

# Student Housing Immunization Checklist

## Immunization Requirements:

### ☐ Measles, Mumps, and Rubella (MMR)

- Two doses given at least 28 days apart, on or after your first birthday, OR
- Positive blood test (titer) with uploaded lab results.

### ☐ Varicella (Chickenpox)

- Two doses given at least 28 days apart, on or after your first birthday, OR
- Positive blood test (titer) with uploaded lab results.
- Note: A history of chickenpox illness alone does NOT meet this requirement.

### ☐ Tetanus, Diphtheria, and Pertussis (Tdap)

- One dose on or after your 11th birthday, plus booster every 10 years.
- Only Tdap vaccines meet this requirement (not DTaP or Td).

### ☐ Meningococcal Conjugate (Serogroups A, C, Y, W-135)

- One dose on or after age 16 for students 21 years or younger.

## TB Screening Requirements:

### ☐ Complete Tuberculosis (TB) Risk Questionnaire.

### ☐ If you answer "Yes" to any screening question:

- Complete a TB skin test or blood test within 1 year of moving into housing.
- Note: Vaccinations received within the past 4-6 weeks can interfere with TB testing. Consult your healthcare provider.
