The Community Scholars Program is a joint endeavor of The Community Foundation, Riverside Community College District Foundation, California Baptist University, La Sierra University, the University of Redlands and other generous philanthropists in our community who share a commitment to education. The philosophy of this scholarship is to encourage outstanding high school seniors from Riverside County to pursue their collegiate studies at Riverside Community College for two years and to meet the requirements for transfer and acceptance to one of the participating four-year universities that the student selects at the time of application.
