Declared Program of Study:

When completing your financial assistance file, it is important to understand the following information about your declared program of study (major):

- Students who declare an “Undecided” program of study WILL NOT be eligible to receive most forms of Federal, State and Institutional financial assistance.
- All students must have only one active and accurate program of study declared with Admissions and Records. Please refer to your college catalog for information on the programs of study available at your home college.
- Your chosen program of study will influence your Satisfactory Academic Progress Standard calculation, which can impact the amount of units for which you are eligible to receive financial assistance at your home college.
- If you are not sure what your program of study is, please meet with an academic counselor at your home college.
