RCC Mission Statement: Riverside City College (RCC) is an open-access, Hispanic-Serving Institution (HSI) that builds upon the strengths and socio-cultural experiences of our diverse student population and the communities we serve. Our college advances equity, access, and inclusion by supporting the attainment of workplace skills, career technical certificates, degrees, and transfer programs, which promote social and economic mobility for our students and the communities they serve.

Land Acknowledgement: We at Riverside City College offer gratitude and respect to the original and current caretakers of this land, water, and air: the Tongva (Gabrieleno), Cahuilla, Payómkawichum (Luiseño), and Serrano peoples and all their Ancestors, Elders, and descendants of the past, present, and future. We recognize that this meeting place is home to many Indigenous peoples from all over the world, including RCC students, classified professionals, faculty, and administrators. We show gratitude for the opportunity to live and work on these homelands and take responsibility to be good stewards of this place.
