- *** 8 units total required. Student must have a minimum of 3 semester units in Math and 3 semester units in Science. Requirement varies by majors.

BIOLA UNIVERSITY TRANSFER POLICY

1. A maximum of 70 semester units are acceptable from two-year community colleges.
2. Transfer students may fulfill their general education requirements by completing Biola University's General Education Curriculum or, prior to enrolling at Biola, **completing the Intersegmental General Education Transfer Curriculum (IGETC)**. Student's must complete IGETC before they enroll at Biola University. Students Who do not complete IGETC before they enroll will follow the Biola General Education curriculum.
3. Grades do not transfer - only units of credit. A student's grade-point average is computed for graduation purposes only on work completed at Biola University.
