Self Assessment

Romeo and Juliet Foreshadowing

Honors Introduction to Literature

Romeo and Juliet

Final Essay

Directions: Read the following essay question. Answer completely using detailed examples and analysis. This portion of the exam is open text.

Foreshadowing is a literary technique of providing the reader or viewer hints, clues, or indications about the future action of a story or play. In Romeo and Juliet Shakespeare utilizes foreshadowing, in dialogue and character, to allude to coming events. In a short essay, discuss several uses of foreshadowing in the play and analyze the significance of each use.
