## The CSEA Victory Club Needs You!

The CSEA Victory Club raises funds from CSEA members to help us pass school bonds, increase education funding, elect pro-labor, pro-education school board members, and pass or defeat ballot measures for the benefit of classified school employees.

Now more than ever, we need your help. Protecting and expanding the rights, retirement and benefits of classified employees requires us to spend money to communicate to voters and influence public opinion.

### In the past, the CSEA Victory Club has helped us:

- Protect Proposition 98 and increase funding for public schools
- Pass school bonds to build and repair schools
- Increase pension benefits for classified employees
- Stop privatization and outsourcing of classified jobs to the private sector

**NOW**, we face attacks on our pensions, funding and jobs. Initiatives to eliminate pensions, repeal Proposition 98, and contract out classified jobs are being pushed in the Legislature and on the ballot.

## We Need Your Help to Stop These Attacks!

Your monthly contribution will fund a CSEA campaign to go to the voters and ask them to support our schools. We can only be successful with your help. Please fill out the attached form today.
