The 2013-14 College Enrollment Verification Form from Riverside City College provides information on College Enrollment Verification for students who are or will be enrolled at least half-time in an eligible post-secondary (college) institution from July 1, 2013 through June 30, 2014, including dependent and independent students. Students are required to list any members of their parent(s) household or household who are or will be enrolled at least half-time in an eligible post-secondary (college) institution. The form also includes definitions for dependent and independent students, and links to the Riverside Community College District's website for further information.
