Academic Regalia

Academic ceremonies with gowns, mortarboards, tassels, hoods, and maces are traditions handed down from European universities of the Middle Ages. These first organized institutions of learning originated during the 12th and 13th centuries, generally under the jurisdiction of the church. Robes, hoods, and caps were worn mainly for warmth in unheated buildings by the clerics, monks, and priests who were the first students.

European universities continue to show great diversity in their academic dress. In the United States, as the result of our English heritage, caps and gowns have been used since colonial times by the faculties of some universities and became generally standardized about 1895.

Today, the traditional commencement ceremony celebrates the success of our Riverside City College students who are completing, or will complete, an Associate's degree or certificate program. The degree or certificate is awarded once all requirements have been verified. Graduates may receive "honors at commencement" based on a cumulative grade point average from all accredited institutions. Graduates wearing gold tassels have received Distinction*, with a cumulative GPA of at least 3.30 or higher. Graduates wearing a gold cord have received Great Distinction**, with a cumulative GPA of at least 3.70 or higher. Spring 2020 is not included in the calculation of "honors at commencement." Colorful program sashes and stoles indicate the graduate's successful participation in a college program.

Commencement regalia for the Masters' and Doctoral degrees add a hood, with a velvet facing. The color of the velvet facing, indicates the program of study of that degree holder.

The Lamp of Learning

Dating from ancient times, the lamp is the symbol of intelligence, learning, wisdom and knowledge.

The first documented reference to the lamp at Riverside City College appeared in proposed architectural drawings of the Quadrangle by Peter Weber in 1926. The lamp, mounted on three books, was etched over the entrance of the Quadrangle by 1938. Although that arch disappeared during a later renovation, the south arch now bears a representation of the lamp, supported by the words: Wisdom is my Light.

Riverside City College Student Speaker

Caresse Boulter

Caresse Boulter was selected to present the commencement speech and represent RCC's Class of 2021. Their speech will provide words of encouragement and share experiences with fellow graduates. This year's student Commencement speaker is a leader who was actively involved in student life and served as the student representative on the College's Academic Senate.

Boulter is a returning student majoring in Political Science, a participant in the Pathway to Law School program, and is on track to be named a Council on Access and Fairness (COAF) scholar. Their career goal is to become a public defender.

One of Boulter's fondest memories as a student at RCC was being a delegate competing on the renowned Model United Nations team. "Through this experience I've built so much confidence and it taught me leadership skills," Boulter said.

"At RCC I've made friends, worked with some great faculty and staff, and been taught by some of the most amazing professors who are so dedicated to their work," Boulter said. "When I leave RCC that will always be with me."

Boulter is an active member of the community, dedicating time to organizing and leading community efforts throughout the Inland Empire and Orange County. In their free time, they love to cook, play music, and recently acquired a new hobby, making pottery.

Riverside City College ASRCC President

Shauna "Shay" Kim

Hi Tigers! My name is Shay Kim, and I am so honored to have served as president of Associated Student of Riverside City College. Being a part of a student environment is essential which is why I decided to join ASRCC.

As student leaders, we have made cultivating an environment that embraces coming together to build a better community not only at RCC, but also in the world around us. Love is underrated and not talked about enough. We need to love others and their own backgrounds.

Most of us have great memories of RCC, some on campus and others through virtual experiences. My most memorable experience was being a member of the RCC Marching Tigers, enduring long rehearsals, and enjoying a sense of accomplishment with my fellow members after a show.

Being ASRCC president shaped me into the person I am today. I was a completely different person as a student at Centennial High School. Today, I am confident and full of ambition as I pursue my dream of working alongside top fashion designers as a buyer for top fashion brands such as Louis Vuitton.

As I transition to California State University, Long Beach to study fashion merchandising, I want to thank Professor Monique Greene. Our brief encounter provided direction on what I should do in my career. It definitely had a significant impact on my future.

My advice to new and current students is, take it one-step at a time. Surround yourself with people who don't make you question your worth! It's okay to not have your career figured out right away. I promise you that joining a club or another student-led program that involves a community will make your RCC experience more enjoyable.

2020 RCC Alumnus of the Year

Joyce Leon Class of 1976

Joyce Leon was selected Riverside City College's 2020 Alumnus of the Year for her leadership and commitment to education and to serving the community. Leon who graduated from RCC in 1976 also earned advanced degrees from California State University, San Bernardino.

Leon's education led her to a career assisting the less fortunate. In 1975, she began working at Riverside General Hospital before accepting a position with the County of Riverside's Public Defender's Office. Later she worked for the Health Department, Department of Social Services, Auditor Controller, and Treasurer-Tax Collector.

She also developed and taught special training materials for the County's online accounting system while with the Auditor Controller's office. At the Treasurer-Tax Collector's office, she served as the assistant treasurer-tax collector. She eventually retired from the County of Riverside in 2004.

Throughout her career, Leon held a passion for education. She taught her first class at the National Business Institute. Since then, Leon has taught over 4,000 students during a career teaching accounting, business math, and computer information systems courses at the University of Redlands, University of La Verne and at each of the colleges within the Riverside Community College District.

After shelving her textbooks, Leon assumed a leadership role as the department head of Catholic Charities, a nondenominational, non-profit entity where she saw firsthand the needs of the community. She immensely enjoys theatre and the arts, and regularly supports the Riverside Community Players program.

"Joyce Leon has maintained a connection with RCCD for many years and has had a positive impact not only in her profession but in the community as well," Marilyn E. Kenny, retired instructor, said. "I cannot think of anyone who more richly who deserves to be recognized for this award."

The Alumnus of the Year Award is the highest honor bestowed upon alumni by the College's leadership.

With Dignity

The musical score is written for piano and voice. It consists of four systems of music. Each system has a vocal line on a single staff and a piano accompaniment on two staves (treble and bass clef). The key signature has three flats (B-flat, E-flat, A-flat) and the time signature is 4/4. The lyrics are: 'Un-known the years that lie a-head, but Strong-ly arm'd are we. By pre-cepts wise we shall be led, and take our strength from thee. AL-MA MA-TER RI-VER-SIDE, glo-ry and our guide far from your halls re-mem-brance calls with love and pride; with spi-rits free we hon-or thee, our Riv-ver-side!' The piano accompaniment features a steady bass line and chords that support the vocal melody.

Un-known the years that lie a-head, but Strong-ly arm'd are we. By

pre-cepts wise we shall be led, and take our strength from thee. AL-MA MA-TER

RI-VER-SIDE, glo-ry and our guide far from your halls re-mem-brance calls with

love and pride; with spi-rits free we hon-or thee, our Riv-ver-side!
