their aesthetic needs. Graduates receive training in costuming, set design, acting, directing, playwriting, musical theater, motion picture and TV production, children's drama, or theater arts education. Many positions in the drama and film industries are highly competitive and openings in education vary from area to area. Employment opportunities and starting salaries are based on training, experience, and ability.

CAREER FIELDS:

Actor	Drama Coach	Stage manager
Choreographer	Lighting designer	Teacher
Cinematographer	Playwright	Technical Director
Costume designer	Set designer	
Director	Sound designer
