*Form Last Revised: June 2012*

## Mission and Unit Status

1. What is your unit's mission statement?

2. Has there been any change in the status of your unit?

YES

NO

3. Have major responsibilities changed within your unit?

4. Have any new programs or services been created/added to your unit?

5. Have activities in other units impacted your unit? For example, a new collaborative project could cause greater demand for support services in your unit.

## Outcomes Assessment Summary and Update

As a matter of good practice and in alignment with Accrediting Commission of Community and Junior Colleges (ACCJC) standards, RCC Administrative Units participate in ongoing and systematic efforts to develop and assess Service Area Outcomes (SAOs).

SAO's Update and Alignment. Please list your unit SAOs and update us on the activities that occurred, your method of evaluation and the status and/or outcome. For the category marked "Comments," please refer to the College Goals and Strategies (Appendix A) to indicate alignment of your unit SAOs, and/or refer to Action Plan documents <http://rcc.edu/riverside/riversidestp/action.cfm>.

## GOALS AND STRATEGIES 2009-2014

### **Goal I: Student Access and Support**

1. Explore alternative enrollment processes
2. Ensure comprehensive and equitable services exist and are part of institutional planning
  - A. Ensure learning support services are available for all students (e.g., supplemental instruction, learning center tutors)
  - B. Expand services in learning support and transfer centers
  - C. Promote outreach to K-12 schools
3. Identify low-performing student populations based on student equity report data and develop a comprehensive plan (cultural, academic and student services) to address inequities for student access, success, retention and progression
4. Develop clear college-wide criteria for student pathways from basic skills to goal attainment
  - A. Expanding and improving instructional delivery modes including hybrid courses, short-term (fast-track) classes, and align delivery/timing of services to the needs of students
  - B. Develop innovative approaches to basic skills instruction (e.g., learning communities, modules, non-credit courses)
  - C. Ensure that basic skills has a comprehensive focus and is integrated into the general curriculum
  - D. Increase transfer awareness, readiness and rates
5. Develop student engagement centers
6. Increase awareness of open access enrollment to all adults through marketing
7. Promoting degree and certificate completion by expanding short-term classes and programs to improve job skills
8. Promoting learning and effective teaching through ongoing identification of and assessment of student learning outcomes

### **Goal II: Responsiveness to Community**

1. Enhance career pathways approach into high-wage, high-growth jobs
2. Expand services to students in outlying and fast-growing areas
3. Maintain and strengthen ties with community-based organizations

### **Goal III: Culture of Innovation**

1. Develop a comprehensive professional development plan
  - A. Provide training for faculty in multiple modalities of teaching inclusive of the use of technology
  - B. Enhance development opportunities for all employees
2. Implement the Facilities Master Plan
  - A. Refine the Facilities Master Plan to improve the overall physical performance and efficiencies of the campus
  - B. Incorporate sustainability in architectural and landscape design
3. Refine and implement a Technology Plan that will utilize advances in information technology to improve effectiveness of instruction, Student Services and Administration

### **Goal IV: Resource Development**

1. Maximize the resources of the College and seek alternative funds to support a comprehensive learning environment by developing a revolving mid-range financial plan inclusive of new fiscal, human and physical resources from grants, public and private sector giving and state funding
2. Secure additional public and private sector grants that support the College's mission and strategic goals
3. Enhance the College's state and national image to better influence public policy with regard to financial resources
  - A. Participate in local, regional and state organizations to advance the cause for differential tuition for high-cost disciplines
  - B. Lobby local, regional, and state leaders to advocate for differential tuition

### **Goal V: Organizational Effectiveness**

1. Enhance and institutionalize operational and strategic planning processes that are deliberative, efficient, and data driven; integrate the College Strategic Plan with the Facilities, Education, and Technology Master Plan; and effectively prioritize new and ongoing resource needs.
2. Examine the College's home page and related web pages
  - a. Maintain currency of posted information
  - b. Identify and implement technology to enhance processes and services
