PER VA REGULATIONS

I understand that the VA will not pay for the following courses:

- *Courses I have already successfully completed (some "D" grades are useable)
- *Courses not required to complete my VA Student Education Plan
- *Self-paced open-entry/open-exit classes

Student's Initials

I request RCC to submit a certification for VA Educational Assistance this term on my behalf. I realize this may require release of confidential academic information to necessary institutions.

Student's Initials

I understand that for classes to be certified, they must be required on the approved VA Education Plan. I will notify RCC VA Office of any changes in my schedule, and I understand that misrepresentation of my records or falsely certifying my classes may jeopardize my VA Educational Benefits eligibility.

Student's Initials

Turning in a "Blue Sheet" once enrolled in classes allows RCC to certify you for your classes and keeps you from being dropped for non-payment.
