Academic Coursework Taken at other Colleges and Universities:

Transcripts from other accredited institutions, submitted as official documentation of a student’s record, must be printed no more than 90 days/three months ago, be in a sealed envelope from the institution, and be submitted to the Admissions Office or Counseling office at the student’s home college. Course credit is accepted from regionally accredited institutions as listed at www.collegesource.org. Credits from institutions, which are in candidacy status, will be accepted after full accreditation is granted. The two years preceding full accreditation will also be applicable towards the AA/AS Degree.

Grade Point Average Requirement:

A student must have a minimum grade point average a 2.0 (“C” average) in degree applicable coursework taken at Riverside Community College District. If coursework taken at one or more accredited colleges is used to satisfy degree requirements, the overall cumulative grade point average must not be less than 2.0 in degree applicable work and will include the combination of all grades from all transcripts used. If coursework is applied towards degree requirements from an institution using +/- grading scale, the original grade points assigned by that institution as indicated on the transcript will be used to calculate the cumulative grade point average. Honors for graduation will be calculated in the same manner.

Petition for Graduation:

Students may apply for degrees and certificates during the following application periods:

Summer—First day of summer term through July 15 to graduate in summer

Fall—First day of fall term through Oct. 15 to graduate in fall

Winter—First day of winter term through Feb. 1 to graduate in winter or spring

All official college transcripts or verifying documents must be on file with Riverside City College in order for the Evaluation/Graduation office to review applications and determine eligibility. A graduation check with a counselor is recommended before applying.

Second Degrees:

A student may earn more than one degree (AA/AS) from Riverside City College. Students who have met degree requirements in a previous academic year and have not maintained continuous enrollment will be awarded the degree in the term in which the application is submitted, provided all current degree requirements are met.
