 - No report
 - Student Equity Committee
 - No report
 - ILO Workgroup
 - Committee has not met yet – no input (yet) from NC or MVC
- IV. Ongoing Business
 - Equity in Assessment: "[Four directions for assessment redesign in the age of generative AI.](#)" Some questions to consider as you read:
 - How could the methods described in the article work in your own classes?

- What challenges might you be faced with should you incorporate AI into your classes?
- How would incorporating AI assessment methods into your class potentially increase or close equity gaps?
- Good discussion on AI. Sharing of how different faculty are using it in the classroom and for other purposes.
- College used it to help develop Values
- Is a powerful tool but critical thinking needs to be included

V. New Business

- Bryn is moving on to another department 😞
- Wendy's office is hiring a replacement
