Student Financial Services Mission Statement

The Student Financial Services Office is dedicated to providing current, accurate information and service in a professional manner to all individuals who seek to apply for financial assistance.

What You Should Know About Applying for Financial Assistance

Completing a Free Application for Federal Student Aid (FAFSA) and an admissions application to Riverside City College is the way to start your educational journey! By completing the FAFSA application, current and prospective students can be considered for several state, federal and institutional financial assistance opportunities. Student Financial Services (SFS) provides assistance to all students who qualify by helping to relieve the financial burden of paying for college expenses. Financial assistance is designed to help supplement your educational expenses. Remember that financial assistance is not a primary source of income to meet all your basic living expenses and needs.

Complete the Applications

1. Complete an admissions application online at www.rcc.edu. If you do not have computer access at home you can come to campus and apply online in the Welcome Center located behind the SFS office.

2. After you have completed your admissions application you will need to activate your RCCD student E-mail account (See RCC E-mail in the table of contents for additional information). Your RCCD student E-mail account is how you will be contacted by SFS for matters concerning your financial assistance.

3. Complete the FAFSA application. You can complete it free online at www.fafsa.gov or on the phone with a live person by calling 1-800-433-3243. If you would like assistance, we offer FAFSA workshops year-round. Our workshop locations and times can be found on our website at www.rcc.edu/services/studentfinancialservices under workshops or in our office. When you are completing your FAFSA application you will need to add the school code for Riverside City College, 001270, so that we may receive your information.

4. Once you complete your FAFSA you will receive a Student Aid Report (SAR) from the Department of Education Central Processing Center either by e-mail or mail. The SAR is your initial response to your FAFSA application.

An accurate SAR requires no corrections. Be sure to read the “Comments” section of your SAR. If corrections are necessary, you may consult with an SFS staff member for assistance prior to submitting corrections to the Central Processing Center. Use your Personal Identification Number (PIN) to make corrections to your SAR online on the FAFSA application.

Students should submit corrections if:

• RCC school code 001270 is not listed under the school section of your SAR.
• There is no Expected Family Contribution (EFC) number due to incomplete or conflicting information.
• The drug related question was left blank.
• Income information is incorrect and your SAR was not selected for “Verification” by the Central Processing Center.
• To use the IRS Data Retrieval tool to load your (your parents) tax information onto your FAFSA.
• Other conflicting or incorrect information is listed.
If you are not sure that corrections are needed or what corrections to make please contact SFS at (951) 222-8710. Corrections can be made online at [www.fafsa.gov](http://www.fafsa.gov) or by correcting and mailing Part II of your SAR if you received one by mail. You may also attend one of our FAFSA on the Web workshops and we will assist you in making the necessary corrections.

**Completing Your File**

Submitting your FAFSA application is the gateway to funding your educational future.

- The FAFSA determines your eligibility for various federal and state grants as well as student work-study and student loans. Your eligibility is based on financial need, number of units you are actively enrolled in and student budget. Remember, the application process is free! There may be additional applications and/or requirements for each of the programs listed in this guide.

- Once you have completed your FAFSA and Student Financial Services (SFS) has received your information from the Department of Education Central Processing Center, our office will send an e-mail to your RCCD student E-mail account requesting that you turn in any required documents necessary to the Student Financial Services office at Riverside City College.

- Required SFS forms will be listed on Web Advisor under “Required Documents by Year.” Certain documentation will be requested from you, such as a Statement of Fact/Student Information Form, Income Verification Form, 2012 Tax Transcripts (Request for Tax Transcripts can be made by calling the IRS @ 1-800-829-3676), 2012 W-2’s or other documents needed to complete your file. Necessary SFS forms are available for download and print on our website at [www.rcc.edu/studentfinancialservices](http://www.rcc.edu/studentfinancialservices) under “FA Forms.”

- Turn in all required documents as soon as possible. A list of deadline dates will be located on our disbursement schedule in this consumer guide or on our website [www.rcc.edu/studentfinancialservices](http://www.rcc.edu/studentfinancialservices).

**Notification**

After completion of your financial assistance file, your information will be reviewed and your revised eligibility response will be e-mailed to your RCCD student E-mail address. Your award letter will be posted on Web Advisor at [www.rcc.edu](http://www.rcc.edu).

Always maintain an accurate mailing address and a correct phone number with Admissions & Records to avoid delays in communication. Make updates if necessary through WebAdvisor.

- Please be aware that the financial assistance process takes time. To ensure that the process goes smoothly it is important to complete your application early and accurately, keep copies of your application and other important documents, and carefully read and respond to all communication received regarding your financial assistance application.

- You must activate your RCCD student e-mail account in order to receive our communications. Please review the section in this guide for more information on your RCCD student e-mail account. If you have trouble with your e-mail or need assistance please contact Admissions and Records at (951) 222-8600.

- Keep in mind that financial assistance funds are generally not available at the beginning of each semester. Disbursements usually begin approximately 1 week after classes begin. Please be aware that not all students receive funds on every disbursement date. Disbursement dates are determined by when a student completes his/her file, processing timelines, a student’s enrollment status and eligibility status. Therefore students are encouraged to be prepared to pay for books and supplies out of their own resources. Financial assistance is intended to supplement, not replace, resources needed to meet the cost of education.
Why should I complete the FAFSA Online?

- It is the easiest way for the fastest result!
- Paper applications are only available by download at www.fafsa.gov or by phone at 1-800-4FED-AID (1-800-433-3243). Paper applications must be mailed to the Department of Education and that takes longer than submitting the FAFSA online.
- It’s easier than ever! Online instructions are available to help answer every question and the FAFSA online lets you skip questions that do not apply to you.

Tips for completing the FAFSA online:

- Apply for a Personal Identification Number (PIN) at www.pin.gov so you can electronically sign the online FAFSA. If you are a dependent student, have a parent apply for their own PIN. Parents will need to sign the FAFSA until you are 24 years of age or no longer considered a dependent student.
- Students requesting a duplicate PIN will receive it at once using the “Display now” option.
- The IRS Data Retrieval Tool allows student and parents to access the IRS tax return information needed to complete the Free Application for Federal Student Aid (FAFSA). Student and Parents may transfer the data directly into their FAFSA.

  If you are eligible to use the IRS Data Retrieval Tool, we highly recommend using the tool for several reasons:

  1. It’s the easiest way to provide your tax data.
  2. It’s the best way of ensuring that your FAFSA has accurate tax information.
  3. You won’t need to provide a copy of your or your parents’ tax returns to your college.

  If you do not use the IRS Data Retrieval Tool to provide tax information and your college requests a copy of your tax return or your parents’ tax return, you will be required to obtain an official tax transcript from the IRS.
- Collect all asset information such as savings, investments, and business values, bank statements, records of untaxed income such as Child Support, Worker’s Compensation, Disability or Pensions when completing the FAFSA.
- You will need your driver’s license number (if you have one), your social security number and your alien registration number if you are not a citizen. If you are a dependent student, you will need your parent’s social security number. If they do not have a social security number, use 000-00-0000.
- Read all instructions, work through each step carefully and save the FAFSA application often by using the “save” button. If you lose your Internet connection or if you need to exit and return later, saving your application will allow you to continue to work or make corrections before submitting your FAFSA.
- Never click the on the back button; always click the previous button.
- There is help available on the website as you enter the information. The “Hint” box on the right side of the application explains why the information is needed and gives hints as to how to answer the question. As you enter and move to the next page, the “Hint” box stops you if the information is incomplete and prompts you on the questions that are incorrect or overlooked.

- Assistance is available to students by attending one of our FAFSA on the Web Workshops which are listed on our web site @ http://www.rcc.edu/services/studentFinancialServices/workshops.cfm
Accountability

Updating and maintaining accurate student information is a shared responsibility between the student and Riverside City College. If at any time, an error or conflicting information on the FAFSA is determined it is the responsibility of both Riverside City College and the student to correct/resolve the issue. Once a correction/update is made to the FAFSA please be advised that it may result in an adjustment in aid and/or award amounts. In some cases the student and/or Riverside City College may be responsible for the immediate repayment of funds already disbursed.

Please be advised that if you have submitted documentation that contains errors to the SFS office in support of your financial aid file, it is imperative that you notify our office immediately. Failure to notify our office of any changes, such as FASFA corrections or a change in student information, will result in a delay in determining your eligibility for assistance as well as a delay in the disbursement of funds. It is our primary goal to assist Riverside City College students in receiving their financial aid in a timely manner.

E-mail Accounts

Riverside Community College District (RCCD) provides all students free student email accounts. The Student Financial Services Department will use the RCCD Student email to communicate with students regarding their financial assistance file. All students must activate their email accounts in order to receive any correspondence regarding financial assistance, registration appointments, faculty emails and more. To learn more about how to activate your RCCD student email visit the RCCD website and click on the college you will be attending; then click on Admission and Records. A tutorial is available that will explain the activation process.

Important Notice Regarding Approved Courses

Not all courses at Riverside City College have been approved by the Department of Education for Federal and/or State financial assistance funding. Please visit the Student Financial Services office for a list of courses that are not approved for financial assistance payments. If you enroll in any of the courses on this list, you will not receive payment of any Federal and/or State financial assistance.
Consortium Agreement

Riverside Community College District
Moreno Valley/ Norco College / Riverside City College
Blanket Consortium Agreement
(As allowed in the Code of Federal Regulations, 34CFR 668.5)

This blanket consortium agreement is for the purpose of providing federal financial assistance to Riverside Community College District students enrolled at Moreno Valley, Norco, and/or Riverside City College. It covers enrollment for on campus classes, online classes and study abroad courses.

This consortium agreement became effective in the Fall 2010 Semester.

The home school will be the college where the student submits their admission’s application and where the student is seeking a degree. The home school will be responsible for:

1. Determining eligibility;
2. Disbursing aid;
3. Monitoring enrollment;
4. Monitoring and resolving over awards;
5. Administering the Return of Title IV regulations;
6. Administering Satisfactory Academic Progress;
7. Cost of attendance information (enrollment fees, other program costs, etc.) at all colleges;
8. Enrollment information (class name, unit value, registration status, cancellation and withdrawal dates, etc.) for the classes in which the students enroll at all colleges; and
9. Enrollment periods for all classes

The other college(s) where students are enrolled is considered to be the host school. The host school(s) agrees to not disburse financial aid to students who have chosen another college as their home school.

Repeat Course Information

Due to changes in the Federal Title IV regulations, starting on July 1, 2011, RCCD is now required to look at the number of times a student attempts a course when determining financial assistance eligibility. If you receive a passing grade (A,B,C,D,P) in a course at any point in your academic history at RCCD (Riverside City College, Moreno Valley College, Norco College), you will only be eligible to receive financial assistance for that course one additional time (one repeat). If you attempt a course for the third time after previously receiving a passing grade in that course, you will no longer be eligible for payment for those units.

For example, if you take a 3 unit math class (math 101) in fall and receive a passing grade (A,B,C,D,P), that is your first attempt. If you re-take that same 3 unit math class (math 101) in spring, you will continue be eligible for financial aid for that course, because it is your second attempt. If you attempt a third time to take the same 3 unit math class (math 101) in summer or beyond, you will no longer be eligible to receive financial aid for those 3 units.

Types of Financial Assistance

Federal Pell Grant

Pell grants are available for students with high financial need. Unlike most federal assistance, these grants do not need to be paid back as long as you do not withdraw from classes, you successfully complete your classes and are not receiving Pell grants at another school.

To apply for a Pell grant, submit the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov. Eligibility for the Pell grant is determined by a standard formula using information you provide on your FAFSA, your enrollment status and your academic history. Upon completion of the FAFSA you will receive an Expected Family Contribution (EFC) number which is your eligibility number. Your EFC is located on your Student Aid Report (SAR), which you can view at www.fafsa.gov using your Federal Personal Identification Number (PIN). The EFC number will determine your eligibility for the Pell grant.

The maximum Pell grant award for the 2013-2014 academic year is $5,645 (this dollar amount is subject to change pending Federal regulations and availability of funds). Please note the amount of grants is prorated based on the amount of units you are taking in each semester. Students enrolled in less than 6 units who are eligible for a Pell grant may receive their disbursement near the end of the semester. Students who have received their Bachelor’s degree or higher are not eligible to receive the Pell grant.

Students may receive a Pell grant for 12 full time semesters (or 6 years if full time). This equals to 600% total (50% each full time semester x 12 semesters). This percentage includes all Pell grants received to date. Once a student has received their full 600%, they will no longer be eligible for Pell grants.

To review your current Pell grant usage, and grant history please visit www.nslds.ed.gov. You can also view the comment section of your student aid report (SAR) online at www.fafsa.gov.

Board of Governor's Enrollment Fee Waiver (BOGW)

The Board of Governors Fee Waiver (BOGW) is a state program that waives enrollment fees for qualifying students at California Community Colleges. The BOGW is for California residents, eligible AB540 students and eligible 1899 students, as determined by Admissions & Records office.

- For more information regarding AB 540 and the California Dream Act, please visit that section in this guide.

The BOGW also allows students to purchase parking at reduced rates each semester for the academic year.

The BOGW does not pay for Student Services or Health fees, additional class fees (such as art, CPR, lab or lifeguard fees as listed in the schedule of classes), books or other educational supplies or expenses.

The 2013-14 Free Application for Federal Student Aid (FAFSA) or the California Dream Application are the primary applications for the BOGW. The BOGW will automatically be awarded to eligible students using the information from the FAFSA or California Dream Application.
The paper BOGW application is considered a secondary application to be used for special circumstances. Special circumstances to use the BOGW application are determined on a case-by-case basis. Not everyone will qualify to complete the BOGW application because the qualifying income requirement is very low. Tax documents are required to verify qualifying income for the BOGW application. If the student/parent(s) do not meet the income requirements to complete the BOGW application, the student will be required to fill out the FAFSA which allows a higher qualifying income for BOGW eligibility.

To complete a BOGW application your total income for 2012, or your parents’ total income for 2012 (if you’re a dependent student) must be within the following income standards (documentation is required):

<table>
<thead>
<tr>
<th>Number in Household</th>

</tbody>
</table>

*Add $5,940 for each additional dependent*

If you or your family are currently receiving TANF/Cal WORKS, SSI/SSP, General Assistance/General Relief, you are eligible for BOGW A and are eligible to complete the paper BOGW Application. We require proof of eligibility for BOGW A. Acceptable proof of eligibility or documentation for BOGW A varies depending on the type of benefits you or your family is receiving.

- For TANF/Cal WORKs or General Assistance, acceptable documentation includes Notice of Action dated within the previous month, or the previous or current month’s check.
- For SSI/SSP, acceptable documentation includes award letter or bank statement showing a deposit from the current or previous month.

If you qualify under any of the following Special Classifications, you are eligible for BOGW A and are eligible to complete the paper BOGW application:

- You are a dependent of a deceased or disabled veteran and have been determined eligible for the fee waiver by the California Department of Veterans Affairs or National Guard Adjutant General.
- You are a Congressional Medal of Honor recipient or child of a recipient.
- You are a dependent of a victim of the 9/11 terrorist attack.
- You are a dependent of a deceased law enforcement or fire personnel killed in the line of duty.

For any of these Special Classifications, a letter or Certificate of Eligibility is required along with a completed paper BOGW application.

Veterans can contact the Riverside County Veterans office at (951) 955-6050 for information on obtaining the Certificate of Eligibility.

BOGW applications are available in the RCC Student Financial Services office.

You must re-apply for the BOGW using the FAFSA before each summer semester, preferably in May or June.
If you have been determined to be BOGW eligible after you have paid your fees during the current semester, you may be entitled to a refund.

If you have paid for classes and then are determined eligible for a BOGW, your account will be updated for the current semester and you will automatically be sent a refund.

- A refund will not be automatically generated for prior semesters, only for current semesters. You must request the account billing be updated in the Student Accounts office for any prior semester if determined BOGW eligible after the semester has ended.

- However, if you drop your classes after the refund deadline established by Admissions & Records, you will not be eligible for a BOGW refund for the dropped classes.

- **Important Changes to the BOGW program:** Beginning in the 2014-15 academic year, BOGW eligibility will be based on students meeting the institutions Satisfactory Academic Progress Standard. Students who fail to meet the SAP standard will be in jeopardy of losing the BOG waiver beginning Fall 2015. Please make sure to visit the news blast on our website for additional information throughout the 2013-14 academic year.

**FSEOG**

Students are considered for the Federal Supplemental Educational Opportunity Grant (FSEOG) when they complete the Free Application for Federal Student Aid (FAFSA). The annual award for students who meet the eligibility criteria for FSEOG is $1000. FSEOG awards are pro-rated based on the student’s enrollment as follows:

- 12 or more units = 100%
- 9.0 – 11.5 units = 75%
- 6.0 – 8.5 units = 50%
- 1.0 – 5.5 units = 25%

If there is additional funding available, FSEOG is awarded to students in the next file completion deadline who meet the eligibility requirements.

STUDENT FINANCIAL SERVICES

AB 540 & The California Dream Act

The California Dream Act of 2011 became law through the passage of two Assembly Bills, AB 130 and AB 131.

AB 130, effective January 1, 2012, allows students who meet AB 540 criteria (California Education Code 68130.5(a)) to apply for, and receive privately funded scholarships at California public colleges and universities. Riverside City College students who meet AB 540 criteria may apply for general Riverside City College Scholarships.

AB 131, effective 2013-14 academic year, allows students who meet AB 540 criteria to apply for and receive state funded financial aid such as institutional grants, Cal Grants, Chafee Grants, and Board of Governors Fee waivers (BOGW) at California community colleges.

For more information about AB 131 and the Cal Grant Dream Application please go to: www.csac.ca.gov/dream_act.asp

Frequently Asked Questions

1) What is AB 540, and what does it have to do with the California Dream Act?

AB 540, passed in 2001, allows students meeting all of the following criteria to pay the same tuition and fees as resident students at California public colleges and universities. Starting on January 1, 2013, the California Dream Act extends Cal Grant A & B Entitlement awards, Cal Grant C awards, institutional grants, and community college BOGW fee waivers to students that meet these same criteria. To receive Dream Act aid, AB 540 and AB 131 students must:

- Have attended a California high school for a minimum of three years
- Graduate from a California high school or pass the California High School Proficiency Exam (CHSPE) or get a General Equivalency Diploma (GED, also called General Educational Development test)
- Enroll in an accredited California institution of higher education
- In the case of students without legal immigration status, fill out an affidavit stating that they have filed or will file an application to legalize their immigration status as soon as they are eligible to do so
- To get a Cal Grant, they must also meet all other Cal Grant eligibility.
- Students may complete the AB 540 application and paperwork in the Admissions and Records office.

2) I saw that AB 540, AB 130, and AB 131 guarantee confidentiality, but what about my parents’ information?

Dream Act students without legal immigration status will be required to fill out the CA Student Aid Commission’s own Dream Application in lieu of the Free Application for Federal Student Aid (FAFSA).

- Like all other dependent Cal Grant applicants, Dream Act students will be required to submit parental income and asset information. The demographic information students will provide on the Cal Dream Application is largely the same as the information that students have already supplied to their high schools and colleges
- There are no checks and matches between the Cal Dream App and any federal databases
- Dream Act students’ and their parents’ information is protected by the same privacy and information security laws and safeguards as all other Cal Grant applicants
3). I am a high school senior and fit the AB 540 criteria above. What financial assistance may I be eligible for?

You may be eligible for:

- AB 540 In-State Tuition Assistance
- AB 130 private scholarships (see your intended college or university for applications and deadlines)
- Institutional grants like the UC “University Grant” or the CSU “State University Grant” (see your intended college or university for applications and deadlines)
- California Community Colleges Board of Governor’s fee waiver (BOGW) Complete the Dream Application for 2013-14 online at www.dream.csa.ca.gov, listing the RCC School Code #001270
- Cal Grant (applications start January 1, 2013; awards can be used beginning Fall Term 2013) and other State-administered financial aid.

4). I am a foster youth, and I don’t have a Social Security number or any paperwork about my biological parents. Can I get any financial aid for college?

You may qualify for:

- Chafee Foster Youth aid
- AB 540 in-state tuition assistance
- AB 130 private scholarship aid offered through California public colleges and universities
- California Dream Act Cal Grants or institutional grants
- Board of Governors fee waivers at California community colleges

5). I am currently in college, I am AB 540. What kind of aid can I receive?

You may be eligible for:

- AB 540 In-State Tuition Assistance
- AB 130 private scholarships (see your intended college or university for applications and deadlines)
- Institutional grants like the UC “University Grant”, the CSU “State University Grant”, the CSU Extended Opportunity Program (EOP) or the California Community College Extended Opportunity Programs and Services (EOPS) (see your intended college or university for applications and deadlines)
- California Community Colleges Board of Governor’s fee waiver (BOG fee waiver) Complete the Dream Application for 2013-14 online at www.dream.csa.ca.gov, listing the RCC School Code #001270
6). I am an AB 540 student, how do I fill out my college admissions application?

We recommend eligible AB 540 students consult with an admissions officer regarding their application inquiries. If a student is undocumented, generally there are TWO sections of your application that should be left BLANK:

1) Social Security Number box should be left BLANK (unless the applicant has a valid social security number issued by the Social Security administration that may be used for purposes other than work); and
2) Immigration Status box should be left BLANK.

All information contained in the application should be truthful, particularly with regard to immigration status and social security information, because providing false information could potentially jeopardize an individual’s future efforts to adjust his or her immigration status. In general, the application requires social security number and immigration status information in order for the school to determine whether the student will be classified as a California resident or not.

7). AB 540 requires that I submit an affidavit to the Admissions and Records office, what type of information do I have to include in the affidavit?

All students seeking an exemption from non-resident tuition fees must file an affidavit with the student’s college stating that the student meets the law’s requirements and, if the student is not a U.S. Citizen or legal permanent resident, that the student is either in the process of adjusting his or her immigration status or will do so as soon as he or she is eligible to do so. These affidavits often ask the student to provide information such as the name of the California high school the student attended, the dates of attendance, and the student’s name, address, student ID number and signature.

8). Will the college share the information I provide in the affidavit with U.S. Citizenship and Immigration Services (USCIS) or Immigration and Customs Enforcement (ICE)?

No. Under California law, the information you provide in the affidavit must remain confidential.

9). Does it matter how long ago a student graduated from a California high school to be eligible for the AB 540 tuition exemption?

NO. The date of high school graduation does not affect a student’s eligibility for the AB 540 tuition exemption. As long as the student attended a California high school for at least 3 years prior to graduation, the student will be eligible to apply for the AB 540 exemption.

Federal Work Study (FWS)

The Federal Work Study Program offers students the opportunity to gain work experience and earn additional funding through part-time employment (up to 20 hours per week) to assist in paying for your educational expenses. The program also benefits the community by offering services at no cost to non-profit organizations and government institutions.

FWS is one of several federal grants offered through the FAFSA application. The FWS award specifies the amount you are eligible to earn in an academic year which runs from July 1st through June 30th. You are pre-screened for eligibility before being referred for interviews. Awards are granted once employment has been secured.

You will receive your FWS award as earnings from your job by means of submitting a timesheet which is paid monthly. Direct deposit is available. In order to be considered for FWS, you must apply for and be eligible to receive federal financial assistance through the FAFSA. The FWS positions are available on and off-campus. Due to limited funding, awarding is on a first come first served basis. The Student Employment Department also offers District (non work study) positions for those that do not qualify for financial assistance, exhaust their FWS award, or when funding is not available.

FWS Eligibility Requirements:

All students seeking Federal Work Study positions must meet the following criteria:

- Must apply for the FAFSA at www.fafsa.gov, list the RCC school code #001270 and demonstrate financial need which is determined by the Riverside City College SFS office.
- RCC must be your home college on your admissions application.
- Must maintain a cumulative grade point average of 2.0 or better.
- Must be enrolled in half time units or more at RCC (6.0 units is considered half time in Fall/Spring semesters).
S T U D E N T  F I N A N C I A L  S E R V I C E S

- Must have a valid, non-laminated and signed social security card.
- TB test, fingerprinting, and food handler’s card may be required for certain positions upon hire as a condition for employment.
- Must be meeting the SFS Satisfactory Academic Progress (SAP) standard. If a student fails to meet SAP standards, the student may be placed on warning and ultimately become ineligible for financial assistance which will result in the loss of their financial assistance and immediate suspension of their FWS position. The student will not be allowed to return to work unless an appeal has been filed and approved through the SFS office and a written notification to return to work has been issued by the Student Employment Office.

What are the benefits of the FWS Program?

- Flexible hours that work around your school schedule.
- Gain valuable work skills and experience.
- Develop interpersonal skills and learn organizational procedures.
- Acquire expertise in areas related to your academic/career interests.
- Earn extra income.
- Network with the RCC community.

CalWORKs Work Study sites are primarily off-campus.

Students must:

- Be enrolled in at least one unit.

**Federal Direct Loan Program**

*(DL Stafford Subsidized Loans or DL Stafford Unsubsidized Loans)*

Unlike grants or work-study, Direct Loans (DL) are borrowed funds that must be repaid with interest. They are a very serious obligation, so think about the amount you will have to repay over the years before you apply for a loan. When applying for a loan, it is important to understand how much your monthly payments will be once your repayment period begins. To estimate your monthly loan repayment amount and for additional information on student loans, please visit [www.studentloans.gov](http://www.studentloans.gov).

RCC offers both Subsidized and Unsubsidized Federal Direct Stafford loans for the fall and spring semesters. These loans are designed to help you achieve your educational goals. Funds will come from the Department of Education DL program. You will repay these loans to the Department of Education DL program or its servicing agent. Please make sure that you stay in constant contact with Direct Loans in order to avoid delays in student loan payment and to ensure successful repayment.

At RCC, it is our plan to help students reach their educational goal with the least amount of student loan debt as possible. RCC does not recommend borrowing more than $10,000 at the community college level (this includes loans from any other institution that you attended). Students who already owe $10,000 or more will be required to meet with a financial assistance representative prior to a loan being approved. If you have loans from other schools and are unsure of how much you have borrowed, you can view your complete loan history at [www.nslds.ed.gov](http://www.nslds.ed.gov) (National Student Loan Data System) – your FAFSA PIN is required to access this website. (This is the same PIN number that you would use to fill out your FAFSA online and sign your Master Promissory Note (MPN). To obtain a PIN, go to [www.pin.ed.gov](http://www.pin.ed.gov).)

Subsidized loans are for students who have demonstrated financial need. You may borrow up to $3500 ($1750 Fall, $1750 Spring) as a first-year student (completed less than 30 units at RCCD) and $4500 ($2250 Fall, $2250 Spring) as a second-year student (completed 30 or more units at RCCD) per academic year. The federal government pays the interest while students are in college at least half-time. To qualify, students must meet all of the requirements for federal student financial assistance and have their eligibility for all other grants determined first. Federal student loans should be a student’s last resource.

Unsubsidized loans are not based on financial need. Students are responsible for paying the interest on these loans. Interest starts accruing as soon as the loan is disbursed and ends when the loan is paid in full. Students may choose to defer the interest payments while they are enrolled in college at least half-time. RCC recommends that students make interest payments while they are in college.

**How to apply for a Student Loan at RCC:**
1. You must fill out the Free Application for Federal Student Aid online at www.fafsa.gov and list Riverside City College Title IV code #001270.
2. You must complete your Riverside City College financial assistance file by turning in all required documents listed on Web Advisor at www.rcc.edu under “Required Documents by Year”.
3. You must have received your final revised award notice for any grants, Federal Work Study (FWS) or scholarships before applying for a loan.
4. You must be meeting the RCC SFS Satisfactory Academic Progress (SAP) standard. Please refer to the table of contents to review the SFS SAP standard.
5. You must have an official current full program Student Educational Plan (SEP), dated within one year of your loan request.
6. You must be enrolled in at least 6 units on the SEP that are applicable and required towards your degree.
7. You must have a declared academic program (major) on file with Admissions and Records which matches your SEP.
8. You must successfully complete with a score of 100%, the Direct Loan entrance counseling at www.studentloans.gov.
9. You must successfully complete your electronic Master Promissory Note (eMPN) online at www.studentloans.gov prior to applying for a student loan at RCC.
10. If you meet the above requirements, you may request a loan packet from the Student Financial Services office throughout the fall and spring semesters according to posted deadlines.
11. Submit the Federal Stafford Loan Request Form along with any other required forms.

After you have turned in your loan request and required documents:

• You will receive notification within two weeks from the deadline date you submitted the “Loan Request Form” regarding the status of your loan. Please refer to the loan request receipt for deadline and notification dates.
• You will need to complete a loan appeal request form at the time of application, if you fall into any of the following categories. Loan appeal forms are located in the SFS office and must be turned in with the loan request form for timely processing. Failure to turn in a loan appeal form for the below circumstances will delay your loan request processing and disbursement.
  • You are applying to exceed the RCC recommended total borrowing limit of $10,000 (loan limit includes loans from other schools). You will be required to meet with a SFS representative to turn in this appeal request.
  • You are applying for an additional unsubsidized loan.
  • You are on SFS warning or probation/appeal (see the SFS SAP policy for additional information).
  • You have previous adverse loan history.

• All loan disbursements are loaded onto the Sallie Mae Debit Card. If you have not already signed up to receive your Sallie Mae Debit card, you can do so by choosing the “Debit Card” link on our website at www.rcc.edu/studentfinancialservices. Failure to sign up for the Sallie Mae debit card will cause a delay in your loan disbursement. See the Sallie Mae section of this guide for additional information.

• ALL students who receive a loan are required to complete a Direct Loan EXIT counseling online at www.studentloans.gov prior to receiving your final disbursement. Failure to complete the exit interview will result in your loan disbursement being delayed and a hold being placed on your RCC records, which will block your registration, your ability to view your grades or to request official transcripts.
  • If your loan is denied, you will be notified within two weeks from the deadline date you submitted the “Loan Request Form”.
You may appeal a loan denial with a “Loan Appeal Request Form”. The Loan Appeal Request form must be submitted to the SFS office. All loan appeals are reviewed on a case-by-case basis and you will be notified by mail regarding the decision of your Loan Appeal within two weeks of the submission date. All decisions are final.

New Information regarding loan eligibility beginning July 1, 2013

On July 6, 2012, the Moving Ahead for Progress in the 21st Century Act (MAP-21)(Public Law 112-141) was enacted. A new provision was added to the Direct Loan statutory requirement that limits a first-time borrower’s eligibility for Direct Subsidized Loans to a period not to exceed 150% of the length of the borrower’s educational program. Borrowers under this provision who exceed the 150% limit may also lose the interest subsidy on their Direct Subsidized Loans.

A first-time borrower is generally defined as one who did not have an outstanding balance of principal or interest on a Direct loan or on a FFELProgram loan on July 1, 2013.

For AA degree programs, 150% is defined as 3 years. For Certificate programs, 150% is defined as 150% of the week/units required for your certificate program. Any amount borrowed within an academic year counts as 1 year towards your eligibility, regardless of the amount borrowed. Any loans borrowed at the community college level will count against your borrowing limit at any transferring institution. For more information, please refer to your loan information packet for handouts.

Student Loan Alternatives

Before you decide to apply for a loan to fund your education, it’s smart to explore other options that don’t require repayment! Student Employment is an option for students to work part-time on campus and off campus to assist with the cost of educational expenses. Wages are paid directly to you and help pay for college expenses. The best part is you never have to pay this money back! Please review our section on Federal Work Study before deciding to borrow a student loan or visit the RCC Student Employment office located in the Welcome Center behind the Student Financial Services Building.

Scholarships are another student loan alternative; you can find and apply for many different types of scholarships on the internet. Some websites to visit are www.fastweb.com, www.scholarships.com, www.scholarshiphunter.com and www.scholarshipexpert.com. Personal savings/gifts can also be used to fund your education. These funds can be used to pay for books, student fees and supplies.

Federal Student Loan Default Management Plan

The RCC Federal Student Loan Default Management Plan requires all students who receive a loan at RCC to complete a Loan Entrance and Exit Counseling session each academic year. Students may complete the loan entrance and counseling online at www.studentloans.gov. Complete the Entrance counseling when applying for a loan and complete the Exit counseling prior to your final loan disbursement. If this requirement is not met, your loan funds will be delayed and a hold will be placed on your academic file at RCC.
Facts You Need to Know When Completing the FAFSA

Dependent or Independent

When completing the Free Application for Federal Student Aid (FAFSA) or the California Dream Act Application (for AB540 eligible students), you’ll need to know if you are considered “independent” or “dependent” by the U.S. Department of Education or the California Student Aid Commission. You will be asked certain questions on the FAFSA or CA Dream Act application to determine your dependency status for financial aid purposes. Your answers to these questions will let you know whose information to include on the FAFSA or CA Dream Act application. If you are considered independent, you will report your (and if married, your spouse’s) information. If you are considered dependent, you will report your and your parents’ information (even if you do not live with them, they do not claim you as a dependent on their taxes, or they do not provide financial support for you). Student aid programs are based on the concept that a dependent student’s parents have the primary responsibility for paying for their child’s education.

For the 2013-2014 academic year, you will be asked the following questions to find out if you need to provide parent information:

- Were you born before January 1, 1990?
- As of today, are you married?
- At the beginning of the 2013-2014 school year, will you be working on a master’s or doctorate program (such as MA, MBA, MD, JD, PhD, EdD, Graduate Certificate, etc.)?
- Are you currently serving on active duty in the U.S. Armed Forces for purposes other than training?
- Are you a veteran of the U.S. Armed Forces?
- Do you have children who will receive more than half of their support from you between July 1, 2013 and June 30, 2014?
- Do you have dependents (other than your children or spouse) who live with you and who receive more than half of their support from you, now and through June 30, 2014?
- At any time since you turned age 13, were both your parents deceased, were you in foster care or were you a dependent or ward of the court?
- As determined by a court in your state of legal residence, are you or were you an emancipated minor or in legal guardianship?
- At any time on or after July 1, 2012, were you determined by your school district homeless liaison or the director of an emergency shelter/transitional housing program to be an unaccompanied youth who was homeless?
- At any time on or after July 1, 2012, did the director of a runaway or homeless youth basic center or transitional living program determine that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless?

If you answer “No” to all of the questions listed above, you are considered a dependent student and must include parental information and their signature on the FAFSA or CA Dream Act application. Your parents’ ability to contribute to your college expenses will be taken into account when determining your eligibility for financial assistance. Be sure to use your birth or adoptive parent’s information. Do not use information from grandparents, legal guardians or foster parents. If your parents are divorced or separated, read the application instructions for guidance on which parent’s information to include.
If you answer “Yes” to at least one of the questions listed above, you are considered an independent student and will be evaluated for financial assistance based on your own circumstances. Your parental information and signature will not be necessary.

**Petition for Independent Status (Dependency Override)**

Most students entering a postsecondary school straight from high school are considered financially dependent on their parents. This means their parent(s) (biological or adoptive) must provide information on the FAFSA.

A student cannot be determined to be independent just because:
- Parents do not want to provide information on the FAFSA due to privacy concerns.
- Parents do not feel it is their responsibility to provide financial assistance for college.
- Parents no longer claim you as a dependent on their taxes.
- You are self-supporting and/or no longer live with your parents.

In extreme cases, the Student Financial Services office may be able to use professional judgment to override your dependency status if you can prove that extenuating circumstances exist in the family such as:
- You have no contact with your parents and are unable to locate them.
- You have left home due to an abusive situation and your physical and/or emotional welfare are jeopardized by having contact with your parents.

If you have extenuating circumstances and are unable to complete the parent(s) section on the FAFSA application, it is recommended that you complete the 2013-2014 FAFSA with your information, mark the section of the FAFSA that says “I am unable to provide parental information” and apply for a Petition for Independent Status at the Student Financial Services office. The petition forms are available in the Student Financial Services Office. The petition must be submitted with official supporting documentation. If the Student Financial Services Office approves your Petition for Independent Status, a dependency override will be granted. The decision is based on the professional judgment of the SFS office and is final and cannot be appealed to the Department of Education.

You must Petition for Independent Status each academic year you apply for financial assistance or you are required to provide parent(s) information on your FAFSA application. Dependency Overrides approved by other Institutions are not accepted at Riverside City College.

**California High School Exit Exam (CAHSEE)**

What is the CAHSEE?

In 1999, California State Law passed the development of the California High School Exit Examination (CAHSEE). Students in all California Public High Schools must pass the exam to earn a High School diploma. The purpose of the CAHSEE exam is to improve student achievement in high school and to help ensure that students who graduate from high school are able to demonstrate grade-level competency in English-Language Arts and Mathematics. Within these subjects, students are tested on reading, writing and mathematics (www.cde.ca.gov).

When do High School students take the CAHSEE?
All high school students must take the CAHSEE beginning in the tenth grade.

How many times does a student have to pass the CAHSEE?
Students who do not pass one or both parts of the CAHSEE in the tenth grade will have two opportunities to pass the exam in the eleventh grade. In the twelfth grade, students will have up to five times to retake the portion of the exam if not passed.
STUDENT FINANCIAL SERVICES

What happens for students who do not pass the CAHSEE?
School districts are required to provide additional assistance and instruction to assist students who do not pass the CAHSEE. Please see your local school district’s website or go to www.cde.ca.gov for more information for resources on passing the CAHSEE.

Are there any exemptions or waivers of the CAHSEE?
Yes, there are specific exemptions or waivers of the CAHSEE. Education Code 60852.3 allows an exemption or waiver of the requirement to pass the CAHSEE exam for students with disabilities (who have an Individualized Education Plan (IEP) or a Section 504 plan). Additional exemption information for the CAHSEE exam can be found at www.cde.ca.gov website under the CAHSEE frequently asked questions section.

Ability to Benefit (ATB)
The Ability to Benefit (ATB) test option is no longer offered to new students as of July 1, 2012, based on the new regulations set by the Department of Education.
To receive financial assistance, a student must be qualified to study at the postsecondary level. A student qualifies if he or she has:
- A high school diploma
- A General Education Development (GED) certificate
- Completed an approved Home School program
- Passed the California High School Proficiency Exam
- Meets one of the Ability to Benefit (ATB) requirements for students enrolled in an eligible program prior to July 1, 2012

Students who were enrolled in an eligible program of study prior to July 1, 2012 will still be eligible to meet the educational requirements for financial assistance by fulfilling one of the following ATB approved requirements:
- Pass a federally approved ATB test. At Riverside City College, this test is administered by the Assessment Center. You can contact the assessment center for testing times by calling 951-222-8451 or check the assessment center website at www.rcc.edu/services/assessment/index.cfm. OR
- Satisfactorily complete six units that are applicable toward a degree or certificate offered at RCC. You must meet with an SFS academic counselor to determine if you meet this requirement. Appointments can be scheduled by calling 951-222-8710. Although you cannot receive financial grant or loan assistance while you are earning these units, you may still be eligible for the Board of Governor’s Fee Waiver (BOGW). Please refer to the BOGW section of this consumer guide for additional information.

The ATB test is administered by staff in the Assessment Center. The test consists of reading comprehension, sentence skills, and arithmetic. There is no time limit to complete the test, however it must be completed in one sitting and a valid/not valid result is provided at the end of the test.
A result of a “VALID” indicates that you have passed the “Ability to Benefit” (ATB) test. A result of “INVALID” indicates that you have not passed the “Ability to Benefit” (ATB) test and may reschedule to retake the test with the Assessment Center after 10 business days or meet the 6 unit requirement as defined above. Students are notified of their ATB results through their student e-mail. Results may also be submitted to the Student Financial Services Office.
- If you fail one part of the ATB test, you will need to repeat the entire exam.
If you do not pass the test the first time, Assessment staff will provide you with information on re-taking the test (students may reschedule to retake the ATB test after 10 business days).

If you do not pass the test the second time, you must speak with an SFS Academic Counselor to discuss further options.

The assessment test is required for all new students. It can also be used to assess your eligibility for the ATB requirement. To schedule an appointment for further information, you may stop by or call the assessment center at 951-222-8451 or visit their website listed above.

**Testing students with disabilities:** The requirements include giving the test in a manner that is accessible to disabled students and offering alternative forms of the exam in large print, Braille, and audio cassette formats. The student must provide documentation of the disability to Disabled Student Programs and Services to determine eligibility for the accommodation.

**Information for Non-Resident Students**

A student’s residency is determined by the Riverside City College Admissions and Records office. Students are considered Non-Residents if they have relocated to California from another state within the past 1 year and 1 day. You can find more detailed information at [http://rcc.edu/students/apply/nonresident.cfm](http://rcc.edu/students/apply/nonresident.cfm)

You may also obtain information in regards to the non-resident tuition fees by going to [http://rcc.edu/services/admissions/fees.cfm](http://rcc.edu/services/admissions/fees.cfm)

The Student Financial Services (SFS) Office does offer a Non-Resident Tuition Deferment to assist students in securing enrollment if eligible, while waiting for student grants and/or student loans to credit their Admissions and Records account balance.

To request this deferment, please stop by SFS office. After your request is received, SFS will update your student record and a financial hold will be placed on your account until your Admissions & Records balance has been paid in full.

Your federal grants will be applied to your Admissions and Records fees; if there is a balance leftover it will be mailed to you in a form of a check. If there is a remaining balance owed after the disbursement is posted to your account, you are responsible for paying off the balance before the end of semester. If you do not meet the Satisfactory Academic Standards (SAP) you may also be responsible for paying off the balance with Admissions and Records before the end of the semester.

Failure to repay fees owed may lead to a hold being placed on all of your records at RCC and you will be unable to register for future classes or request official transcripts.

It is important to keep your address and contact phone number up to date with the Admissions and Records office at all times.

**Please note that you may be responsible to repay any federal assistance disbursement if you withdraw from your classes or do not successfully complete your course(s).**
Satisfactory Academic Progress Standard (SAP)

Riverside Community College District
Moreno Valley College/Norco College/ Riverside City College
Satisfactory Academic Progress Standard (SAP) 2013-14

The United States Department of Education requires that students applying for financial assistance must be enrolled in a program for the purpose of completing an AA/AS Degree, transfer requirements, or certificate program. All students must have their academic progress reviewed to determine if Satisfactory Academic Progress (SAP) has been achieved. The government requires that students who apply for financial assistance meet two standards:

**Qualitative Standard**

All students at Riverside Community College District (RCCD) must have a Cumulative Grade Point Average (GPA) of 2.0.

**Quantitative Standard**

All students must complete a certain percentage of units attempted in order to make progress toward their goal. There are two parts to this standard:

1) **Pace of progression:** Students must complete at least 67% of the total (cumulative) units attempted. For example, a student has attempted 20 units at RCC. They successfully completed 13.5 of those units. Their completion would be 67.5% (units completed divided by units attempted equals completion percentage – 13.5 ÷ 20 = 67.5%). If students are unable to finish their program within the Maximum Time Frame, as explained below, they may lose eligibility for Title IV aid.

2) **Maximum Time Frame:** The Maximum Time Frame for completion of a degree or certificate is 150% of the published length of the program. All units attempted at RCCD will be included since the Maximum Time Frame is based upon units attempted. A student can receive financial assistance for a maximum of 150% of the published length of the program. For example, if the published length of a degree program is 60 units, the student may receive financial assistance for up to 90 attempted units (60 units x 150% = 90 units). If the published length of a certificate program is 40 units, the student may receive financial assistance up to 60 attempted units (40 units x 150% = 60 units).

**Evaluation**

All students will be evaluated at the end of each semester to determine if they are meeting the standards listed above, beginning with the Fall 2011 semester.

*If you have attempted less than 12 units at RCCD, then you will be required to maintain a 1.5 Cumulative GPA and must complete 50% of the courses you attempt to maintain SAP. Once you have attempted 12 or more units, you will be held to the standard as explained above.
Grade Standards

All semester units at RCCD include:

- Attempted units include: A, B, C, D, F, CR, P, NC, NP, FW, W, I, IB, IC, ID, IF
- Completed units are units with a grade of: A, B, C, D, CR, P
- Transfer credits from other institutions will be included as attempted and completed units in the SAP calculation.

Courses in which a student receives a grade of F, NC, NP, FW, W, I, IB, IC, ID and/or IF will not be counted as completed units for satisfactory academic progress purposes, but will be counted as attempted units.

Only practicum/labs that are required, recommended or academically beneficial should be taken at the same time as the corresponding course.

Adding and/or dropping units after the first grant disbursement will require a review and possible adjustment of any future disbursements. Student Financial Services follows all Title IV regulations in relation to financial assistance for repeated courses and IP grades.

SAP Satisfactory (SA): A student is meeting Satisfactory Academic Progress as long as the student maintains a cumulative GPA of 2.0 (Qualitative Standard), a completion percentage rate of 67% (Quantitative Standard) and the student has not exceeded the Maximum Time Frame of their selected program of study (Quantitative Standard).

SAP Warning (WA): Students failing to meet SAP will be placed on a one semester “Warning” which will allow students to receive financial assistance even though they are not meeting the SAP standard. If after the “Warning” semester students are still not meeting the SAP standard, they will become Ineligible.

SAP Warning Students’ Responsibilities

Students on Warning Status are encouraged to meet with a Counselor to complete an official and current two year Academic Plan (AP)/Student Educational Plan (SEP)/Academic Evaluation (AE) on file (within the last year). To schedule an appointment to meet with a SFS Academic Counselor to complete an SEP, please call (951) 222-8710. Students on financial aid Warning status will continue to receive certain types of financial assistance during the Warning period. Warning status students must improve their academic standing. Students who do not meet the SAP standards after their Warning period will be declared Ineligible for financial assistance.

SAP Ineligible (IN): A student can become Ineligible for two reasons:

1) Student failed to meet SAP standards after their “Warning” semester and/or
2) Student exceeds the 150% Maximum Time Frame of program of study under the quantitative standard
Students on a SAP Ineligible status can be **Appeal Approved ONCE ONLY during their lifetime at RCCD.** In order to appeal, the student must have extenuating circumstances that occurred during the period that the student did not meet SAP. To appeal, the student must document the circumstance for not meeting SAP and must provide official documentation.

**Note:** If a student becomes Appeal Ineligible for any reason, the student **WILL NOT be ALLOWED** to Appeal again.

Some examples of Extenuating Circumstances that must be supported by providing official documentation may include:

- Death of an immediate family member
- Documented illness
- Major accident or injury of yourself or an immediate family member
- Victim of a Crime
- Homelessness

Appeal Documents: The four (4) documents that must be submitted if the student has extenuating circumstances are:

- Extenuating Circumstances Appeal form with a written statement of those circumstances
- Official Documentation verifying the student’s extenuating circumstances (i.e. court documents, police reports, medical records, doctor’s note, death certificate…)
- Current (less than one year) official two year Academic Plan/Student Educational Plan/Academic Evaluation (RN or VN)
- Completed SAP 101 Quiz (Note: Student must score 100% on the SAP 101 Quiz)

*NOTE:* In order for a two year Academic Plan/Student Education Plan/Academic Evaluation to be official, official transcripts from **ALL** other colleges or universities must be on file at Riverside Community College District. If a student’s official transcripts are not on file, then the student’s two year Academic Plan/Student Educational Plan/Academic Evaluation is invalid.

*On Page 8 RCC Catalog:* Students planning to graduate from Riverside City College, or needing to use courses from another college/university as a prerequisite, must submit all official transcripts to Riverside Community College District. See Section III Graduation Requirements in this catalog for further information on course acceptance from other institutions. This is why **All Official Transcripts** from previously attended colleges or universities must be received at RCCD in order for a Counselor to complete an official two year Student Educational/Academic Plan that will be accepted for your FA Appeal or FA Student Loan.

Students who have exceeded the Maximum Time Frame must have one of the following valid reasons:

- One time change of major or goal after student has completed one major/goal.
- Returned for a second goal
- Completed ESL courses (ESL 51, 52, 53, 54, 55, 71, 72, 73, 91, 92, 93…)
- Completed Basic Skills courses (ENG 60A, 60B, MAT 50, 51, 63, 64, 65, REA 81, 82, 83) Note: MAT 52 if student started classes the Fall 2011 semester or later.
- High unit majors (Nursing, Vocational Nursing…)
- High unit transfer majors (Math, Biology, Chemistry, Physics, Computer Science, Engineering…)
- Completed Military or AP courses/credit
Appeal Documents: The three (3) documents that must be submitted if the student has exceeded the Maximum Time Frame are:

- Appeal form with a written statement explaining the valid reason for exceeding the Maximum Time Frame
- Current (created within the last year) official two year Academic Plan/Student Educational Plan/Academic Evaluation
- Completed SAP 101 Quiz (Note: Student must score 100% on the SAP 101 Quiz)

*NOTE:* In order for a two year Academic Plan/Student Education Plan/Academic Evaluation to be official, means that official transcripts from other colleges or universities must be on file at Riverside Community College District. If a student’s official transcripts are not on file, then the student’s two year Academic Plan/Student Educational Plan/Academic Evaluation is invalid.

*On Page 8 RCC Catalog:* Students planning to graduate from Riverside City College, or needing to use courses from another college/university as a prerequisite, must submit all official transcripts to Riverside Community College District. See Section III Graduation Requirements in this catalog for further information on course acceptance from other institutions. This is why **All Official Transcripts** from previously attended colleges or universities must be received at RCCD in order for a Counselor to complete an **official two year Student Educational/Academic Plan** that will be accepted for your **FA Appeal or FA Student Loan**.

**NOTE:** Submission of an appeal does not guarantee that a student will regain financial assistance eligibility. After reviewing the appeal, the SFS Academic Counselor will render a decision, and the student will be notified in writing of the decision.

RCC Students must submit their Appeal to Riverside City College only. Each student who is approved for a “probationary” period must have an **official Academic Plan/Student Educational Plan or Academic Evaluation** developed, which will outline the courses for which the student may receive financial assistance.

**SAP Probation (PE):** Students will be placed on Financial Aid (FA) “Probation Status” only if their appeal of Ineligible status is approved. Students on Probation must meet the SAP standard each semester beginning with the semester of approval in order to maintain their Probation Status.

If students fail to meet SAP while in a FA Probation Status, they will become Ineligible to receive financial assistance until they bring their SAP up to Qualitative Standard of 2.0 GPA and Pace of Progression of 67% completion rate prior to exceeding the Maximum Time Frame.

**Approved Class List**

Probation students will only receive financial assistance for courses that are listed on their Approved Class List (ACL) which is created by a SFS Academic Counselor based on the student’s Student Educational Plan. If an appeal is submitted late in the academic year and approved, funding will only be disbursed for the semester in which they were approved and forward. Eligibility for federal, state and institutional eligibility will be determined after the appeal has been approved and the appeal contract received. No retroactive disbursements will be made. Eligibility for the Board of Governors’ Fee Waiver (BOGW) is not affected by a student’s SAP status at this time. Students who are in a Probationary status will have Federal Direct Loan Program eligibility reviewed on a case-by-case basis.

**Student Financial Services (SFS) Academic Counselors**

SFS Academic Counselors are available for appointments. You may meet with your SFS Academic Counselor to develop your **official two year Academic Plan (AP)/Student Educational Plan (SEP)**, seek career and academic guidance; seek guidance regarding your appeal; to review, revise and update your Approved Class…
S T U D E N T  F I N A N C I A L  S E R V I C E S
List; and for many other Academic Counseling services. To schedule an appointment for Riverside City College, please call (951) 222-8710.

Please meet with your Student Financial Services Academic Counselor at Riverside City College and utilize tutorial services and time management in order to maintain your financial assistance eligibility.

*NOTE: If you need a current official two year Academic Plan (AP)/Student Educational Plan (SEP) to submit with your Appeal or for the purpose of applying for a Student Loan, you can also meet with any General Counselor in the Counseling Department in Admissions and Records to have one prepared.

*On Page 8 RCC Catalog: Students planning to graduate from Riverside City College, or needing to use courses from another college/university as a prerequisite, must submit all official transcripts to Riverside Community College District. See Section III Graduation Requirements in this catalog for further information on course acceptance from other institutions. What Happens if I Drop Some of My Classes After Receiving My Financial Assistance?

A student’s final grant disbursement of the semester will be adjusted (if possible) for changes in enrollment due to dropping a class. However, if the student drops too many classes after receiving his or her first grant disbursement, the student WILL be required to repay a portion (or all) of the grant. For example:

- If a student starts the semester with 12 units, is paid full-time on the first disbursement and then drops to 6 units, he or she will not receive ANY second payment, since he or she would have already been paid the equivalent of half-time for the entire semester.
- If a student starts the semester with 12 or more units, is paid full-time on the first disbursement and then drops to 9 to 11.5 units, he or she may receive an adjusted final disbursement based on three-quarter time enrollment for the entire semester based on eligibility.
- If a student starts the semester with 12 or more units, is paid full-time on the first disbursement and then drops below 6 units, he or she will not receive an additional disbursement and WILL owe a portion (or all) of the grant back.
- If a student starts the semester with 6 to 11.5 units, is paid ¾ or ½ time on the first disbursement and then drops below 6 units, he or she will not receive an additional disbursement and WILL owe a portion (or all) of the grant back.

If you have to drop a class after receiving grant funds to attend that class, be sure to contact the Financial Aid Office to see how that reduction in units will affect your next payment. In order to reduce the chance of repayment of grant funds, you must officially drop all classes that you are not actively participating in.
What Happens if I Drop All of My Classes After Receiving My Financial Assistance?

You Totally Withdrew From All of Your Classes or Received all FW Grades for the Semester.

Any student who withdraws from all of their classes, are dropped by all of their instructors, or receives all FW grades for the semester may be subject to repayment of federal financial assistance funds including the Federal Pell Grant, FSEOG grant, and Direct Loans.

If you received Federal grant and/or loan funds and withdrew from school before completing 60% of the semester successfully, the amount of grant or loan funds you earned must be determined.

- If the amount of funds disbursed to you is greater than the amount of funds you actually earned, those unearned funds must be returned.
- If the amount of funds disbursed to you is less than the amount of funds you actually earned, you may be eligible to receive a post-withdrawal disbursement of those earned funds not yet received.

The Student Financial Services (SFS) office is required to calculate how much aid you earned during the semester, based on the final date you withdrew and will notify you of any repayment due to the school or any post-withdrawal disbursement due to you. Please note that if you totally withdraw after 60% of the semester has passed, you will not owe any repayment of federal funds.

Your withdrawal date is determined in one of the following ways:

- The date you dropped your last class in the Admissions and Records office or on WebAdvisor
- The midpoint of the semester if you did not officially withdraw and received all FW grades (combination of all FW and/or W grades)
- The date posted by the instructor indicating your last date of attendance in class

Example of withdrawal calculation

You received $1179 Pell grant and could have received an additional $1178 if you had finished the semester, equaling a total award of $2357 for the semester. There are 117 days in the semester and you withdrew on the 17th day. You earned 14.5% of your grant (17 ÷ 117 = 14.5%).

The Student Financial Services office will calculate what you earned and did not earn:

$1179 grant money received + $1178 you could have received = $2357 X 14.5% = $341.77 earned
$1179 grant money received - $341.77 earned aid = $837.23 unearned aid (85.5%)

- School Portion of the calculation

An additional portion of the grant must be repaid by the college based on your total institutional charges at the time you withdrew

For Example, you took 12 units for the semester at $20 per unit. Your total institutional charges = $240
$240 X 85.5% (unearned) = $205.20 the college has to pay back to the federal program and you will have to repay to the college.
Student Portion of the calculation

You will have to pay back the unearned amount minus 50% of the total aid that was disbursed and aid that could have been disbursed

$837.23 unearned aid - $205.20 that the college returns = $632.03 which is the initial amount of unearned aid due from you.

$2357 total aid disbursed/could have been disbursed X 50% = $1178.50.

$632.03 - $1178.50 = $0 you have to pay back to the federal grant program.

Total amount the student has to repay = $205.20 to RCC for the college portion that had to be returned.

If you are required to repay funds back to the school, you will have 45 days from the date you are notified to repay the amount owed in full. On the day after the deadline, if the amount due has not been paid in full, you will be reported in an overpayment status to the Department of Education and you will not be able to receive financial assistance at any school until the overpayment has been resolved.

If RCC is required to return funds based on your Return to Title IV calculation, you will be billed the colleges portion to be paid directly to RCC. Should you fail to repay these funds by the required deadlines, there will be a hold placed on your RCC records, you will not be able to enroll in future classes and you will not be able to receive official transcripts from RCC.

**Note that Federal Work Study earnings (FWS) are excluded from the calculation. Direct Loan recipients must contact the Direct Loan program for additional repayment arrangements.

GRANT OVER AWARDS

An overaward/overpayment can occur when a student’s disbursement amount needs to be adjusted due to a change in the student’s eligibility. This can be caused by a change in enrollment status (dropping classes), a change in your award package or a change on your FAFSA application. This may result in adjustments to a student's financial assistance award causing their financial assistance package to exceed their financial need. The financial need is determined by the student’s Free Application for Federal Student Aid (FAFSA).

An overaward can also occur for the following reasons:

- A change in the student’s financial assistance package due to an extension to work-study employment
- A change in the student’s financial assistance package due to the awarding of a scholarship or grant from an outside organization
- Withdrawal from too many classes after receiving a disbursement
- Failing to attend classes for at least one day

The student’s financial assistance award cannot exceed their financial need or the school may take steps to resolve the overaward such as make adjustments to your financial assistance award package and future disbursements or request repayment of disbursed awards.

Failure to repay the overaward / overpayment may lead to a hold on all of the student’s records at Riverside City College and the student will be unable to register for future classes, request official transcripts, and their eligibility for future financial assistance from any educational institution will be affected until they resolve this matter.
Income Re-Evaluations

When you completed your FAFSA application for the 2013-2014 academic year, you were required to report 2012 income information. If you have had a drastic change in income in 2013 due to an unforeseen or special circumstance, the Department of Education and RCC will allow you to have your financial assistance eligibility re-evaluated. Special circumstances may include:

• Unemployment or change in employment

• Death of student’s spouse or parent
  • High cost medical bills not covered by insurance
  • One time lump sum payment in 2012

To apply for a 2013-2014 Income Re-Evaluation at RCC you must:

• Submit your 2013-2014 FAFSA Application

• Complete your 2013-2014 RCC financial assistance file and have received a final revised award notification
  • Provide a copy of your signed 2012 and 2013 Federal tax returns and W2’s and/or year end statements for other income received
  • Be meeting the RCC Satisfactory Academic Progress (SAP) Standard (see the SAP section of this guide for additional information)

Bureau of Indian Education Grant/Scholarship

If you are a student who is a member or a close descendent of a member of a federally recognized American Indian Tribe or Nation, you may be eligible for grants or scholarships from your Tribe/Nation or the Bureau of Indian Education (BIE). To participate in BIE grants and scholarships, please contact the education office of your Tribe/Nation for the application and steps you must take in order to become eligible. For more information regarding Indian Education Programs please visit www.bie.edu

To determine eligibility for grants or scholarships by your Tribe/Nation, they may send you a “Needs Analysis” form to be submitted to the Riverside City College Student Financial Services (SFS) office. The Needs Analysis requires that you complete the Free Application for Federal Student Aid (FAFSA) for the current academic year. You can complete the FAFSA online at www.fafsa.gov and list RCC as your college (school code #001270). The SFS office will return the Needs Analysis form to your Tribe/Nation.

If you are found eligible for grants or scholarships by your Tribe/Nation, they will send the funds to Riverside City College. You will be emailed notification to your RCC student email account that RCC has received your BIE Grant/Scholarship funds. The RCC SFS office will verify that you are enrolled in classes and disburse the BIE Grant/Scholarship funds via the Sallie Mae Debit card. Please see the information in this guide regarding how to sign up for the Sallie Mae Debit card if you have not already done so.
**Gear Up Scholarship Program**

Scholarships

Scholarships are a resource that can provide financial assistance for students to successfully obtain their educational goals. Scholarships are available for application by all students at Riverside City College. Scholarships may be based on financial need and/or GPA and academic performance. Other qualifications for scholarships vary, such as your selected major or academic program, career goal, club or volunteer and community involvement, etc. To receive a scholarship, you must complete the scholarship application and go through the eligibility and selection process. Scholarships are usually awarded to the student(s) who best fit the criteria as established by the donor or organization providing the scholarship funds. The scholarship programs available for students at all colleges in the Riverside Community College District are as follows:

**RCCD Foundation Scholarships**

Riverside Community College District Foundation offers scholarships for continuing and transferring students. If you do not meet the scholarship GPA and unit requirements in the fall semester you may not be eligible to receive the fall and/or spring semester disbursement of your scholarship. If this is the case, you will be contacted by mail and may have the chance to appeal the decision. If, for any reason, the awarded recipient does not meet the requirements or the appeal is denied, an alternate recipient will be chosen. **The Community Scholars Program**

The Community Scholars program is a joint endeavor of the Community Foundation serving Riverside and San Bernardino Counties, Riverside Community College District Foundation, California Baptist University, La Sierra University and the University of Redlands and other generous philanthropists in our community who share a commitment to education. The Community Scholars program is valued at $7,000 and is disbursed over a four-year period. In addition to the monetary award for this scholarship, recipients will benefit from joint counseling sessions with RCCD and participating university counseling staff to ensure completion of required classes for transfer from RCCD within the two-year time limit. Community Scholars recipients will also benefit from priority registration for classes at any college within RCCD. Students awarded this scholarship must also meet the eligibility requirements each semester to remain in the program. - Must have at least a cumulative GPA of 3.0.

**Outside Scholarships**

There are many other opportunities for students to find scholarships outside of RCC. However, searching for scholarships requires time and effort on the part of the student, but is well worth the effort. The RCC SFS Office receives scholarship notices periodically from outside, off-campus sources such as civic organizations, clubs, associations, business, etc. Scholarship notices are posted in the SFS office and on the SFS webpage at www.rcc.edu/studentfinancialservices and is updated regularly. It is up to you, the student, to follow the directions for application and follow-up for these scholarships.

Scholarships are also available from other sources such as your college or local library, your parent’s or your employers, community organizations, etc. You may also search for scholarships on the internet; however, beware of sites requesting fees for their services.

The following is a list of free websites you can use in your search for scholarships:

- www.fastweb.com
- www.freescholarshipguide.com
- www.scholarshipexperts.com
- www.studentscholarshipsearch.com
- www.scholarshiphunter.com
- www.collegenet.com
- www.scholarosite.com
- www.scholarships.com

Search engines such as Google are the best tools available to you for finding scholarships. However, there are a lot of secrets in terms of getting the best results out of the search engines.

For example, if you just searched for “scholarships” on Google, you’ll get about 31,700,000 results! Thirty-one million Web pages would obviously take too long to read and sort through, so you’ll need to develop a strategy for being more specific about the scholarships you’re looking for.
Refining your searches in Google can be done in a few steps. Pick a characteristic about yourself that you’d want to find a scholarship about. What do you want to study? What are your passions? What are your hobbies? By narrowing down what you are searching for, you’ll find pages of scholarships that you can apply for.

There are good words, bad words, and then there are magic words. What are magic words? Magic words are words you use in your Web searches that are used less conversationally, and so when you search for scholarships with those terms, you’ll probably get better results.

For example, one of the most powerful words in scholarship search is the word “foundation”. Scholarships are most often administered by foundations, but rarely do people ever bring up the sponsoring foundation conversationally in a Web page, so when you search for scholarships with the word “foundation” in your search, you’ll be more likely to find the awarding foundation.

Magic words become very important when you have relatively broad topics you’re searching for. What are some of the most magic words you can use in your scholarship search?

- Scholarship/scholarships – yes, they are different, singular and plural – you should assume from here on that any term which appears in singular should also be tried plural, and vice versa.
- Grant
- Financial aid
- Endowment
- Foundation
- Fellowship
- Honorarium
- Trust
- Application
- Deadline
- Pdf

If you are awarded a scholarship from a source outside of RCC, the procedures to use your scholarship at RCC are as follows:

1. The organization or donor providing the scholarship will contact you if they have chosen you as the recipient of their scholarship.
2. Follow the donor’s directions for the procedure to have your scholarship funds sent to RCC. If proof of enrollment is required, you may submit your printed class schedule from Web Advisor, or, if they are requesting “official” proof of enrollment, contact the RCC Admissions and Records office at (951) 222-8601.
3. For students who receive the Governor’s Scholarship Program: you may access your scholarship funds by completing the Qualified Withdrawal Form and submitting it to the Governor’s Scholarship Program. The Qualified Withdrawal Form is available at www.cagovernorsscholars.org. For help in filling out the form, call 1-866-477-9665.
4. Once RCC receives your scholarship funds, you will be sent correspondence from the RCC Student Financial Services offices acknowledging receipt of the funds and a schedule of disbursement dates.
5. Once the SFS office determines you are actively enrolled in classes and that you meet all requirements of the donor, your scholarship funds will be disbursed to you on the next disbursement date.
Scholarship Scams

There is no shortage of con artists and scams when it comes to paying for college and spotting them can save you money and heartbreak.

Any scholarship, grant, foundation, or organization that’s legitimate won’t ask for a penny out of your pocket. Any one of these signs should be a red flag that you may be dealing with a scholarship scam:

- Asking for money. Reputable scholarships are free to apply for and free to receive. Scams typically charge for the application, or use deceptive language such as “reserve you scholarship with your credit card number”. Reputable scholarships never need to charge money.
- Asking for lots of non-relevant personal information. Scams using identity theft ask lots of personal information typically not relevant to a scholarship application such as bank account numbers, Social Security numbers, and other financially-related information.
- Claims of exclusivity. A fair number of scams make the claim that their information cannot be found anywhere else, and therefore you should pay for their services. In the age of Google, information exclusivity is a thing of the past. Do not pay.
- Claims of guarantees. The truth of scholarship hunting is that there are no guarantees. No one can guarantee that you will be awarded a scholarship and any company advertising a paid service making such a claim is likely a scam.
- Receiving letters of potential awards you never applied for. Scholarships are in such demand that no awarding agency needs to make unsolicited awards to recipients. This includes email notifications of any kind about scholarships that you never applied for.
- “Free” seminars with an up sell. The latest trick that some companies and individuals are using is the free financial aid seminar offer. These seminars typically promise great financial aid information, but end with a hard sales pitch to attend a future paid seminar, buy books, DVDs, or other materials (usually at high prices). There are plenty of free financial aid seminars offered by high schools and colleges that are worth attending instead. Check with your guidance office or financial aid office for details on those seminars.

If something feels, sounds, or seems “fishy”, it probably is. The most important thing you can do when it comes to scholarship scams is to trust your instincts. With the Internet and other freely available resources, there is no shortage of legitimate scholarships to apply for.

Remember the golden rule of scholarships: Money flows to the student, never the other way around, beware of any scholarship claim to the contrary.

Transfer Tips

Financial assistance does not automatically transfer from one institution to another. You must reapply each year to continue receiving federal and state financial assistance. You may receive financial assistance funds from only one institution per semester. You may, however, receive the BOGW from more than one community college at a time.

If you are transferring to Riverside City College, you must add Riverside City College to your SAR by one of three methods:

1. Using your Department of Education PIN, go to www.fafsa.gov, Under “FAFSA follow-up” choose “Add a School Code” and follow the directions to add Riverside City College using our Title IV School code “001270”.
2. Add RCC to your SAR, sign it and mail it to the address listed at the bottom of page under “If you made changes”.
3. Call the Federal Student Aid Information Center at 1-800-433-3243 and request to have RCC added to your SAR. Have the following information ready:
   - Name and Date of Birth
   - DRN Number (Located on page 1 of SAR)
   - Social Security Number
   - RCC’s Title IV School Code 001270

Within a few weeks you will receive a new SAR from the Federal Student Aid Information Center by mail or e-mail and RCC will receive your information electronically. You will then receive a communication via e-mail from RCC (to your RCC student email address) letting you know what will be needed to complete your file with RCC.

If you have not set up your RCC email account, you will want to do so at www.rcc.edu/email and follow the steps to set up your email account.

Drug-Related Convictions

Students who are convicted of a federal or state offense of selling or possessing illegal drugs (excluding alcohol or tobacco) while receiving federal financial aid should complete and submit the FAFSA because they may be eligible for federal and/or state financial assistance. Students who complete the FAFSA and answer “Yes” to question 23 will immediately receive a series of questions to determine their eligibility. Past convictions are not an automatic disqualification for federal student assistance. You should still complete and submit your FAFSA, answer the drug question, and complete the drug conviction worksheet. Your eligibility will be determined at the time of application. If you are convicted of possession or distribution of drugs after you submit your FAFSA you must notify our office immediately. Students convicted of the sale or possession of illegal drugs may have federal student aid eligibility suspended if such offenses occurred while receiving federal student aid such as grants, loans, and/or work study. Affected students may regain eligibility by successfully completing an approved drug rehabilitation program.

If you have questions about the law or about your eligibility for federal student assistance you may call the Federal Student Aid Information Center at 1-800-4-FED-AID (1-800-433-3243). Your information is confidential and you will remain anonymous. More information is also available at www.fafsa.gov.
It is the mission of Riverside City College to provide a drug-free academic environment for our students that maximizes academic achievement and personal growth. The college recognizes that any type of substance abuse poses a significant threat to the health, safety, and well-being of users and the people around them. Students can seek help through the Student Health Services Center. Health professionals provide confidential assistance for students with alcohol or drug-related problems including crisis intervention, education programs, and referrals. You may contact the Student Health Services Center at (951) 222-8151.

**Release of Financial Assistance Information (FERPA)**

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. FERPA requires that information, written or verbal, regarding student education and financial assistance records cannot be released to any person or agency, other than the student, without prior written consent.

To release information to anyone other than the student, i.e. parent, grandparent or friend, the RCC SFS Consent to Release Information form (CRI) must be completed by the student each academic year. The CRI form is available on our website at [www.rcc.edu/studentfinancialservices](http://www.rcc.edu/studentfinancialservices) under FA Forms and is to be filled out at the student’s home college. The CRI form may be cancelled in person at the SFS office of the students home college.

For student confidentiality, a picture ID will be required when a student is requesting information from his/her financial assistance file. All documents contained in the student’s file are the property of the RCC SFS office and will not be returned. Please request and retain copies of all your paperwork before submitting it to our office. To protect students’ privacy, no detailed student information will be given out over the phone or via the internet. For more detailed information regarding FERPA, please review [www.rcc.edu/ferpa](http://www.rcc.edu/ferpa), the RCC Schedule of Classes, the RCC Student Handbook, or [www.ed.gov/policy/gen/guid/fpco/ferpa/index.html](http://www.ed.gov/policy/gen/guid/fpco/ferpa/index.html).

**California Domestic Partner Rights Act**

What is the California Domestic Partners Rights and Responsibilities Act?

The California Domestic Partner Rights and Responsibilities Act (AB 205), which went into effect in January 2005, extends the same rights, protections, responsibilities, obligations and benefits to registered domestic partners as those extended to married couples. If you inform the college Student Financial Services (SFS) office that you are in a Registered Domestic Partnership or that your parents are in a Registered Domestic Partnership, the SFS office should re-evaluate the student’s Board of Governor’s Fee Waiver (BOGFW) eligibility. Eligibility for aid may increase or decrease.

For the purposes of federal student financial aid programs, California’s recognition of registered domestic partnerships does not apply. If you are in a Registered Domestic Partnership (RDP), you will be treated as an Independent married student to determine eligibility for state funded student financial assistance (BOGW and Cal Grant) and will need to provide income and household information for your domestic partner.

If you are a dependent student and your parent is in a Registered Domestic Partnership, you will be treated the same as a student with married parents and income and household information will be required for the parent’s domestic partner.

These provisions apply to state funded student financial aid ONLY, and not to federal student financial assistance.
Cost of Attendance

The cost of attendance (or budget) is the estimated total amount it may cost to attend college. It will vary depending on your living situation (whether you live with your parents or off campus) and residency status (California resident or non-resident). Residency status is determined by Admissions and Records. Student Financial Services is designed to assist qualified students in obtaining grants, scholarships, and federal work-study funds for educational expenses. Be prepared by applying for financial assistance early, submitting all required documentation, staying enrolled in classes and meeting our Satisfactory Academic Progress Standard.

A. The SFS office schedules FAFSA on the Web (FOTW) workshops each semester to assist you in filling out your FAFSA or California Dream Application online. Look for announcement flyers or visit our website at www.rcc.edu/studentfinancialservices for future workshops and dates.

The Welcome Center is also available for help with the FAFSA and California Dream Application and is located around the building from the RCC Financial Aid office.

There is help available on the FAFSA website (www.fafsa.gov) and the California Dream Application website (www.caldreamact.org) as you enter the information. For the FAFSA, the “Hint” box on the right side of the application explains why the information is needed and gives hints as to how to answer the question. As you enter and move to the next page, the “Hint” box stops you if the information is incomplete and prompts you on the questions that are incorrect or overlooked. For the California Dream Application, the hint or explanation as to how to answer the question is below each question.

FAFSA on the Phone is a non-Web, paperless alternative to completing the FAFSA. With the assistance of customer service representatives, students are given the flexibility to complete the FAFSA by relaying their information over the phone at 1-800-433-3243. For help with the California Dream Application, customer service representatives are available at 1-888-224-7268.

Q. Do I need to apply for financial assistance each semester and when do I re-apply for the Board of Governor’s Fee Waiver (BOGW) and Cal Grant?

A. No, not every semester. The FAFSA and California Dream Application must be filled out for each academic year. Applications are available on January 1st for the next academic year.

Completing the FAFSA early each year assists in determining eligibility for all types of financial assistance (PELL, FSEOG, BOGW, Cal Grant, etc.)

Completing the California Dream Application early each year assists in determining eligibility for the BOGW and Cal Grant.

By filling out the FAFSA or California Dream Application, you will automatically be considered for the BOGW for the academic year beginning with summer and ending with spring (summer, fall, winter, spring).

To qualify for the Cal Grant, you must complete and submit the FAFSA or California Dream Application by March 2nd of each year. Once you have been awarded the Cal Grant, you must reapply each year by submitting the FAFSA or CA Dream Application by March 2nd to maintain your eligibility status.
Q. I submitted my FAFSA and received my SAR (Student Aid Report). Do I need to do anything else?

A. Yes! Completing the FAFSA is only the first step in applying for financial assistance. The next step is to complete your financial assistance file by turning in the required documents to the RCC Student Financial Services office. A current admissions application for RCC is also required.

If you listed Riverside City College as one of your schools, the SFS office will automatically receive your FAFSA information from the Department of Education. Certain forms or documents must be submitted to the SFS office to complete your file and to assist in determining eligibility.

You will be notified through your RCC student e-mail as to what forms or documents are required to complete the financial assistance process. To access your email address, please go to www.rcc.edu/students/email.cfm. Required forms/documents will also be posted on WebAdvisor.

After the required forms/documents have been submitted, your file will be reviewed for eligibility and you will be notified by email of your status. Your award will be available on WebAdvisor.

Q. Why do I have to use my parent’s information on the FAFSA if I don’t live with them and they don’t give me any money for school?

A. For financial assistance purposes, the U.S. Department of Education classifies all applicants into two categories: Dependent and Independent students. Dependency status is determined by the questions in Step Three of the FAFSA.

If you answer “NO” to every question in Step Three of the FAFSA, you are a DEPENDENT STUDENT. Dependent students must include their parent’s income information on the FAFSA.

If you answer “YES” to any one of the questions in Step Three of the FAFSA, you are an INDEPENDENT STUDENT.

Whether or not you live with your parents, they claim you on their tax return or they give you money are NOT factors in determining dependency status. Please see our section on “Dependent or Independent” in this guide for additional information.
Q. My parents make a lot of money. Is it a waste of time to apply for financial assistance?

A. No, it is not a waste of time! The only way to find out if you are eligible for financial assistance is to submit the FAFSA application. If you do not qualify for the Federal Pell Grant, you may still be eligible for other types of aid, such as the Board of Governor’s Fee Waiver (BOGW) or the Cal Grant. If you do not fill out the FAFSA application, you will be disqualifying yourself from getting financial assistance. Remember, FAFSA is the Free Application for Federal Student Aid. There is no fee charged to apply for financial assistance.

Q. Why does it sometimes take so long to process a financial assistance application and what can I do to avoid delays in the processing of my financial assistance application?

A. To avoid any delays in the processing of the financial assistance application, FAFSA, be sure to accurately enter the information and review and recheck the application before submitting. Applications with conflicting or inaccurate information may require a correction, which may mean a delay in the overall process.

Whenever possible, you should use the IRS Data Retrieval tool to take your or your parents’ tax information directly from the IRS.

Remember, completing the FAFSA is just the first step in the application process. You must turn in the required forms and/or documents to complete your financial assistance file so that the awarding process may continue. The SFS office will not be able to process an application with missing documents or conflicting information. The later you apply, the later your application will be processed, so avoid delays and apply early. The SFS office at RCC is committed to processing applications and files as quickly and accurately as possible.

Q. Why is the grant money I received less than the amount listed on my award letter?

A. The amounts listed on your award letter are the awards for a full-time student (12 units). Your actual disbursements may be less depending on the number of units you are actually enrolled in at the time of disbursement. Keep in mind that grants are disbursed in payments throughout the semester. Therefore, the amount you receive may not reflect the entire semester award. Also, late starting classes have a different disbursement schedule. Finally, if you have an approved financial assistance appeal, you will only be paid for classes on your approved class list.

Q. Do I have to be enrolled full-time to receive financial assistance?

A. No, but there are certain unit requirements for different awards. You may be enrolled in any number of units to receive the BOGW. Students eligible for Cal Grant must be enrolled in at least 6 units to receive disbursement. With the Pell Grant, the amount of money disbursed depends on the number of units a student is enrolled in each semester. In some cases, a student may have to be enrolled at least half time (6 units) to receive the Pell Grant. That is determined by the information submitted on the FAFSA and the calculation of the EFC (Expected Family Contribution) by the Department of Education.
**Q. What happens to my financial assistance if I drop classes? Do I have to pay back the money?**

**A.** That depends on when you drop the classes. If you drop classes after the disbursement of aid, your future payments will be adjusted to reflect your new enrollment status (number of units) if eligible. Once this is updated, you will be notified if you must pay back any overpayment of financial assistance.

If you withdraw from all of your classes, you will be notified if you must repay any overpayment of financial aid. Try to avoid a complete withdrawal by seeking advice from our financial assistance academic counselors and/or your instructors before withdrawing. In addition to possible repayment, you may face Satisfactory Academic Progress (SAP) problems because dropping classes will affect your G.P.A, pace of progression and future disbursements.

See our section in this consumer guide regarding dropping classes for additional information.

**Q. Why does the Student Financial Services office limit the kind of information it gives over the phone/email?**

**A.** Student Financial Services does not release certain information over the phone or via email in order to protect the student's right to privacy as stated in the Family Educational Rights and Privacy Act (FERPA). If you need specific information about your financial assistance file and/or disbursement, please come into the Student Financial Services office with a picture ID and our trained staff can answer your questions.

Commonly Used Financial Aid Terms

Ability-to-Benefit

One of the criteria used to establish student eligibility in order for students to receive Title IV program assistance is that a student must have earned 1) a high school diploma or, 2) its equivalent. Students who are not high school graduates (or who have not earned a General Education Development (GED) Certificate) can demonstrate that they have the "ability to benefit" from the education or training being offered by passing an approved ability-to-benefit (ATB) test or complete six semester approved units.

New students will be required to have a high school diploma, GED or pass High School Proficiency test to satisfy the Ability to Benefit requirement for financial aid.

Academic Year

A period of time that schools use to measure a quantity of study. For example, a school’s academic year may consist of a fall and spring semester during which a full-time undergraduate student must complete 24 semester hours. Academic years vary from school to school and even between educational programs at the same school.

Accreditation

The school must meet minimum academic standards, as defined by an accrediting body recognized by the U.S. Department of Education to be eligible to participate in the administration of federal student aid programs.

Accrue

The process where interest accumulates on a student loan.

Award Letter

The award letter explains the type(s) and amount(s) of financial assistance that the student may be eligible for based on the various determining factors. The award letter can be found on Web Advisor under the financial assistance section.

Borrower

Individual who signed and agreed to the terms in the loan promissory note and is responsible for repaying a loan.

Capitalized

With certain loans, such as the subsidized loans, the U.S. Department of Education pays the interest that accrues on a loan while the student is enrolled at least half-time and during periods of deferment. However, with subsidized loans in forbearance and unsubsidized loans, the students are responsible for paying interest as it accrues on these loans. When the interest is not paid, it is capitalized or added to the principal balance, which increases the outstanding principal amount due on this loan. Interest that is capitalized and, therefore, added to the original amount of the loan subsequently accrues interest, adding an additional expense to the loan.

Consolidation

The process of combining one or more loans into a single new loan.
Cost of Attendance (COA)  
The total annual cost of attending college for any given academic year. The COA includes tuition and fees; room and board; allowances for books, supplies, transportation, loan fees, and, if applicable, dependent care. It also includes miscellaneous and personal expenses.

Default  
If a student does not repay their loan according to the terms and agreements of the signed promissory note, they may enter into a default status. A student’s credit status, future financial assistance, purchasing cars, a house, and IRS refund may be affected if a loan is in a default status.

Dependent student  
A student who does not meet one of the criteria for an independent student. Be at least 24 years old, married, a graduate or professional student, a veteran, a member of the armed forces, an orphan, a ward of the court, or someone with legal dependents other than a spouse.

Disbursement  
Scheduled dates in which students will be disbursed their financial aid (may include Pell Grant, SEOG, Cal Grant, Loans).

*For a list of the 2013/2014 disbursement scheduled dates, please see the disbursement schedule section of this consumer guide.

Direct Loans  
William D. Ford Federal Direct Loan (Direct Loan) Program. Eligible students borrow directly from the U.S. Department of Education at participating schools. Direct Loans include subsidized and unsubsidized Direct Stafford Loans (also known as Direct Subsidized Loans and Direct Unsubsidized Loans). You repay these loans directly to the U.S. Department of Education.

Educational Goal  
A program of organized instruction or study that leads to an academic, professional, vocational degree or certificate and other recognized educational credential. To receive financial assistance, you must be enrolled in an eligible program. For questions, please see the SFS office for more information.

Expected Family Contribution  
Your Expected Family Contribution (EFC) is the number that is used to determine your possible eligibility for financial assistance. This number results from the financial information you provided on your FAFSA application. Your EFC number is located on your Student Aid Report (SAR).

Grace period  
After borrowers graduate, leave school, or drop below half-time enrollment, loans that were borrowed have 6 months before payments are due. This period is called the "grace period.” During the grace period, no interest accrues on subsidized loans. Interest accrues on unsubsidized loans during grace periods, and this interest is capitalized when borrowers' loans enter repayment.

Half-time  
At least six semester hours/units of active enrollment per semester at RCC.

Independent Student  
An independent student meets the requirements on the FAFSA to list only their (and spouse if applicable) information.

Interest  
A loan expense charged by the lender and paid by the borrower for the use of borrowed money.
National Student Loan Data System (NSLDS) receives data from schools, guaranty agencies and U.S. Department of Education programs. By using your FAFSA PIN, you can obtain information about your federal loan and Pell Grant amounts, outstanding balances, the status of your loans and disbursements made. You can access NSLDS at www.nslds.ed.gov.

Principal: The amount of money borrowed by the student. Interest is charged on this amount.

Promissory Note: A promissory note is a binding legal document you sign when you get a student loan. It lists the conditions under which you are borrowing and the terms under which you agree to pay back the loan. It will include information on how interest is calculated and what deferment and cancellation provisions are available to the borrower. It’s very important to read and save this document because you’ll need to refer to it later when you begin repaying your loan or at other times when you need information about provisions of the loan, such as deferments or forbearances.

Satisfactory Academic Progress: To be eligible to receive federal student financial assistance, you must meet and maintain your school’s standards of satisfactory academic progress (SAP) toward a degree or certificate offered by that institution. Please refer to our SAP section on this guide for additional information.

Selective Service Registration: In order to be eligible for federal student aid you must register with the Selective Service if:

• You are a male born on or after Jan. 1, 1960, and
• You are at least 18 years old, and
• You are not currently on active duty in the U.S. Armed Forces.

Student Aid Report: Your Student Aid Report (SAR) summarizes the information you submit on your Free Application for Federal Student Aid (FAFSA) and provides you with your Expected Family Contribution (EFC).

Subsidized: A loan for which a student borrower is not responsible for the interest until they have stopped attending school and have completed their grace period.

Unsubsidized: A loan for which the student borrower is fully responsible for paying the interest while they are in school, regardless of the loan status. Interest on unsubsidized loans accrues from the date of disbursement and continues.

To sign up and/or get directions on signing up go to www.rcc.edu/students/studentFinancialServices.

Keep in mind that when you sign up for the Sallie Mae Debit Card the Debit Card is not sent to you when you apply for the debit card online it is mailed to you when your first disbursement has been completed by Riverside City College. You must allow at least 10 business days to receive your card if eligible, from the day of your disbursement. You must use a permanent address when you apply for a debit card. If you have a P.O. Box you will need to call Sallie Mae at 1-888-553-4108 on the day of your disbursement and update your address with Sallie Mae as well as update your address with your school. The first initial card will be mailed to you and this will be the only mailing time you will have; any time you are due another financial aid disbursement, it will be electronically loaded onto your Sallie Mae Debit Card.

It is important that you take care of the Debit card. A replacement card will be your responsibility and have a cost to you. Also please check your RCC E-mail on a regular basis for any updated information.
Please note that if you sign up for the card and you do not pass the USA Patriot Act (the USA PATRIOT Act is a federal law that, among other things, requires all financial institutions to obtain, verify and record information that identifies each person who opens a Card Account with any financial institution) with Sallie Mae you will be required to fax over documents (Social Security Card, Driver’s License and/or Birth Certificate) to identify your identity. If any documents are needed Sallie Mae will contact you at the e-mail you provided at the time you signed up. If you do not supply those necessary documents to Sallie Mae by their deadline date and have been disbursed a disbursement the funds will be returned to your college and you may need to wait 2-3 weeks for a check to be reissued. Before your check can be released you will be asked to clear the Patriot Act with Sallie Mae and provide proof to your college that it’s been cleared. The proof consists of the e-mail from Sallie Mae stating that your card has been cleared and you can now activate it. **Additional Information about your Disbursement**

Please read the following BEFORE you accept the disbursement:

Remaining in all of your classes is critical to avoid Return of Title IV repayment. If you are receiving financial assistance at another institution or you have dropped all of your classes, you MUST return the funds to the College. If you receive all FW grades for a semester which your received Title IV funds, you may be required to repay a portion of those funds. Your award is contingent upon the availability of funds from the appropriate agencies and the laws and regulations which govern these programs, and is thus subject to change. If you are still enrolled but have dropped a class or classes please note that you may owe all or a portion of your disbursement. Please contact the Student Financial Services Office at Riverside City College to see if you will need to repay your disbursement back.

You will only be paid for classes you are actively attending and that are eligible for grant or loan funding. The Board of Governors Fee Waiver (BOGW) and EOPS Book assistance are financial resources available to help you meet your educational expenses and may appear on your award letter. These are not cash awards distributed by the SFS office. If you have already paid your fees, you may be eligible for a refund.
