All state schools must check disbursements to USPS or a partner. First Carolina Bank, BM Technologies, Inc. © BM Technologies, Inc., a wholly owned subsidiary of First Carolina Bank. Member FDIC, and all banking services are provided by First Carolina Bank.

Your electronic options* for receiving your refunds are:

Deposit to an Existing Account

Typically, it takes 2-2 business days for the receiving bank to credit the money to your account. Money is transferred to an existing account the same business day we receive the funds from your school.

Deposit to a BankMobile Checking Account

If you open a BankMobile Checking Account upon identity verification, money is deposited the same business day we receive the funds from your school.

Financial Aid is issued on scheduled payment dates only.

Direct Deposit to your personal bank account takes 1-3 days for the receiving bank to credit your account on disbursement day.

Bank Mobile Checking Accounts are credited on the disbursement day; Review the terms and conditions of this option, or update your refund preference on refundselection.com.

Remaining in all of your classes is critical to avoid repayment of funds received; if you receive a financial aid payment for a class and drop, or are dropped, or earn all FW grades, you may be required to repay a portion or the entire grant

Student Financial Services will check units approximately 3 weeks before disbursement dates.
Disbursement dates and amounts are contingent upon funding and subject to change without notice

2026 Fall Disbursement Schedule

Pell Disbursement Calculation

2026-2027 Full Year Pell Grant Total: \$_____ Fall Units: ____ Winter + Spring Units: ____

Fall Term Pell Grant Award: \$_____ Spring Term Pell Grant Award: \$_____

Term Calculation:

Term Pell Award **multiplied by** % Pell Enrollment Intensity (refer to chart) = New Term Pell Grant

_____ X _____ % = \$_____

Take the New Term Pell Grant amount and divide it by 2 to calculate the amount of each of the two disbursements per term:

1st Pell Disbursement is \$_____ * and 2nd Pell Disbursement is \$_____ *

Student Example:

2026-2027 Full Year Pell Grant Total: **\$7395** Fall Units: **11** Winter + Spring Units: ____

Fall Term Pell Grant Award: **\$3698** Spring Term Pell Grant Award: **\$3697**

Term Calculation: **11** units is **92%** Enrollment Intensity

Fall Term Award \$ **3697** X **92%** = **\$3401**

1st Pell Disbursement is \$ **1701*** and 2nd Pell Disbursement is **\$1700***

Amounts are subject to change due to your enrollment intensity.

Completed 2027 Winter units are included as part of the Spring 2027 enrollment.

The Enrollment Intensity Chart calculation ONLY applies to the Federal Pell Grant.

CCPG (California College Promise Grant) is awarded automatically to eligible students. CCPG is not issued as a cash payment; it waives the \$46 per unit enrollment fee.

Cal Grant, Chafee Grant and Direct Loan recipients must be attending at least 6 units AND must be enrolled in an active approved academic program.
