### Important Reminders:

- Remaining in all of your classes is critical to avoid repayment of funds received; if you receive a financial aid payment for a class and drop, or are dropped, or earn all FW grades, you may be required to repay a portion or the entire grant.
- Cal Grant, Chafee Grant and Direct Loan recipients must be attending at least 6 units AND must have an approved academic program.
- CCPG (California College Promise Grant) is awarded automatically to eligible students. **CCPG is not issued as a cash payment**; it waives the \$46 per unit enrollment fee.

### How will you receive your funds?

New students will be granted access to set up your BankMobile Disbursements preference via your RCCD email.

Always keep your "preferred mailing address" with Admissions and Records up to date to avoid delays. Returning students may update their "disbursement preference" at any time at [www.refundselection.com](http://www.refundselection.com).

### Disbursement Options:

#### 1. Direct Deposit to your personal bank account

Takes 1-3 business days for the receiving bank to credit your account

#### 2. BankMobile VIBE Checking Account

Funds are credited in the afternoon of the disbursement to a card. New Cards require activation. Fee-free AllPoint ATMs are located in CAK and MLK buildings.

#### 3. Paper Check

A check payable to the student is mailed to the student's address on disbursement day and will arrive within 5-7 business days. Checks expire after 90 days.

Please review the reverse side of this form for details about your financial aid payment!

### Pell Disbursement Calculation

2025-2026 Full Year Pell Grant Total: \$\_\_\_\_\_ Fall Units: \_\_\_\_ Winter + Spring Units: \_\_\_\_

Fall Term Pell Grant Award: \$\_\_\_\_\_ Spring Term Pell Grant Award: \$\_\_\_\_\_

**Term Calculation:**  
Term Pell Award multiplied by % Pell Enrollment Intensity (refer to chart) = New Term Pell Grant

\_\_\_\_\_ X \_\_\_\_\_ % = \$\_\_\_\_\_

Take the New Term Pell Grant amount and divide it by 2 to calculate the amount of each of the two disbursements per term:

1<sup>st</sup> Pell Disbursement is \$\_\_\_\_\_ \* and 2<sup>nd</sup> Pell Disbursement is \$\_\_\_\_\_ \*

*Student Example:*

2025-2026 Full Year Pell Grant Total: \$7395 Fall Units: \_\_\_\_ Winter + Spring Units: 11

Fall Term Pell Grant Award: \$3698 Spring Term Pell Grant Award: \$3697

Term Calculation: 11 units is 92% Enrollment Intensity

Spring Term Award \$ 3697 X 92% = \$3401

1<sup>st</sup> Pell Disbursement is \$ 1701\* and 2<sup>nd</sup> Pell Disbursement is \$1700\*

Amounts are subject to change due to your enrollment intensity.  
Completed 2026 Winter units are included as part of the Spring 2026 enrollment.  
**The Enrollment Intensity Chart calculation ONLY applies to the Federal Pell Grant.**

Cal-Grant & SEOG amounts are determined by your enrollment status

Units Enrolled Per Semester	Enrollment Status	Percentage of Award Eligible for State-issued Grants
12 or more units	Full Time	100%
9.0 – 11.5 units	Three Quarter Time	75%
6.0 – 8.5 units	Half Time	50%
5.5 or fewer units	Less than Half Time	(Not eligible for loans, or Cal Grant, or Chafee)

† Eligibility is based on enrollment status prior to the start of the semester. Unit adjustments due to late registration and late start classes will be disbursed on the next fall/spring disbursement date after the start of classes.
