Instructional Unit Plan

***Please retain this information for your discipline's/department's use (or forward to your chair). A database will be created and distributed to the relevant councils and committees as requested.**

The Unit Plan is conducted by each unit on each campus and consists of an analysis of changes within the unit as well as significant new resource needs for staff, resources, facilities, and equipment. It should be **submitted or renewed every year by mid May** in anticipation of budget planning for the fiscal year, which begins July 1 of the *following* calendar year.

Extensive data sets have been distributed to all Department Chairs and are linked to the Program Review website (password 11111). Chairs have received training on the use of these data sets. Please consult with your Department Chair or Raj Bajaj (raj.bajaj@rcc.edu) for assistance interpreting the data relevant to your discipline. Note that you are only required to mention data relevant to your analysis or requests. Should you wish assistance with research *analysis* please fill out the form at <http://academic.rcc.edu/ir/requestform.html> and you will be contacted to schedule a time to discuss analysis of your data. You may also use this same form to request a labor market analysis. **Please utilize these data or data collected by your discipline to assess your goals and as rationale for resource requests.**

The questions on the subsequent pages are intended to assist you in planning for your unit. **If there is no change from your prior report, you may simply resubmit the information from that report.**

The forms that follow are separated into pages for ease of distribution to relevant offices, councils and committees. Don't let formatting concerns slow you down. If you have difficulty with formatting, the Administrative Support Center can adjust the document for you. Simply add responses to those questions that apply and forward the document to the Administrative Support Center with a request to format it appropriately.

If you cannot identify in which category your request belongs or if you have general funding request questions, please contact your college's Vice President of Business Services, Norm Godin at 951-222-8307 or norm.godin@rcc.edu. Within each resource request form, a recommended contact person is listed to assist you with estimating the cost of your requests. It is vital to include cost estimates in your request forms. **FAILURE TO PROVIDE COST ESTIMATES MAY RESULT IN YOUR REQUEST NOT BEING CONSIDERED. TO ACHIEVE MAXIMUM POINTS WRITE YOUR RATIONALES BASED ON THE RUBRIC CRITERIA. IF CRITERIA ARE NOT ADDRESSED IT WILL BE GIVEN ZERO POINTS.**

The following pages include Riverside City College's Mission Statement and the Goals and Strategies from the 2009-2014 Strategic Plan. They are included for your reference in answering the questions that follow and to include within your rationale for funding requests.

Instructional Unit Plan Update

A. Trends and Relevant Data

1. What is your unit's mission statement? How does your unit's mission statement align with the college's mission?
2. Has there been any change in the status of your unit? (if not, skip to #2)
 - a. Has your unit shifted departments?
 - b. Have any new certificates or programs been created by your unit?
 - c. Have activities in other units impacted your unit? For example, a new nursing program could cause greater demand for life science courses.
3. Have there been any significant changes in enrollment, retention, success rates, or environmental demographics that impact your discipline (See Dataset provided to all chairs)? If so, please indicate those changes. If there are no significant changes in your unit's opinion, indicate "None" and skip to question #3.
4. In reviewing your unit's enrollment data, does your unit have plans to improve any aspects of enrollment management (ex: persistence, scheduling patterns, etc.)? If your plan necessitates resource changes make sure those needs are reflected in the applicable resource request sections.
5. If applicable, please report on the progress made on any of your 2010-2011 unit goals. What are your departmental/discipline goals for the 2011-2012 academic year? As you develop your goals, please ensure alignment with the College's Mission, Goals and Strategies found on pages 3-4. What activities will your department/discipline pursue to meet these goals? What support does your department/discipline need for goal attainment? If applicable, please include the needed support on the resource request forms along with the supporting rationale.

B. Outcomes Assessment Summary and Update

As a matter of good practice and in alignment with Accrediting Commission of Community and Junior Colleges (ACCJC) standards, RCCD faculty participate in ongoing and systematic efforts to assess courses, programs, and general education. Reports on specific assessment projects undertaken by individual faculty or groups of faculty in your discipline may be referenced here, but the primary purpose of this update is to provide an overview of your discipline's assessment activities (plans, data, responses to data, etc.) since your last unit plan update (spring 2010 – winter 2011) as well as your current plans for assessing student learning (spring 2011). Please note since unit plans are completed during the spring semester, we are asking you to report on the previous spring semester data along with the current spring semester plans.

I. Course Student Learning Outcome (SLO) Assessment

Directions: The Riverside Assessment Committee, Program Review, and Institutional Effectiveness Council jointly developed a process to input course assessment information. There are three possible methods of entering course student learning outcome assessment information:

1. Enter into the CurricUNET assessment module, or
Instructions for CurricUNET
 - a. Log on to CurricUNET. (if you have forgotten the log in name/password email: chip.herzig@rcc.edu)
 - b. In the left hand menu under **BUILD** look for **Assessment**
 - c. Click **Assessment**
 - d. Select your discipline from the drop down menu
 - e. The next screen will show you a list of all courses in your discipline
 - f. Hit the “Plan” button next to the course you will be assessing. After you have entered your Plan, hit the “Report” button to describe your assessment results.

Please contact Chip Herzig if you have any questions about the CurricUNET assessment module.

2. Enter into Survey Monkey at www.surveymonkey.com/s/P87GBCB, or
3. E-mail a document in another format (e.g., MS Word) to sloassessment@rcc.edu.

We ask that you encourage as many faculty members within your department/discipline to complete their assessments prior to the May 16, 2011 deadline.

Please indicate in your Excel Course Assessment Spreadsheet which of your courses were assessed. [Please contact Denise Terrazas at denise.terrazas@rcc.edu or (951) 222-8053 for your excel spreadsheet so that you may simply cut and paste here.]

Please complete the following questions:

1. Please describe your discipline's dialogue on assessment results. Where would one find evidence of this dialogue?
2. Please summarize what your discipline learned from your assessments. How do you plan to use the results for improvement within your discipline?
3. To what extent, and how, do your assessment results support your resource requests?
4. What are your plans for further course based assessment in the upcoming academic year (i.e. additional courses or reassessment)?

II. Program Learning Outcome (PLO) Assessment

Directions: If you have been involved in program-level assessment this past year (CTE faculty in particular), please enter into the tool at:

www.surveymonkey.com/s/TT793LQ

If faculty in your discipline/department have already entered assessment information into another format, it is not necessary to re-enter the information, simply send your documentation to sloassessment@rcc.edu. We ask that you encourage as many faculty members within your department/discipline to complete the assessment tool prior to the May 16, 2011 deadline.

5. Please explain what steps your program has taken to map and align your PLOs with your course SLOs.
6. How have you shared and discussed assessment results (e.g., through Community Advisory Committee discussions, discussions with employers, interviews of graduates, program faculty meetings)?
7. To what extent, and how, do your assessment results support your resource requests?
8. What are your plans for further program based assessment in the upcoming academic year (i.e. additional program or reassessment)?

If you have any questions regarding the assessment tool please contact Susan Mills at (951) 328-3738, susan.mills@rcc.edu or Jim Elton at (951) 222-8264, jim.elton@rcc.edu.

i. Hourly FTEF _____ + Overload FTEF _____ = P/T FTEF

ii. FTEF due to reassigned time, load bank or other leaves = _____

(10 Points. Discipline data will be ranked and points awarded based on ranking.)

c. Students served based on Enrollment Load with qualifier(s)

Qualifiers may include, but are not limited to, lecture/lab courses, lab components, and/or linked courses.

Enrollment Load (students served) by the Discipline = _____

(10 Points. Points will be awarded based on the strength of the argument. See Rubric.)

Resource Request Common Rubric
These criteria and rubric apply to requests in Tables 2-9

Criteria	Description for this category will:	Points
Supporting students in their goals	Illustrate how the request is expected to lead to student course completion and success, term to term persistence, [progress in basic skills attainment,] awards, certificates, or transfer. Narrative may also show how the request aligns with college goals, mission statement, vision, and strategic initiatives.	/30
Supporting faculty in their teaching	Explain how the request is a necessary and integral part of supporting faculty members' pursuit of the program, department, or discipline goals and is essential to or useful in delivery of instruction. Additionally, narrative may explain the degree to which the request supports the unit's comprehensive program review.	/25
Supporting faculty in professional development	Demonstrate how the request fulfills professional development needs and may include workshops, guest speakers, training on equipment and/or software, attending conferences, training needed to comply with state and/or federal regulations and ongoing training in the field.	/10
Improvement need resulting from assessment	Explain how the request comes from objective (SLO / PLO) assessment results that show that this request will result in improvement in unit. The request should illustrate what the specific intended improvements are and how they relate to overall mission, goals, or function of the unit (and/or college goals or mission.)	/15
Obsolescence	Show obsolescence of equipment being replaced as primary cause for need. This request relates to the replacement or updating of existing instructional technology and learning resources and should provide details (such as length, frequency, and type of use) to help illustrate obsolescence.	/10

30 Point Scale: 30 = Superior 23 = Above Average 15 = Average 8 = Below Average 0 = No Effort/Non Applicable
 25 Point Scale: 25 = Superior 19 = Above Average 13 = Average 6 = Below Average 0 = No Effort/Non Applicable
 15 Point Scale: 15 = Superior 11 = Above Average 8 = Average 4 = Below Average 0 = No Effort/Non Applicable
 10 Point Scale: 10 = Superior 8 = Above Average 5 = Average 3 = Below Average 0 = No Effort/Non Applicable

NOTE: The above weighting scale point values will be used for ranking criteria. For example, a 30 point scale will not be given a 26 point value.
