## Financial Aid Disbursement Methods

It is important that your **preferred mailing address** is current to avoid delays in receiving your scholarship at [www.refundselection.com](http://www.refundselection.com).

RCC disburses scholarships to eligible RCC students via BankMobile Disbursements. 2-3 weeks after you receive and scholarship notification, new students will receive a green welcome packet from BankMobile in the mail containing a personal code as well as an email from BankMobile to your RCCD student email account with a personal code. The personal code will grant you access to the BankMobile system so that you can choose how you want to receive your disbursement, if eligible.

### Important!

Look for this in the mail, and follow the instructions inside.

Returning students: be sure to review your account information and select **one** of the following disbursement options:

1. **Direct Deposit to your own personal account.** Takes 1-3 business days for the receiving bank to credit your account.
2. **Direct Deposit to a BankMobile Vibe Account.** Funds are credited the same business day in the afternoon.
3. **Paper Check** mailed the same business day, takes about 5-7 business days for the check to arrive to your preferred mailing address.

Receipt of a green welcome envelope **does not** indicate a student's eligibility for financial aid. Follow the tables on the reverse side, and check WebAdvisor and your RCCD student email to verify eligibility.
