Student Success & Support Program (SSSP) (formerly known as Matriculation) at Riverside City College (RCC) is intended to assist students in establishing educational goals and to provide support services to help them achieve these goals. The goals of the Student Success & Support Program are to ensure that students complete their college courses, persist to the next academic term, and achieve their educational objectives through the assistance of the student direct components of the SSSP process: admissions, orientation, placement, and counseling.

Admission to Riverside City College

First-time college students must complete the online Admission Application for the specific term they plan to start at RCC. Providing accurate information on the admission application is important because it provides us with the student's information and is the basis for services and educational planning.

When applying, students are asked to select their home college, educational goal, and the major (Program of Study) they will pursue. By applying to Riverside, students make RCC their home college and must select a major that is offered at the College. A careful review of the current Riverside City College Catalog provides students with the majors offered and the courses that must be taken to complete that major. Students may take coursework at Norco College and Moreno Valley College as well, but will receive services at RCC.

Students will receive their RCC email and login information to MyPortal/WebAdvisor (Student Portal) after completing an admission application. It is through MyPortal/WebAdvisor that students will be able to update their contact information, financial aid information, and register in classes AFTER completing the orientation. New students who complete the orientation early – see Important Dates – will receive an earlier registration appointment. If a student misses a semester (fall or spring), they must reapply to the College. Students may change their home college by completing a request at the Admissions & Records office. Please note that home college changes must be processed prior to registration.

To maximize the likelihood of success, students should complete their transfer-level English composition and transfer-level mathematics courses during their first year of enrollment. Development of competent reading, writing skills, and analytical skills provides a foundation that increases students ability to be successful in other college courses.

Placement

RCCD uses multiple measure assessment criteria to assist students in determining appropriate placement for entering courses in English and mathematics courses. Placement criteria may use past performance measures like overall high school GPA, individual course-taking performance, and course-taking patterns to determine appropriate placement in English and mathematics courses. First-time college students are automatically placed into English and mathematics based upon information they supply on the admissions application. The PTESL (Proficiency Test in English as a Second Language) is used for placement into ESL courses. Some returning students and students transferring to RCCD from another college may need to complete a placement survey (consult a counselor).

Students with English placement recommendations that include a support class with the transfer level course may petition to take the course without support. Students seeking this option must complete a Matriculation Appeal petition in the Counseling Center. Petitions take from one to five working days to process.

It is strongly recommended that students enroll in appropriate English composition and mathematics courses during their first or second semester of enrollment. Placement results are found under the Placement Summary option in MyPortal/WebAdvisor. Students needing assistance with appropriate placement should contact either the Welcome Center or visit the Counseling Center (located on the second floor of the Dr. Charles A. Kane Student Services and Administration Building).

Students wishing to take the English as a Second Language test can do so in the Assessment Center located within the College Welcome Center. Students can test on a walk-in basis. If there is no space available, students will be given a same-day or next-day appointment to return. Students who have a documented disability requiring a unique accommodation can take the test in the Disability Resource Center. To request this service, call: (951) 222-8060. Hours of operation are posted outside the Welcome Center (located on the first floor of the Dr. Charles A. Kane Student Services and Administration Building, Room 115), available online at the Welcome Center webpage, and via telephone at (951) 222-8574.

Student Educational Plan

Counseling faculty are available to help matriculated students develop a comprehensive educational plan that outlines the courses necessary to achieve their goals. Students have access to view electronic Student Educational Plans through EduNav. When students change their major or goal, they need to see a counselor to update their plan. Due to a high demand in Counseling during the winter and summer, the best time to meet with a counselor is during the fall and spring semesters.

When students have a clear educational goal, college becomes more meaningful and beneficial. The goal could be to develop marketable skills for an occupation or completion of lower division general education plus major preparation for transfer to a university. Students who are undecided can meet with a counselor to discuss their options.

Orientation/Counseling

Prior to registering for classes, first-time college students are required to complete an orientation.

Students seeking to complete the orientation need to log in to MyPortal/WebAdvisor to access the link. During the session, students will be introduced to services and programs available at RCC. In addition, information on registration procedures will be discussed. After completing the orientation, students are required to view their abbreviated educational plan/Trailhead through MyPortal/WebAdvisor. Once completed, students are cleared to register for classes on or after their registration date.

Students are encouraged to enroll for Guidance 45 (Introduction to College) during their first term at RCC. This class will help in the transition to college and learn more about all the student services the College has to offer.

Counseling for Continuing Students

Continuing matriculated students can meet with a counselor who will recommend appropriate coursework based on placements, review of official transcripts, and other information provided by students. Students who attended other college(s) must request to have an official transcript(s) sent to RCC before scheduling a counseling appointment. Remember that transcripts must be official and not over 90 days old. Students pursuing certificate or degree programs, either associate or baccalaureate, should meet with a counselor as needed to review and update their Student Educational Plan (SEP).

Early Alert

Each fall and spring semester, faculty have the opportunity to participate in the Early Alert. Early Alert allows instructors teaching an eight-week or longer course to identify students who are showing signs of academic difficulty. Studies show that early intervention helps to promote student success. By completing the Early Alert roster, faculty make recommendations for students to visit with them, a counselor, and/or tutorial services. Students then receive a notification to their student email that encourages them to participate in the recommended services.

If you receive an Early Alert notification, please do not ignore it. Take advantage of the opportunity to talk with your instructor and access the student services available to you.

Student Rights and Responsibilities

Prerequisites for courses will be enforced according to District policy. Students have the right to challenge prerequisites on the following grounds:

1. The successful completion (C or better) of an equivalent course from another accredited college or university.
2. The student has the knowledge or ability to succeed in the course despite not meeting the prerequisite.
3. A prerequisite for a course necessary for graduation, transfer or a certificate is not offered and the unavailability of said prerequisite poses a hardship.
4. The prerequisite is discriminatory or being applied in a discriminatory manner.

Note: Coursework must be listed on the original school transcript. Coursework listed on a secondary transcript is not acceptable documentation when challenging a course prerequisite(s).

It is the student's responsibility to: a) complete orientation, placement, and counseling prior to registering for classes, b) express a broad educational intent upon admission, and c) declare a specific educational goal by the time 15 semester units are completed. The student is also responsible for participating in counseling, attending class, completing assignments, and maintaining progress toward that educational goal. If you have questions regarding the pre-enrollment process, please contact the Counseling Center at (951) 222-8440.

*Please note that it is important to have all official high school, college transcripts and AP/IB test results on file at RCC. "Official" is defined as in a sealed envelope, transcript dated within the last 90 days. You can check the arrival of incoming transcripts on MyPortal/WebAdvisor at www.rcc.edu (click on check transcripts received by RCC). Successful completion of some high school courses is accepted by the disciplines as an appeal to existing prerequisites. Equivalent courses from other accredited colleges and universities can fulfill prerequisite course requirements at RCC. Students must fill out a Prerequisite Validation Request form in order to have courses on official transcripts validated for math, English, or other prerequisites. Coursework must be listed on the original transcript. Coursework listed on a secondary transcript is not acceptable documentation.

ORIENTATION → COUNSELING → SUCCESS AT RCC

RCC offers some courses which place limitations on enrollment. These limitations may include successful completion of courses, math and English placement, performance criteria, or health and safety conditions. Students who do not meet the conditions imposed by these limitations will be blocked from enrolling in these classes.

Prerequisite

When a course has a prerequisite, it means that the corresponding discipline has determined that the student must have certain knowledge to be successful in the course. The prior knowledge may be a skill (e.g., type 40 WPM), an ability (e.g., speak and/or write French fluently), a placement and/or prior academic background or successful completion of a course. **Successful completion of a prerequisite requires a grade of 'C' or better and/or 'P' (Pass). 'C', 'D', 'F', 'FW'(Fail- did not withdraw), 'IP' (In Progress), 'NP' (No Pass), 'NC' (No Credit) or 'I' (Incomplete) grades are not acceptable.** Completion of the prerequisite is required prior to enrolling in the class. See the College Catalog for more information on prerequisite.

Corequisite

When a course has a corequisite, it means that a student is required to take another course at the same time as the desired course. Some disciplines accept prior completion of the corequisite, so check the catalog description of each course carefully. Knowing the information presented in the corequisite course is considered necessary in order for a student to be successful in the course (e.g., completion of, or concurrent enrollment in, Math 1A is required for Physics 4A). Please visit the Admissions & Records office when experiencing registration issues pertaining to previously completed corequisites.

Advisory

When a course has an advisory, it means that it is recommended a student have a certain preparation before entering the course. The preparation is considered advantageous to a student's success in the course. Since the preparation is advised, but not required, the student will not be blocked from enrolling in a class if she/he does not meet the advisory.

Matriculation Appeals

Matriculation Appeal Petitions are available in the Counseling Center for the purpose of validating prerequisites completed at another accredited college or university, appealing an exception

FERPA Regulations

The Family Educational Rights and Privacy Act of 1974, as amended (sometimes referred to as the Buckley Amendment), is a federal law that protects the privacy of educational records of all students enrolled in schools beyond the high school level. Schools are required to maintain that privacy, primarily by restricting release of records and the access provided to those records. Any educational institution that receives funds under any program administered by the U.S. Secretary of Education is bound by FERPA requirements. Institutions that fail to comply with FERPA may have funds administered by the Secretary of Education withheld. To learn more about FERPA regulations, please visit our website at www.rcc.edu.

of pre-enrollment requirements, or filing a complaint of unlawful discrimination.

Verifying Prerequisites/Corequisites

It is the student's responsibility to know and meet the course prerequisites and corequisites. These are stated in the course descriptions within the Schedule of Classes and the RCC Catalog.

If you have met the prerequisite at another accredited institution, you must provide verification through one of the following means:

- Submit official transcript(s) and complete a Prerequisite Validation Request.
- Submit unofficial transcript(s) or grade report (must state final grade) and complete a Matriculation Appeal Petition. Petitions based on an unofficial transcript will be approved for one semester only. This will provide time for the student to request official transcript(s). Unofficial transcripts may be used one time only.
- If you wish to challenge a prerequisite for courses other than English, ESL, or math on the basis of knowledge, ability to succeed, or because of the unavailability of the prerequisite, submit a Matriculation Appeal Petition with supporting documentation to the Counseling Center. Successful completion of some high school courses is accepted by the disciplines as an appeal to existing prerequisites and/or corequisites.

Petitions to challenge a prerequisite or to file a complaint of unlawful discrimination are available in the Counseling Center located on the second floor of the Dr. Charles A. Kane Student Services and Administration Building.

STUDENT HIGHLIGHT

Deisy Mendoza

Pathway: Languages, Humanities and Social Sciences

Programs: Puente, La Casa, and EOPS

How has being involved on campus helped you at Riverside City College?

Being involved on campus has helped me in many ways. One of the most beneficial aspects of being involved on campus for me was being able to develop and build new skills that I would have never been able to develop on my own. Participating and working with my Puente peers has helped me to round out my soft skills. It has built my professional skills including leadership, teamwork, communication, and prioritization. Aside from all the skill-building and potential for personal development, community participation in college was also a great way for me to make memories.

Long-term Goal: My long term goal is after I receive my associate's degree I plan on going after my bachelor's in liberal arts to become an elementary school teacher. After I achieve that goal, I plan on still pursuing a master's in counseling because I love helping out, and honestly the counselors that I have had at RCC have made me feel some kind of passion for helping out students in the counseling path.

Going to College is Different than High School

HIGH SCHOOL

RESPONSIBILITY

- Your time is structured by others.
- You need permission to participate in extracurricular activities.
- Guiding principle: You will usually be told what to do and corrected if your behavior is out of line.

CLASSES

- You may study outside class as little as two hours a week, and this may be mostly last-minute test preparation.
- You seldom need to read anything more than once, and sometimes listening in class is enough.
- You are expected to read short assignments that are then discussed, and often re-taught, in class.

INSTRUCTION

- Teachers monitor class attendance.
- Teachers provide you with information you missed when you were absent.
- Teachers remind you of your incomplete work.

TESTS

- Testing is frequent and covers small amounts of material.
- Makeup tests are often available.
- Teachers frequently conduct review sessions, pointing out the most important concepts.

GRADES

- Consistently good homework grades may raise your overall grade when test grades are low.
- Initial test grades, especially when they are low, may not have an adverse effect on your final grade.

COLLEGE

RESPONSIBILITY

- You manage your own time.
- You must decide whether to participate in co-curricular activities.
- Guiding principle: You are expected to take responsibility for what you do and don't do, as well as for the consequences of your decisions.

CLASSES

- You need to study at least two to three hours outside of class for each hour in class.
- You need to review class notes and text material regularly.
- You are assigned substantial amounts of reading and writing which may not be directly addressed in class.

INSTRUCTION

- Professors may not formally take roll, but they are still likely to know whether or not you attended.
- Professors expect you to get from classmates any notes from classes you missed.
- Professors may not remind you of incomplete work.

TESTS

- Testing is usually infrequent and may be cumulative, covering large amounts of material. You, not the professor, need to organize the material to prepare for the test. A particular course may have only two or three tests in a semester.
- Makeup tests are seldom an option; if they are, you need to request them.
- Professors rarely offer review sessions, and when they do, they expect you to be an active participant, one who comes prepared with questions.

GRADES

- Grades on tests and major papers usually provide most of the course grade.
- Watch out for your first tests. These are usually "wake-up" calls: to let you know what is expected--but they also may account for a substantial part of your course grade.
- You may graduate only if your average in classes meets the departmental standard - typically a 2.0 or 'C'.

1. Be prepared. Have your textbook, paper, pencil, and highlighter.
2. Write notes in the textbook and highlight important topics with your highlighter if the instructor refers to information in the textbook.
3. When taking notes from the instructor's lecture, write down the main points. Avoid writing every word down; rather, be concise and to the point when taking notes.
4. Listen carefully and do not be afraid to ask questions if you do not understand the material.
5. Actively participate in classroom discussions.
6. Read your assignments before the next class meets. You will then be able to ask questions about the information which you do not understand.
7. Set up a study schedule and follow it. Allow enough time for all your classes. Keep up with your assignments daily or weekly at the very least. This will help you avoid having to "cram" at the last minute.

Tips for Studying:

1. Select the best time for you to study. Develop a study plan and follow it. Refer to the Time Management information in this handbook (page 42).
2. Select a quiet place to study. Be aware of proper lighting and ventilation. Sit upright at a desk.
3. Avoid all interruptions (TV, phone, radio, conversations).
4. Be prepared. Have all materials (pencils, paper, dictionary, synonym book) available.
5. Keep a list of things you have to do with their corresponding deadlines in a calendar. Update the list when projects are accomplished.
6. Review class notes the day you write them. Rewrite your notes if they are not clearly organized and underline important information.
7. Survey the chapter you are about to read in order to get an overview of the content and where the author is headed.
8. Be strict with your study time. It takes discipline and determination to stick to your study time.
9. Reread information you do not understand until it becomes clear. If you still have problems comprehending the information, ask your instructor or see a tutor.

Tips for Preparing for a Test:

1. Find out as much information about the test as possible from the instructor:
 - A. Type of test (objective, essay, true/false, etc.).
 - B. The number of questions and how many points they are worth.
 - C. The material to be covered.
 - D. The value of the test toward the final grade.
2. Set up an exam study schedule so that you will not be overwhelmed at testing time.
3. Know your own best time to study. Most people learn best during the daylight hours.
4. Review as actively as possible. Write down information you wish to remember and highlight key concepts in your textbook. Make flash cards to assist in memorization of test material.
5. Make up an exam as if you were the instructor and then take the exam.
6. Pay attention to troublesome points. Make another list for these areas on separate flashcards.
7. Organize your thoughts for possible essay questions. Know the concept about which you are writing.
8. Avoid "cramming" for tests. This is only a temporary measure and is seldom effective.

Tips for Taking the Test:

1. Get to class early.
2. Be prepared with pen and other materials requested by the instructor (for example: blue book, scantron answer sheet, etc.).
3. Understand test instructions. Ask questions for clarification before the test begins.
4. Be aware of how much time you have to complete the test.
5. Skim the entire test first. Note the point value and the types of questions.
6. Answer the easier questions first, leaving appropriate time for the rest.
7. Look for key words on true/false questions such as always, sometimes, never, usually.
8. On multiple choice questions, eliminate the obviously incorrect answers first.
9. On matching questions, answer those items which you are sure of and check them off.
10. On essay questions, outline in your mind how to organize your answer before you begin writing.
11. If you have time at the end of the test, reread all of your answers.
12. Be confident and think positively. Do not let anxiety determine the outcome.

Types of Instruction

Semester System – Approximately 15-18 weeks of instruction.

Quarter System – It is approximately 10 weeks of instruction offered three times a year. Some colleges also offer a summer quarter.

Full-time/Part-time – Student's status based on the number of units. Often used to determine fees or progress toward meeting degree requirements. For full-time status a student must be enrolled in at least 12 units of credit for the fall/spring semesters and six units of credit for the winter/summer terms. Students who are enrolled in less than 12 units for fall/spring terms or less than six units for winter/summer are considered to be part time. Specialized programs may have a different unit requirement for full-time status because of state mandates.

Lower Division – Courses offered for freshman/sophomore level credit.

Upper Division – Courses offered for junior/senior class level credit.

Undergraduate – Courses offered for freshman through senior level credit. Also, students who have not completed a bachelor's degree.

Degrees/Programs

Accredited – A college or program that has been certified as fulfilling certain standards by a national and/or regional professional association.

Certificate – Normally awarded upon completion of a concentrated occupational program, usually at a community college.

Associate Degree – An Associate in Arts or Science or related degree, awarded by a community college upon completion of a program of study usually done in two years (full time).

Bachelor Degree – A Bachelor of Arts, Science or related degree, awarded by a university upon completion of a program of study usually done in four years (full time).

Master's Degree – A Master of Arts, Science or related degree, awarded upon completion of one or two years of study beyond the bachelor's level.

Doctorate Degree – A Ph.D., or related degree, awarded upon the completion of a prescribed program beyond the master's degree level.

Credential (Teaching) – If you want to teach in California, you must obtain either a multiple subject (for grades K-8) or a single subject (for grades 7-12) credential. This is obtained upon the completion of a bachelor's degree and prescribed professional education requirements.

Transfer Program – A community college program that provides the first two years of transferable credits (60-70 units) preparation for the bachelor degree.

Major – A specialized field of study that a student chooses to pursue which leads to a degree and preparation for a career.

Minor – A secondary field of study outside of the major field. Some degree programs require a minor.

Concentration – An option or special emphasis within a degree program. Concentrations are noted on the degree.

General Education/Breadth Requirement – Course requirements which all students are expected to meet regardless of major field. The UC, CSU and many independent colleges have articulation agreements with RCC which allow students to complete their general education here before they transfer on to the university. More information can be obtained through the Transfer Center.

Admissions/Counseling

Academic Probation – Occurs when a student’s cumulative GPA falls below a 2.0.

Admission – Complete and submit online admission application by term deadline date.

Progress Probation – Occurs when the cumulative percentage of unsuccessful units attempted at RCCD reaches or exceeds 50%.

Registration – Enrolling in classes.

Units/Credits – What a student receives when completing a college course. Units are based upon the amount of hours spent in class.

Drop/Add – At RCC, once the term has started, students are required to obtain an authorization code from the instructor in order to add a class. No code is required to drop a class. Refer to the schedule of classes for add deadlines for each class. Find add/drop refund deadlines on MyPortal/WebAdvisor at www.rcc.edu. Click on class name/deadlines.

Pass/No Pass – A system where you do not receive a letter grade for taking a course. Depending upon the student’s achievement in the class, Pass (P) or No Pass (NP) will appear on his/her transcript. Deadlines for selecting Pass/No Pass are in the class schedule.

Transcript – The compilation of the student’s grades, credits, honors, etc. received throughout his/her college career.

Certification – A verification done by the community college verifying that a student has completed the California State University General Education (CSU GE) or the Intersegmental General Education Transfer Curriculum (IGETC) requirements. Students request certification at the time transcripts are sent.

Impacted Programs – Majors at some colleges may be declared impacted because they receive more applications than program space allows. Impacted program applicants must normally apply during a specified time period and participate in a competitive selection process.

Credit-by-Examination – Credit may be granted to any student who satisfactorily passes an examination approved or conducted by the discipline or program in which a comparable course is offered. In the case of foreign languages students must complete a higher level course in order to receive credit for a lower level language course. Forms are available in Admissions & Records.

Advanced Placement (AP) – Designated high school honors courses that provide college credit for students scoring at a certain level on a final examination.

CLEP – College Level Examination Program – Students may receive college credit through CLEP exams. Contact the Counseling Center for more information.

Midterms – Tests given halfway through the semester to see how the student is progressing.

Financial Aid

Financial Aid – Money available from the federal and/or state government and various community sources. Aid possibilities include grants, loans, scholarships, and work-study programs.

Cal Grants – California financial aid program available to college bound students based on academic achievement and family financial need.

High School Articulation

Did you take a career/technical class in high school? If so, you may be eligible for articulated credit at RCC. Articulated credit allows you to earn college credit for courses you completed at your high school or regional occupational program (ROP). For a list of articulated classes go to: <https://www.rcc.edu/departments/careertech/Pages/Articulation-Resources-for-Teachers.aspx> and click on Articulation Agreements link. To apply for articulated credit, please go to: <http://explorecte.com/request>.

Career and Technical Education (CTE)

RCC offers associate in science degrees and certificate programs with career and technical emphasis. Both provide instruction in the skills and knowledge needed to enter a skilled or professional occupation. Associate in science degree programs require completion of at least 60 units of credit, which normally takes four semesters. State approved certificate programs, leading to an associate of science degree, require a minimum of 18 units, but vary in number of units required; most can be completed in two semesters. Locally approved certificates may lead to employment. Each course required for the certificate must be completed with a 'C' grade or better. All can be counted toward the degree as well as the major.

Need for Specialized Training

Many find it difficult to secure employment or to advance to increased responsibility and better-paying jobs without specialized training. General education has its value, to be sure, but in the early stages of one's career it is the specific, technical skills that an employer seeks. The certificate is the best evidence that this specialized training has been secured; some employers actually require it as a condition of employment or for reclassification for higher pay.

How to Enroll in the Career and Technical Education Programs?

Individuals ready to enroll at RCC must file an official application online using the OpenCCApply portal located at www.rcc.edu. Admission to RCC is regulated by state law as prescribed in the California Educational Code. Some Career and Technical Education programs may require an additional supplemental application. Students can go online at www.rcc.edu/cte for more information.

CTE Employment Placement

Students needing assistance in obtaining an off-campus job or internship, especially after graduation, should meet one-on-one with a CTE Employment Placement coordinator. The Employment Placement office is located in Technology A Building, Room 133, which can provide job search assistance, including referrals to employers with job vacancies. Please contact (951) 222-8486 for more information or to make an appointment.

Certificate and Degree Course Requirements

Students should plan to enroll in the specific courses listed under the certificate or degree desired. If a required course for a certificate or degree program is no longer offered, please see the department chair to ascertain an acceptable course substitute. Fifty percent of the coursework required for any certificate or degree pattern must be completed at RCC.

How to Get Further Information

Many Career and Technical Education programs are described in special publications of the College. These can often be obtained from high school counseling offices or prospective students may contact the College via email or telephone: Bonnie Langley, Educational Advisor - bonnie.langley@rcc.edu, (951) 222-8624, or in person at RCC's Career and Technical Education Engagement Center located in the Technology A Building, Room 101. Students can also get information online at www.rcc.edu/cte.

Associate in Science Degree

The associate in science degree consists of coursework totaling 60 units or more, including coursework in a specific college certificate pattern plus general education and elective courses.

State Approved Certificate (Certificate of Achievement)

The state approved certificate consists of coursework totaling 18 units or more completed in a specific occupational college certificate pattern. State approved certificates may lead to employment competency and may also lead to an associate of science degree.

Locally Approved Certificate (Certificate of Career Preparation)

The locally approved certificate consists of coursework totaling between four to 17 units completed in a specific occupational certificate pattern. Locally approved certificates may lead to employment competency, but do not necessarily lead to an associate of science degree.

Applying for Certificate or Degree

Students must file an application in the academic year in which they anticipate completing the requirements. Students will need to log into their MyPortal/WebAdvisor account online and choose Degree Application or Certificate Application from the Academic Profile Menu in order to apply for their degree/certificate. Students planning to participate in commencement must file their degree or certificate applications by April 1.

Students may apply for degrees and certificates for any term in the following four application periods:

- First day of Summer term through July 15 to graduate in Summer, Fall, Winter or Spring
- First day of Fall term through October 15 to graduate in the Fall, Winter or Spring
- First day of Winter through February 1 to graduate in Winter or Spring
- First day of Spring term through April 1 to graduate in Spring

The general education program prepares students to be able to demonstrate an understanding of how knowledge is discovered and constructed in the natural sciences, the social and behavioral sciences, the humanities, and language and rationality. Students will understand the methods of inquiry that underlie the search for knowledge in these fields. In addition, they will gain demonstrable skills in four broad interdisciplinary areas:

Critical Thinking

Students will be able to demonstrate higher-order thinking skills about issues, problems, and explanations for which multiple solutions are possible. Students will be able to explore problems and, where possible, solve them. Students will be able to develop, test and evaluate rival hypotheses. Students will be able to construct sound arguments and evaluate the arguments of others.

Information Skills

Students will be able to use technology to locate, organize and evaluate information. They will be able to locate relevant information, judge the reliability of sources, and evaluate the evidence contained in those sources as they construct arguments, make decisions and solve problems.

Communication Skills

Students will be able to communicate effectively in diverse situations. They will be able to create, express and interpret meaning in oral, visual and written forms. They will also be able to demonstrate quantitative literacy and the ability to use graphical, symbolic and numerical methods to analyze, organize and interpret data.

Self-development & Global Awareness

Students will be able to develop goals and devise strategies for personal development and well being. They will be able to demonstrate an understanding of what it means to be an ethical human being and an effective citizen in their awareness of diversity and various cultural viewpoints.

Associate Degree for TransferSM

Associate Degree for Transfer

California Community Colleges are now offering associate degrees for transfer (ADTs) to the CSUs. These may include Associate in Arts (AA-T) or Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree.

California Community College students who are awarded an ADT degree are guaranteed admission with junior standing somewhere in the CSU system and given priority admission consideration (usually through a slight GPA bump) to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to a specific major or campus.

Students who have been awarded an ADT are able to complete their remaining requirements for the 120 unit baccalaureate degree within 60 semester or 90 quarter units. Not all CSU campuses accept all of the AA-T/AS-T degrees. To view the most current list of Riverside City College Associate Degrees for Transfer and to find out which CSU campuses accept each degree you should meet with a Riverside City College counselor and also visit the websites listed below.

Transfer Counseling

It is important to understand that the ADT degree is designed specifically for transfer and is different than other types of associate degrees offered at Riverside City College. If we do not offer an ADT degree for your major, you can still transfer to a CSU. Students are encouraged to meet with a counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs. Planning early is essential to make sure you meet the transfer requirements.

Attendance

It is the responsibility of all students to attend classes regularly. When students have been absent due to illness, they should report to their instructor to explain the absence as soon as possible. Your instructors reserve the right to administratively withdraw students who do not regularly attend or who miss the first day of class. However, it is ultimately the student's responsibility to officially withdraw from a class if they do not plan to complete a course.

Withdrawals

A 'W' on your transcript does not compute into your GPA, but excessive withdrawals will result in progress probation and may affect a student's eligibility for financial aid. Please refer to MyPortal/WebAdvisor www.rcc.edu for withdrawal deadlines.

Incomplete

Students are not to re-enroll for a course in which a grade of 'I' has been recorded. Incomplete academic work for unforeseeable, emergency and justifiable reasons at the end of the term may result in an 'I' symbol being entered on the student's record. The condition for removal of the 'I' shall be stated by the instructor on the Incomplete Contract. Students receiving an Incomplete ('I') may print out the Incomplete Contract on MyPortal/WebAdvisor at www.rcc.edu. Students have up to one year to complete an incomplete or the grade will become an 'F' or whatever grade the instructor puts on the Incomplete Contract form.

Good Standing

Students are considered to be in good standing when they achieve a cumulative grade point average of 2.0 or higher and earn grades of 'A', 'B', or 'C' in 50% or more in all coursework attempted.

Probation

Students who have attempted 12 semester units or more will be placed on *academic* probation if their grade point average is below 2.0. Students will be placed on *progress* probation if they have attempted 12 or more semester units and have an excessive number of 'W', 'I', 'NP', 'F', or 'FW' grades. "Excessive" is defined as 50% or more. Students placed on probation will be notified through their RCC email account. All first-time probation students must complete an online probation workshop offered by the Counseling Center. Students on probation may enroll for a maximum of 13 units in the spring and fall semesters and seven units in the summer and winter terms.

Dismissal

Students who maintain less than a 2.0 GPA for two consecutive semesters are subject to *academic* dismissal. Students shall also be subject to *progress* dismissal if the number of 'W', 'I', 'NP', 'F', or 'FW' entries reaches or exceeds 50% for two semesters in a row.

Waiver of Dismissal

Students may re-enter the semester following dismissal after successful petition to Counseling at the student's home college. All re-admit students must go through the on-line dismissal workshop, and meet with a counselor to complete a Readmit Contract in order to register for classes. However, re-admit student's academic status remains "dismissal" until their cumulative GPA is 2.0 or higher and the percentage of 'W', 'I', 'NP', 'F', or 'FW' entries is less than 50%.

GPA

GPA stands for grade point average. Letter grades are given the following number values:

A - 4 B - 3 C - 2 D - 1 F - 0 FW - 0

Each class has a specific unit value. Multiplying the letter grade value by the unit value equals the grade points. To figure your GPA, divide the total number of grade points by the total number of units attempted.

<i>Units Attempted</i>	<i>Grade</i>	<i>Point Value</i>
3 units	A	12
3 units	B	9
3 units	C	6
3 units	D	3
3 units	F	0
15	GPA = 2.0	30

GRADING:

Accomplishment in coursework is indicated by the following symbols:

<i>Symbol</i>	<i>Definition</i>	<i>Grade Point</i>
A	Excellent	4
B	Good	3
C	Satisfactory.....	2
D	Passing, less than satisfactory.....	1
F	Failing	0
FW	Fail - did not withdraw	0
P	Pass (at least satisfactory, the equivalent of a 'C' or better. Not computed in GPA.)	0
NP	No Pass (less than satisfactory or failing. Not computed in GPA.)	0
I	Incomplete	0
MW	Military Withdrawal	0
EW	Excused Withdrawal	0

Guided Pathways Framework

The Guided Pathways framework is a highly structured approach to student success that: 1) provides all students with a set of clear course-taking patterns that promotes better enrollment decisions and prepares students for future success; and 2) integrates support services in ways that make it easier for students to get the help they need during every step of their community college experience. Guided Pathways is designed to provide students with the most direct route to degree completion, greatly increasing a student's chance of graduating or transferring in two years, and to connect college to careers.

Instructional Pathways

Instructional Pathways were developed by RCC faculty and counselors to group programs of study into related career areas of interest. At the point of college application, students will choose an Instructional Pathway based upon career interest, major, skills, knowledge and goals. RCC programs of study have been restructured into eight Instructional Pathways.

Integrated academic support for Instructional Pathways is provided within the Engagement Centers.

Trailheads

Trailheads are designed to help students navigate through their first 15 units at RCC within their chosen Instructional Pathway. The Trailhead courses will allow students to explore their major and career choices within their anticipated program of study while remaining on path for timely completion.

Students who have identified a specific program of study should use a Program Map to guide their course taking sequence.

STUDENT HIGHLIGHT

John Husser

Pathway: Social and Behavioral Sciences

Programs: DRC, EOPS, TRIO, and Umoja

How has being involved on campus helped you at Riverside City College?

My involvement with RCC as a returning student has provided me opportunities to act on my passion for local and national criminal justice reform efforts and social justice advocacy outreach work. [As a formerly incarcerated person, I felt my background presented an insurmountable barrier to higher education.] The commitment RCC has to provide a path to higher education for everyone has fostered the existence of student clubs like Transitioning Minds, whose mission is to reach out to formerly incarcerated and system impacted persons and encourage them to develop their fullest potential by pursuing higher education. I also participate in RCC's Pathway to Law program and collaborate with that program's Law Society student club.

Long-term Goal: My long term goal is to become a criminal defense attorney. I hope to eventually work developing legislative policy in the criminal justice arena. Ultimately, I want to work for the wider adoption of a more holistic approach for reducing criminality. I believe national, state, and local municipalities should invest more resources toward providing more equitable access to quality education and economic opportunities for our country's chronically disadvantaged communities and populations.

Program Maps

Riverside City College faculty and counselors have collaborated to create program maps that describe an ideal course-taking pattern and co-curricular milestones for timely degree and certificate completion. Current program maps can be found on the College website. Students are encouraged to meet with a Riverside City College counselor to review their options for transfer and to develop an individualized educational plan that best meets their goals and needs.

Honors Program

The Honors Program offers an enriched academic experience for motivated students aiming to transfer to a four-year institution. Honors classes are limited to 20 students and taught seminar style. Students read challenging texts, write original arguments, participate actively in class, and often present their research at statewide conferences. The classrooms are active and dynamic, and faculty offer one-on-one mentoring. Honors students also become part of a close-knit community, going on field trips, taking many of the same classes, and often transferring together to the school of their choice.

To be eligible for the program, current RCCD students need:

- 3.2 GPA in nine transferable units OR faculty/counselor recommendation
- Completed Honors Program application
- Students will need to complete an Honors Program orientation before or during their first semester in the program.

To be eligible for the Program, incoming high school students and all other first-time college students need:

- 3.2 GPA OR faculty/counselor recommendation
- Completed RCCD application
- Completed Honors Program application
- Students will need to complete an Honors Program orientation before or during their first semester in the program.

Benefits:

- Transfer agreements, including the UCLA TAP agreement
- Smaller classes: Honors classes have a maximum of 20 students and are taught seminar style, emphasizing active student participation
- Help in the transfer process: workshops, one-on-one mentoring, help from Honors coordinators and faculty in preparing applications for university admissions and scholarships
- Field trips: cultural activities, college visits, and other enrichment activities
- Leadership opportunities: students may serve as a class advocate, a student representative on the Honors Advisory Council, an elected officer in the Honors Community Club, or as a volunteer in outreach activities
- Honors Study Center in QD 207: place for gathering; allows for informal study groups, personalized interaction with Honors professors, access to transfer advice and research materials, and a general sense of belonging to a cohort of similarly-interested students
- Conference presentations, scholarships, and essay contests.

STUDENT HIGHLIGHT

Rosana Gomez

Pathway: Languages and Humanities

Programs: TRIO, EOPS/CARE, DRC, and Transitioning Minds Club.

How has being involved on campus helped you at Riverside City College?

Being involved on campus has opened many doors for me and has given me many opportunities that otherwise I might not have been aware of if it weren't for my involvement with the different programs and resources offered at RCC. It has also broadened my network circle with faculty, staff, and administration on campus. I am going on my third year at RCC, and I am actively involved in leadership for a year and a half now. I became involved with the club (Transitioning Minds), which focuses on helping students that are formerly incarcerated and system impacted to reach their goals in higher education. As the president of the club, I not only lead the club, but I also reach out to the community to collect resources to help the students to be successful while attending college. My goal is to promote higher education because higher education is the most effective way to reduce recidivism.

Long-term Goal: My long-term goal is to utilize my business/communication skills to one day run my non-profit organization. I plan to use my experience that I have gained with Transitioning Minds to open a non-profit organization that encourages and helps minority groups find their path to higher education.

College	FAFSA School Code	Dream School Code
Riverside City College	#001270	#00127000
Moreno Valley College	#041735	#04173500
Norco College	#041761	#04176100

The FAFSA/Dream application is available for 2020-2021. The 2021-22 application will be available October 1, 2020. Complete the 2020-2021 application by March 2, 2021 to meet the California state grant application deadline.

When completing the FAFSA application, the FSA ID is used to electronically sign the online FAFSA. Dependent students will have a parent apply for their own FSA ID number. Parents will need to sign the FAFSA until the student is 24 years of age or no longer considered a dependent student. Dream applicants can apply for a PIN number to sign the application through the Dream Application website.

Once the application is completed the results will be sent to RCC. Students must have an RCC Admissions application on file in order for the application to be received. All students are issued a RCCD email account. Directions to activate and access the email account are online at www.rcc.edu, under the Admissions & Records webpage. An email is sent to the student email account outlining financial aid steps. Required actions must be completed online at <https://rcc.verifymyfafsa.com>. Use your MyPortal log in to access your financial aid actions. All actions are submitted online through this portal.

Dependent students who cannot provide parents' information on the application must first complete the application and submit it online, then after completing the application, visit the SFS office regarding a Petition for Independent Status (Dependency Override).

Financial aid disbursements are issued from a third party agent. All students who complete their financial aid file with RCC will receive information from the disbursing company on the disbursement options available. Students may choose direct deposit into their personal account, a debit card or paper check. All students eligible for financial aid must make a choice in order to avoid delay.

The FAFSA will determine eligibility for federal and state waivers, grants and loans. The Dream application will determine eligibility for the California College Promise Grant, formerly the Board of Governors Fee Waiver.

- **The California College Promise Grant (CCPG), formerly the Board of Governors Fee Waiver (BOGW)**, is a state program which waives enrollment fees for qualifying CA resident students and eligible AB 540 non-resident waiver students. If eligible, the CCPG will waive enrollment fees. During the fall and spring semesters, the parking fee will be reduced to \$30 per semester. The CCPG does not pay for books or other educational supplies, the student services, health or transportation fees or additional class fees (such as art and CPR fees as listed in the schedule of classes). California residents complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov and list school code #001270, and you will be automatically awarded the CCPG if eligible. AB 540 students complete the California Dream Application online at <https://dream.csac.ca.gov>, list school code #00127000 and you will be automatically awarded the CCPG if eligible. An email is sent to the RCCD student email account when the CCPG eligibility is available on MyPortal/

WebAdvisor under the financial aid award letter. No separate application is required.

Students on academic dismissal will not be eligible for the CCPG. Loss of CCPG appeals are available in the Admissions & Records and Student Financial Services offices.

- Non-resident students may be eligible to apply for a non-resident tuition deferment if eligible for financial aid. This deferment is to assist students in securing enrollment while waiting for student grants and/or student loans to credit their Admissions & Records account balance. Non-Resident Tuition Deferment Forms must be submitted each semester and/or 30 days within disbursement of Stafford Direct Loan funds. For more information, view the "information for non-resident" chapter in our consumer guide online at www.rcc.edu/services/studentfinancialservices.
- **Federal Pell Grant** (up to \$6,095 for the academic year, subject to change) is awarded to eligible undergraduate students to assist in paying for educational expenses and is awarded based on financial need. Unlike loans, Pell Grants do not have to be repaid (unless students withdraw from courses and owe a refund or do not successfully pass courses). The information provided on the Free Application for Federal Student Aid (FAFSA) is used to produce an Expected Family Contribution (EFC). This EFC number will determine eligibility for the Pell Grant and for how much. The number of units enrolled in and college satisfactory Academic Progress also determine eligibility. Students enrolled less than half time (less than 6 units) may qualify for a Pell Grant. Once all application procedures are completed with the SFS office, Pell Grant eligibility will be determined. The award letter on My Portal/Web Advisor will list how much financial aid has been awarded, including the Pell Grant. All award letters are based on full-time enrollment and disbursements are adjusted based on units. Students may not receive Pell Grant funds from more than one school for the same period of enrollment. Students have a "Lifetime Eligibility Usage" (LEU) limit on receiving the Pell Grant. Students are eligible to receive the Pell Grant for 12 full-time semesters. Each full-time semester counts at 50%, with a lifetime limit of 600%. For more information on your individual LEU percentage, log into your financial aid history at www.nsls.ed.gov.
- **Federal Supplemental Educational Opportunity Grant (FSEOG)** (up to \$1,000 for the academic year at RCC and is subject to change) is awarded first to students with exceptional financial need and have the lowest expected family contribution (EFC) granted on the FAFSA. Like the Pell Grant, FSEOG is a cash award that does not require repayment as long as students remain in courses and complete them successfully. Due to limited funding, priority is given to students who apply for the FAFSA by priority deadlines and qualify for the maximum Pell Grant award. This grant is limited and is awarded until funds are exhausted.
- **Cal Grants** (up to \$1,670 per academic year) are awarded by the California Student Aid Commission (CSAC) to California residents or eligible AB 540 Dream applicants who graduated from a California high school and will be attending a qualifying institution at least half time (6 or more units). The deadline to apply for these grants is March 2 of every year. For students attending California Community Colleges, there is an additional

deadline of September 2. To apply for the Cal Grant awards, complete the FAFSA or Dream application and have a GPA verified by the above deadlines. The student's financial aid file must be completed, an eligible academic program (major) on file with the Admissions & Records office, and Satisfactory Academic Progress (SAP) standard must be met to qualify.

Disbursement is contingent upon eligibility and funding. Cal Grant eligibility can be found online at <https://webgrants.csac.ca.gov>.

- **CHAFEE Grant Program** provides grants of up to \$5,000 to eligible foster youth. An Independent Living Coordinator with the Department of Public Social Services determines whether or not a student is an eligible foster youth. Students must be enrolled in college or vocational school at least half time (6 units) during the fall and/or spring semester and must meet Satisfactory Academic Progress (SAP) before the CHAFEE grant can be disbursed. The FAFSA application is required for RCC to verify eligibility for this grant.

Disbursement is contingent upon eligibility and funding. An application for this grant can be completed at www.chafee.csac.ca.gov. This grant will be renewed automatically by CSAC as long as the student meets specific criteria. Each CHAFEE grant disbursement is released by CSAC during the fall and/or spring semester at which time the SFS office reviews the student's eligibility prior to the disbursement being released to the student. All disbursement(s) for CHAFEE grants must be picked up in person with a valid picture ID at your home college (this is subject to change).

- **Federal Work Study** (earn up to \$4,000 per academic year). The FWS program offers students the opportunity to earn additional funding through part-time employment. It also allows students to gain work experience and pay for a portion of their educational expenses. All positions require that students maintain half-time enrollment (3 units for summer and winter, 6 units for fall and spring) and a minimum 2.0 CGPA (exceptions may be made on a case-by-case basis). To apply for Federal Work Study, students must complete the FAFSA application online at www.fafsa.gov and list the RCC school code #001270. To apply for a FWS position, students must have a completed financial aid file. To view available jobs or for more information on FWS, please view the Student Financial Services website at www.rcc.edu/services/studentfinancialservices for the link to student employment job listings. Students not qualifying for financial aid may apply for Institutional district work study found at the same link.
- **Federal Direct Loan Program** - Riverside City College (RCC) participates in the Federal Direct Loan Program. At RCC it is our plan to help our students reach their educational goal with the least amount of student loan debt as possible. **RCC does not recommend borrowing more than \$10,000 at the community college level (this amount includes all loans from any other institutions attended).** Students can view a complete loan history at National Student Loan Data System <https://www.nslds.ed.gov>. A Department of Education FAFSA FSA ID number is required to access this website.

- Students must meet the SFS Satisfactory Academic Progress (SAP) standard and must be enrolled at least half time (6 units) in courses listed on their Student Educational Plan. Students must have a completed financial aid file at RCC and be notified of their eligibility for any grant aid, Federal Work Study or scholarships before applying for a loan. Students may pick up a loan packet and submit your "Direct Loan Request Form" to the RCC Student Financial Services office.
- Students must also have a current Student Educational Plan (SEP) on file with RCC which corresponds with the student's academic program declared in Admissions & Records as well as the courses that they are currently enrolled in.
- Students will receive notification by email within two weeks after the deadline date they submitted the "Direct Loan Request Form" regarding the status of their loan request. Prior to disbursement, your eligibility to receive your Direct Loan will be reviewed (enrollment status and Satisfactory Academic Progress). Disbursement dates can be located in your Loan Information Guide received at the time of application.
- Please refer to our consumer guide online at www.rcc.edu/services/studentfinancialservices for a full list of requirements for applying for a student loan at RCC.
- Students should learn and consider carefully their responsibility in securing a federal student loan. RCC also reserves the right to deny loans to students on a case-by-case basis. Students will be notified by mail if their loan request has been denied.

Scholarships

Riverside Community College District offers scholarships through its Foundation office and generous donors. These scholarships are based on a variety of majors, career goals, GPA, community service, and club involvement:

- **RCCD Scholarships** for continuing and transferring students are available every fall semester with a deadline in early January. Information and instructions on how to apply is available on our website early in the fall semester at www.rcc.edu/services/studentfinancialservices. Scholarship information workshops are held at RCC prior to the scholarship deadline to assist students in the scholarship application process and are also available on our website.

Applicants chosen for RCCD scholarships are notified by May of each year. The scholarship funds for students continuing at RCC are disbursed during the following fall and spring semesters, upon verification of eligibility, based on the disbursement method selected. The scholarship funds for students transferring to a university are disbursed to the transfer institution during the next fall semester. Transfer students must return the Transfer Notification form with the transfer institution information.

- **RCCD Scholarships for High School Seniors** are available beginning in January of each year with a deadline in early March. These scholarships are awarded to high school seniors who will be attending RCC during the academic year after they graduate from high school. Information is available at www.rcc.edu/

[services/studentfinancialservices](#) in January and February of each year and also at each high school within the RCC District.

- **The Community Scholars** scholarship is a partnership between RCCD and California Baptist University, La Sierra University, and the University of Redlands. This is a \$7,000 scholarship offered to Riverside County high school seniors who will attend any college within the RCC District for two years and transfer to one of the universities mentioned above for two years. The application is available at each high school within the RCCD high school zone and also at [www.rcc.edu/services/studentfinancialservices](#) in January and February of each year. Scholarships are also available from sources outside of RCC. There are many resources and opportunities for students to find scholarships to use while attending RCC. However, it requires time and effort on the part of the student to locate and apply for outside scholarships.
- A list of scholarships RCC has been notified of is available online at [www.rcc.edu/services/studentfinancialservices](#) or in the SFS office.
- You may also find additional scholarship resources in the reference section of any library or on the Internet at free scholarship search sites such as [www.fastweb.com](#), and [www.scholarshipexperts.com](#), [www.scholarships.com](#).
- If you are awarded a scholarship from a source outside of RCC, you may use your scholarship to pay for your educational expenses based on your donor's instructions. Follow the donor's directions on how to have your scholarship funds sent to RCC. When outside scholarship funds are received at RCC, the student will receive their scholarship funds based on the disbursement method and based on our posted disbursement schedule.

Veterans Services

Veterans who are seeking to use Veterans Affairs (VA) Educational Benefits should apply online to the VA at www.gibill.va.gov. Allow three to six weeks for processing. Once processed, the VA will send applicants two copies of their Certificate of Eligibility. One copy must be given to the RCC Veterans Services office. Questions regarding payment, Certificate of Eligibility or benefit call 1-888-GIBILL-1.

Veterans must activate their student email account, and check email daily to receive important Veterans' and College information. Veterans may also be eligible for financial aid and are encouraged to submit the FAFSA (Free Application for Federal Student Aid) online at www.fafsa.ed.gov.

Before a VA Student Educational Plan (SEP) can be developed, transcripts must be received by RCC in order to have prior credits evaluated. Transcripts from other educational institutions should be mailed to: RCC, Admissions & Records, Incoming Transcripts, 4800 Magnolia Avenue, Riverside, CA 92506-1299.

Veterans Resource Center can be reached at (951) 222-8607 or by email at: veterans@rcc.edu. Our website is: www.rcc.edu/services/veterans/Pages/Veteran-Services.aspx.

Military Credit

Two physical education units are awarded upon presentation of a DD214, NOBE or ID card for active military. Military tech schools are evaluated based on the recommendations of the ACE Guide. No credit is granted for MOSs, correspondence courses, internships or military-specific courses. A maximum of 15 units may be awarded (two of which may be PE credit). CCAF, SMARTS, AARTS transcripts, DD214, and Certificates of Completion are used to evaluate military credit.

Order your official military transcript which can be sent electronically or if mailed, must be sealed and printed less than 90 days prior to submission.

No more than 30 units may be granted for CLEP, military training, AP or credit by exam. Any military credit granted is usable toward your AA/AS degree from a college within RCCD only, and is not posted to your RCC transcript. Contact our Veterans Resource Center for more information at (951) 222-8607.

Transcripts must be official, sealed, and printed less than 90 days ago. After transcripts are received, Veterans are to call Veterans Services and request to have their VA Student Educational Plan prepared for a VA approved program. When the VA SEP is completed, a phone call or an email will be sent to your RCC email account to make an appointment to pick up your Ed Plan. After receiving the VA SEP, Veterans can register for approved courses. Check the VA website at www.gibill.va.gov for the listing of VA approved programs at RCC.

After registering for classes, Veterans must turn in the Veterans Statement of Responsibility (SOR) to the Veterans Resource Center at RCC. This SOR is required in order for an enrollment certification to be submitted to the VA and to prevent the Veteran from being dropped for nonpayment. This process may take up to three weeks. This form must be submitted to RCC Veterans Services every term to request benefits.

Veterans are eligible for priority registration for four years, within 15 years after being discharged from active duty. In order to be eligible, Veterans must take a copy of their Member 4 DD214 discharge paper to the Veterans Resource Center at RCC. Active duty members qualify for two years of priority registration by presenting their Military ID card. Priority dates are posted on the website at www.rcc.edu/riverside. Click on: Going to College and then on Veterans Assistance.

Veterans Services is available in the Veterans Resource Center (VRC) in the Dr. Charles A. Kane Student Services and Administration Building, Room 104 (first floor). STUDENT HIGHLIGHT

Natalie Uribe

Pathway: Languages, Humanities and Social Sciences

Program: Guardian Scholars

How has being involved on campus helped you at Riverside City College?

Being involved at RCC has not only helped me be more motivated and focused on my education, but has provided me with a lot of personal growth as well. The Guardian Scholars program has been my home away from home on the RCC campus and has made me build a lot of meaningful connections while providing me with the tools I need to be successful in college. The program has also given me an amazing job opportunity as a peer mentor which has helped me develop a lot of skills that I will take with me in my future career. When I first started college, I was closed off and shy, but being involved at RCC has helped me be more open, confident, and ready for the future.

Long-term Goal: My long term goal is to be a Spanish teacher or translator. Throughout my education, my teachers and professors have always made a great impact in my life and I want to have that same impact on others. Where there is diversity there is always room to becoming bilingual, and although Spanish is not my first language it has helped me feel more connected to my culture and helped me be more open-minded to other cultures as well. I would like to help others build that connection as well. I have realized that my overall passion is to help others, therefore no matter what career I choose, my focus is to help others.

Office of Student Life

The Office of Student Life is comprised of several student support programs, including Athletics, Student Activities, Health & Psychological Services, La Casa, and Umoja, as well as the Tiger Pantry. The department supports all aspects of student engagement and success at the College. The department also hosts a variety of equity and diversity programs and events. Tiger Pantry provides food to students in need and is open five days a week and is located on the second floor of the Bradshaw Building. For more information, please contact the dean of Student Life at (951) 328-3612 or (951) 222-8538.

The Office of Student Life and Activities is the hub of campus life. Under the leadership of the dean of Student Life and coordinators of Student Activities, we provide "outside the classroom" learning in civic, cultural, and leadership engagement. Through our office, you can join a club, organization, and/or student government, as well as learn about events and programs happening on campus. We also host annual events like Homecoming, Halloween Town, and our Spring Egg Hunt.

The Associated Students of Riverside City College, also known as ASRCC, is the official student government of RCC. ASRCC is one of the most active student governments in the California Community College system. All RCC students are eligible to participate and enjoy the benefits of membership of ASRCC if they are enrolled in classes and pay their student services fee. Benefits of participation include access to services, discounts to local vendors and California attractions, entrance into events and athletics, free food, participation in clubs and organizations, and leadership and decision-making opportunities.

The ASRCC is also responsible for representing the social, political, and educational concerns of RCC students. Their purpose is to develop student leaders and provide them with the skills to expand their learning. Involvement in the ASRCC student government includes the Executive Cabinet, Senate, and Supreme Court. Students who are involved develop interpersonal communication, budget, event planning, and legislative skills.

The ASRCC Executive Cabinet consists of the president, vice president, and council directors who coordinate the advocacy and programmatic aspects of student government. The Executive Cabinet is responsible for coordinating activities and events on campus that not only entertain students but educate them as well. The Campus Activities Council, Special Events Council, Multicultural Activities Council, Public Relations Council and Inter-Club Council provide over 100 programs a year for RCC students to participate in including: attending athletic games, lectures, concerts, food giveaways, heritage celebrations, cultural events, trips, conferences, college visits, and more!

Student clubs and organizations are the foundation of student involvement and programming for RCC students. The Inter-Club Council (ICC) is responsible for coordinating the many activities of the clubs on campus. Clubs and organizations host over 100 programs and events a year to engage students. RCC offers opportunities for students to get involved in over 70 clubs and organizations representing academic, career, and special interests. Clubs are organized by students with a faculty advisor, while organizations are sponsored by faculty with a course component. For a detailed list of current clubs, visit our website at rcc.edu/asrcc.

The ASRCC Senate oversees the legislative component of student government. Senators are elected to serve and represent their fellow students and represent the interests of the students. ASRCC Senate writes resolutions, advocates at the state level, attends shared governance with faculty, staff, and administration, and hosts open forums for student input. The ASRCC Senate is looking for dedicated students who have a passion for making RCC a better place for current and future students.

In addition, ASRCC is part of the three college district (RCCD) and includes Associated Students at Moreno Valley (ASMVC) and Norco (ASNC). The student trustee is an elected student who is the official student representative to the RCCD Board of Trustees. The student trustee is elected by all three colleges and works to serve the students of RCCD.

The easiest way to get involved is to sign up! Stop by Bradshaw 207 during business hours, Monday through Friday, to learn about campus events, ASRCC, clubs, and organizations. We are here to answer any questions about your involvement and even help you start your own club. We also have information about student life and resources you might need in the community. You can also check out the website at rcc.edu/asrcc.

When you're involved on campus and in the community, you can earn service hours. The more hours you earn, the more recognition you receive. Students who accumulate 100 or more service hours a year are invited to a recognition banquet and receive service awards. Plus, the banquet is FREE for you as the student! You qualify for these service awards by recording your service hours in rivasrcc.org and getting the approval of your faculty advisor, Student Activities coordinator, or outside community sponsor. Students have organized blood drives, tutored, assisted the homeless and elderly, worked with research, and more!

There are numerous opportunities to impact your experience here at RCC, but it's up to you to take advantage of all these great things! For more information, you can visit our office in Bradshaw, call (951) 222 - 8570, or visit our website at www.rcc.edu/asrcc. Make the best of your two years and get involved!

Fuel your school! The ASRCC Resource Center provides students FREE snacks, school supplies, scantrons, toiletries, and more. Students can access to the Resource Center daily, just stop by our location in Bradshaw 204 and swipe your student ID. The Resource Center is run by student volunteers, so hours vary each semester. If you are interested in volunteering at the Center, contact Student Activities.

RCC College ID Card

The RCC College Card is your official identification around the College. It allows students access to the library and labs at any college in the Riverside Community College District. As long as your Student Services fee has been paid, it provides entry to numerous student activities, including athletic and performing arts events. Students also receive discounts at many of the local eateries, movie theatres and attractions throughout California. Thanks to partnerships with Wells Fargo and the Riverside Transit Agency (RTA), the RCC College Card also provides exciting benefits specifically for Riverside City College students.

Students can obtain their RCC College Card if they have met all of the following requirements:

- Your home college is Riverside City College.
- You are able to provide a valid photo ID, such as a high school ID, driver's license or passport.

Reading the Class Schedule

After you have given some thought to the number and types of classes you would like to take, you are ready to organize your first semester of classes using the class schedule which is published for fall, winter, spring, and summer. It is important to note that classes may vary in length. Some courses are offered off campus, and evening courses are designated by bold print. If you enroll in a day class, you must enroll in a day lab (when one is required.)

How to Schedule Your First Year

With orientation behind you, you're probably ready to sit back and relax for a while before starting college, but don't get too comfortable. Before you know it, you'll find yourself on campus, thrown into a whirlwind of decisions. Choosing your courses will be among the first.

Picking classes in high school may not have been a big deal, but college is different. Some schools offer literally thousands of classes. Deciding what to take can make even the most experienced student dizzy. The following tips and strategies will make it easier to select your courses.

Tip 1: Review the College Catalog

View the College Catalog at www.rcc.edu. Look through it thoroughly. You'll find certificates, associate degrees, and transfer program requirements. Review the course descriptions so you have a better idea of the course content.

Mark the classes that interest you. If you have an idea of what you want to major in, consider taking some of the general requirements in your major. If you're like most freshmen and have no idea what you want to major in yet, think about taking classes in areas that spark your interest. Have you always wanted to learn about space? Try an astronomy class. Do fossils intrigue you? Sign up for anthropology.

Tip 2: Search on MyPortal/WebAdvisor

Go to www.rcc.edu. Click on MyPortal/WebAdvisor, then view open classes by campus. You will find class names, titles, location, meeting information, units, faculty, and available capacity. If you click on class names/deadlines, you can find detailed information about the class, including any prerequisite requirements.

Tip 3: Find a Balance of Hard and Easy Courses

You may be eager to jump into difficult classes your first year, but beware of taking too many. You may not realize how challenging college courses can be, and how much reading and other work they require. And don't forget that this will be your first semester on campus -- you're in for lots of changes. Too many hard courses can put a real strain on you and it will show in your grades.

Tip 4: Find a Balance of Subject Areas

You should also take subjects that require different kinds of work. For example, some classes, like literature and history, require a lot of reading, while others, like journalism, require lots of writing. And courses like math and science will have you solving problem sets. Choose a variety of subjects so you're not stuck writing five research papers or having to read five books in one week.

Tip 5: Take Advantage of Counseling Services

Take the opportunity in the group orientation to ask questions. Make it a priority to set up an appointment to see a counselor and come with questions.

Tip 6: Use AP Credits, Placement Exams, and More

Before you register, find out if you've already fulfilled any of your requirements. If you score high on AP exams, for example, you may not have to take certain classes, such as a lab science. Acing a placement exam could free you from taking the required language course. Submit your official AP exams results to Admissions & Records.

Tip 7: Take a Writing Course

It is in your best interest to take a writing class during your first semester, even if you're not required to do so. You can apply the writing skills you develop in this course to all your other courses throughout college and in whatever career you choose.

Tip 8: Make a Plan for Registration Day

Registering for classes can be a nailbiting experience. You can be sure that some of the classes you want will be full, or that you'll have to choose between two classes that are held at the same time. So, after you come up with your dream schedule, make a list of alternative classes. Your preparations will make registration day easier, and help you start your first year off right.

If you take:	Number of Years to Reach Your Goal:		
	Program Certificate (30 Units)	Associate Degree (60 Units)	Bachelor Degree (120 Units)
One Class per Semester (3 Units)	5 Years	10 Years	20 Years
Two Classes per Semester (6 Units)	2-1/2 Years	5 Years	10 Years
Three Classes per Semester (9 Units)	1-1/2 Years + 3 Units	3 Years + 6 Units	6-1/2 Years + 3 Units
Four Classes per Semester (12 Units: Minimum full-time load)	1 Year + 6 Units	2-1/2 Years	5 Years
Five Classes per Semester (15 Units: Average full-time load)	1 Year	2 Years	4 Years

Note: You can shorten these timeframes by taking summer or winter session courses.

One important aspect of a successful college career is managing your time well. Making the right choices about how to spend your time is one of the most important things you will do. The following pages will assist you with planning your time schedule for college.

Unlike the formal structure of a high school schedule, a college schedule can be very unstructured. You are in charge of your own schedule. Many sections of the same class are offered at various times of the day. It is up to you to select the time which best meets your needs. It is possible to arrange your schedule so that you may attend classes on certain days of the week. In other words, it is not mandatory for you to attend classes Monday through Friday.

It is important to consider all aspects of your life when planning your class schedule. Work, family commitments, recreational activities, and other areas must be included in your daily schedule. In fact, you are encouraged to take into consideration all aspects of your life when planning your class schedule.

Planning time for study is one of the most important ingredients of academic success. Most college classes require far more study time than high school classes. A general rule of thumb to follow when trying to set up a time schedule for studying is to plan on two hours of study per week for each unit of class you are enrolled in. For example, a three-unit class may require up to six hours of study per week (based on a 16-week semester).

To ease some of the confusion you might be experiencing, we have designed a sample schedule for you. It includes class time, study time, work time, and leisure time. Note that the sample student is taking 13 units and has arranged 24 hours of study time. Also, note the student is working 20 hours per week. Please refer to the following recommended guidelines to determine your workload.

If you work	Take no more than
40 hours per week	6 units
30 hours per week	9 units
20 hours per week	12 units
5-15 hours per week	14-16 units

There is a blank time management schedule for you in the following pages. Please use it and revise it once the semester begins if it is not meeting your scheduling needs. Again, for each unit that you take, there will be two to three hours of outside study per week. You must, therefore, manage your class and study time carefully, keeping in

mind your employment and other responsibilities. Because effective time management plays a key role in your success at RCC, please see a counselor if you are having difficulty with your planning. Remember, your success in college is important to us, and we are here to assist you.

Tips that Lead to Success

- Get involved - join a club/activity
- Find a study partner or study group
- Attend all classes
- See a counselor
- Use campus and community resources
- Talk to your professors
- Know about office hours
- Set realistic goals
- Take into consideration personal/family responsibilities

STUDENT HIGHLIGHT

Alejandro Medina Enciso

Pathway: STEM

Program: La Casa

How has being involved on campus helped you at Riverside City College?

Being involved in campus life has helped me open up and grow into the person I am today. Naturally a shy person, I struggle with talking to people, so when I first started attending RCC I didn't know anyone and was alone half the time. By getting involved in programs like La Casa and attending ASRCC events, I've had the chance to meet a lot of new people, including people that I can say will be lifelong friends. Getting involved has also put me in situations that I would have never imagined, that tested my courage and that developed my leadership skills. I grew more confident in myself and my abilities, along with slowly but surely, overcoming my shyness.

Long-term Goal: I plan on continuing my studies to obtain my Ph.D. in Microbiology. I want to go into research to help further our understanding of viruses and bacteria as well as other pathogenic microbes. I hope to develop new methods of researching the microbes and eventually create new ways to combat them, especially those that have little to no survival rate. Through research, I want to be able to save lives.

STUDENT HIGHLIGHT

Camille Bruce

Pathway: Languages and Humanities

Programs: Umoja, Promise Program, and Honors Program

How has being involved on campus helped you at Riverside City College?

Umoja program has helped me with my academic journey by providing tutoring sessions, counseling, the ability to borrow books, etc. The program gives me a nice, relaxing space to get work done and always has someone available for me to ask questions.

I have three favorite instructors on campus. My English instructor Professor Star Taylor, my History instructor Professor Justice Hamilton, and my Dance instructor Professor Erika Goe all make their classes enjoyable. They do not strain from sharing personal experiences about themselves to connect with the class, and always make sure their students are highly motivated.

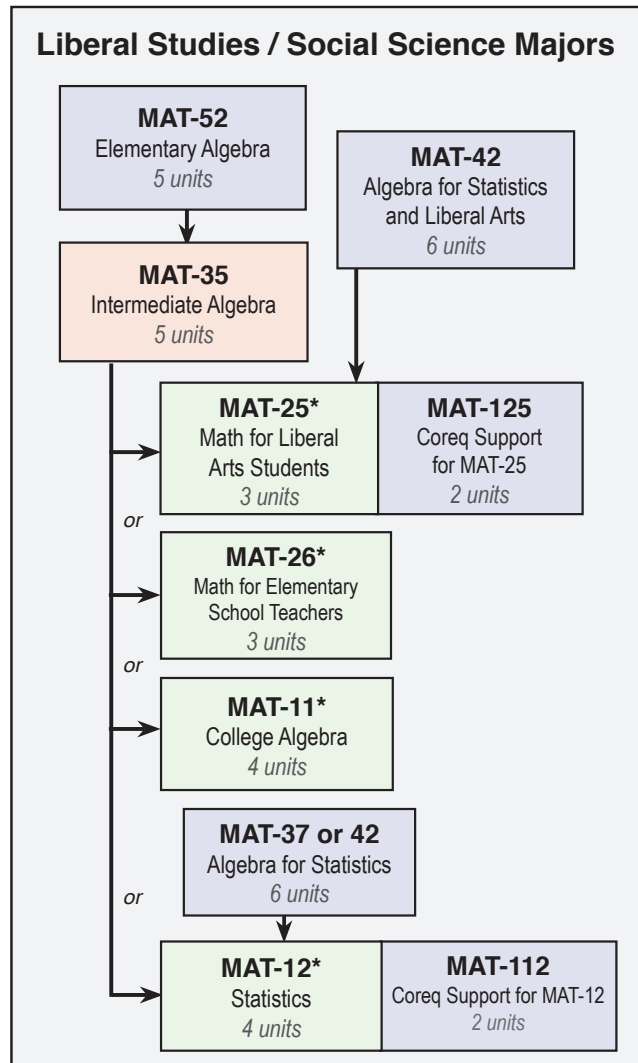

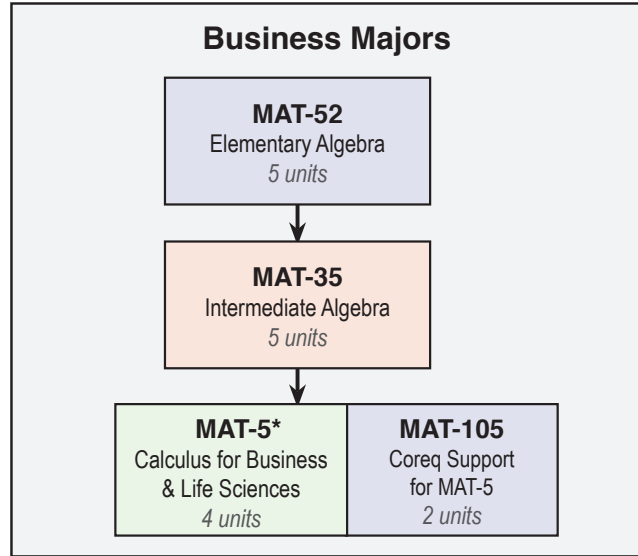

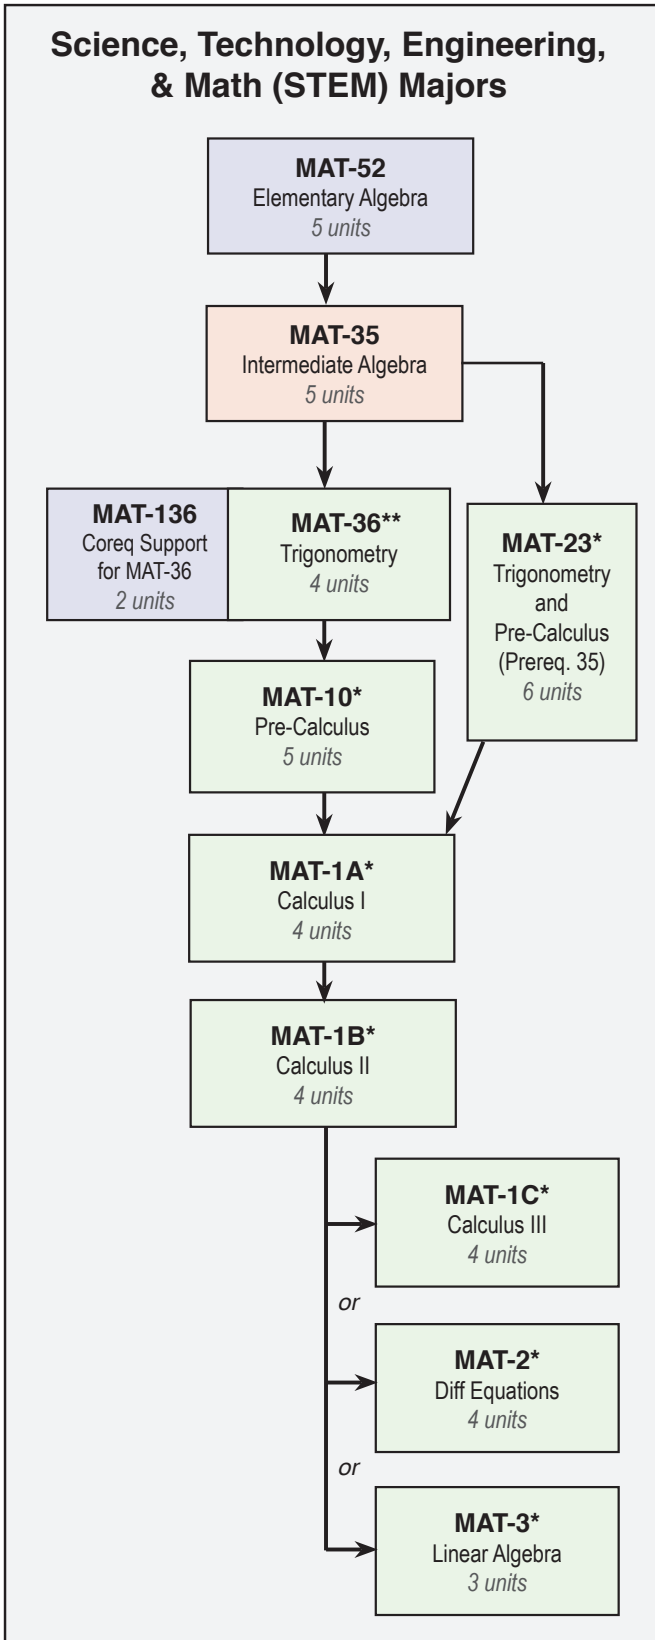

RCC offers many resources for students to be able to succeed in their classes. I was able to become familiar with the campus quickly when I first started, and everyone is just so kind. The professors I had/ have are all so great, and classroom sizes are not that huge, which I like. It makes it easier to communicate and be comfortable with your peers in classes.

Long-term Goal: My long term goal is to be in a profession of law one day and to inspire others that come after me. As well as to serve as a good role model for those that I know look up to me right now.

English Composition at RCC: Choosing the Best Path for You

Every student has the right to enroll directly into English 1A without taking English 91. If you would like more information on enrolling directly into English 1A without 91, see the challenge/opt in process at the Counseling Office.

Note: Research shows that taking even one class below college-level composition (such as English 50) will make it less likely for students to complete English 1A in part because of the extra and often unnecessary semester in a non-transferable course. However, RCC offers sections of English 50 for students who want to take an English course before they enroll in English 1A. No students are placed into or required to take English 50.

Academic Literacy and Reading

Transferable Reading Courses

REA-3**

Reading for Academic and Lifelong Literacy

Reading 3 provides students with academic and multi-disciplinary (such as Humanities, Science, and Health Fields) reading strategies needed for success in college classes and beyond. This course meets the reading competency graduation requirement, and the CSU and RCCD lifelong learning Area E requirement.

REA-4**

Critical Reading as Critical Thinking

Reading 4 provides students with argument analysis skills required for determining the validity of an author's opinion. Students learn to critically evaluate all persuasive modes of discourse. This course meets the CSU Critical Thinking requirement.

Support Courses

REA-83

College Reading & Thinking

Reading 83 reviews reading skills and strategies to help prepare students for college reading. This course meets the reading competency requirement.

REA-887

Reading Clinic

Reading 887 is a non-credit self-paced course that provides practice on individually prescribed learning plans designed to improve and develop reading skills. Instruction is provided on an individualized basis in conferences.

Note: These are all individual courses that are not in a sequence.

ENG-1A* English Composition

Students entering English 1A from the ESL pathway should look for the English 1A and 91 paired course that is targeted to multilingual speakers and should talk to their ESL 50/850 instructor about the right choice for them.

Credit and non-credit courses offer the same material, often in the same classroom. Students who want degree credit, units, or transferable courses should take the credit courses.

Information About Sexual Violence

I. What is sexual violence?

Sexual violence is any unwanted, forced, tricked, or coerced sexual activity. There are many forms of sexual violence, some of which include:

- Rape/attempted rape
- Sexual assault
- Incest
- Date/acquaintance rape
- Sexual harassment
- Unwanted sexual touching
- Voyeurism
- Forced to watch or partake in pornography

Rape is never the victim's fault and it is never too late to seek help. No matter who raped you, when the assault occurred, or how you choose to take care of yourself, medical and emotional help are available.

II. Facts and myths about sexual violence

FACTS

- Women on American college campuses who are from 18 to 24 years of age are at greater risk for becoming victims of rape, sexual assault, domestic violence, and stalking than women in the general population or women in a comparable age group. Research over the past 20 years has consistently shown that the rate of sexual assault among women who are in this age group (18 to 24) traditionally considered to be college-aged is one in four.
- Studies have consistently shown that sexual assault primarily targets women and youth, and that most perpetrators are friends, relatives, acquaintances, or someone else who is known by the victim. According to the 2003 National Crime Victimization Survey, approximately 70 percent of female rape victims knew their assailant.
- In 1994, Ms. Magazine's report on "Recognizing, Fighting and Surviving Date and Acquaintance Rape" documented that one in four college women had been the victim of a completed actual rape or attempted rape, and that, in 84 percent of the attacks, the victim knew the perpetrator.
- The National Violence Against Women Survey of 1998 demonstrated that 83 percent of rape victims were less than 25 years old when they were assaulted.
- In 2000, the Sexual Victimization of College Women Survey estimated that a college with 10,000 students could expect more than 350 rapes per year to occur on that campus.
- Additionally, half of all stalking victims are between the ages of 18 and 29, and women between the ages of 16 and 24 experience the highest rate of domestic violence victimization.
- While sexual assault primarily affects young women, they are not the only targets. Women of all ages, men, children, individuals with disabilities, members of cultural and religious minority groups, and lesbian/gay/transgendered individuals also experience sexual assault or rape.
- Every two and one-half minutes a woman is raped or sexually assaulted—this calculation is based on the 2004 National Crime Victimization Survey from the Bureau of Justice Statistics, U.S. Department of Justice.

MYTHS

- Rape is a sexual crime
- Women are powerless against rape
- Women secretly want to be raped
- Only young attractive women are raped
- Only women with bad reputations are raped
- Women who dress sexy are asking to be raped

III. Support Information and Resources

Support information and resources are available to you if you have been a victim of rape, sexual assault, dating violence, domestic violence, and/or stalking crimes or have friends, peers, or acquaintances who have been victimized. IV. Process for Filing

Process for filing internal administrative complaints with campus administration and criminal charges with local law enforcement:

- After a reported incident occurs the following procedures will be used in the investigation.
 - ~ Identify the victim(s) and all others on the scene.
 - ~ Provide emergency medical treatment for the victim(s) if needed.
 - ~ Establish rapport with victim(s).
 - ~ Conduct cursory interview to determine specific crimes, suspect identity, or other pertinent information.

- ~ The officer will determine the location of the suspect.
 - ~ Crime broadcast if appropriate.
 - ~ Identify and protect all crime scenes.
 - ~ Identify and interview all possible witnesses.
- Care for the victim’s needs:
 - ~ Transport victim to the medical exam as soon as possible.
 - ~ Notify rape crisis advocacy to meet at exam location.
 - ~ Find comfortable and private area for team interview.
 - ~ Obtain detailed account of the crime from the victim.
 - For complaints regarding sexual harassment refer to District Board Policy and Administrative Procedure 6430, Prohibition of Harassment and Retaliation located on the RCCD website or contact the District Compliance Officer at (951) 328-3874.

V. Policy and Regulations

All victims of sexual violence are highly encouraged to report the crime. Rape is one of the most under-reported crimes. According to the Rape, Abuse, and Incest National Network (RAINN) only about 36% of rapes were reported to law enforcement in 2004. The most common reasons given by victims for not reporting the crime are the beliefs that this is a private/personal matter and that they fear reprisal from the assailant.

In an effort to encourage victims to report assaults, the following exception will be made. The victim of sexual assault will not be disciplined as defined in the Board Policy 3500, “Standards of Student Conduct,” for the use, possession, or being under the influence of alcoholic beverages or controlled substances at the time of the incident if the assault occurred on College property.

In the state of California if a person is prevented from resisting by any intoxicating or anesthetic substance or any controlled substance and this condition was known, or reasonably should have been known by the accused, this is rape. Refer to Title 9, Chapter 1 #261, sections (3), (4), (4A), (4B), and (4C) of the California Penal Code.

This means if sex happens while you were drunk and without your consent, you were raped. Being drunk or high lowers your inhibitions and impairs your ability to make safe choices. Date rape drugs are out there. Watch your own drink, and watch each other’s drinks. Be aware that if you are drinking, you may not be able to hear the NO your partner is trying to communicate to you.

The idea that a person says no when they mean yes is not true. Pushing or turning away is a non-verbal NO! If your partner says No-STOP! It still means NO! A clear and sober YES is the only answer that means YES.

VI. Information regarding campus, criminal, and civil consequences of committing acts of sexual violence.

The punishments for rapes and sexual assaults vary according to the facts related to the crime. Rape is punishable by imprisonment in the state prison for up to three, six, or eight years.

Sexual assault or harassment by an RCC student on District property may result in expulsion from the College and criminal prosecution of the perpetrator.

Drug Abuse Prevention Program

Statement of Philosophy and Purpose

It is the intention of Riverside City College to provide an environment that maximizes academic achievement and personal growth. The District recognizes that alcohol, tobacco, and other drug use or abuse poses a significant threat to the health, safety, and well-being of users and the people around them. Substance abuse also interferes with academic, co-curricular, and extra-curricular interests and can lead to health, personal, social, economic, and legal problems.

Alcohol and other drug abuse, addiction or dependency is a behavioral/medical problem. Because the District’s intent is to be helpful, not punitive, programs have been developed to deter alcohol and other drug abuse. First, education is provided. Second, a program of assistance and referral is available. Third, disciplinary procedures are applied to uphold the District’s policy regarding alcohol and other drug use and the Standards of Student Conduct as listed in the Student Handbook.

The District’s policy is that all use of alcohol and other drugs is prohibited on District property and at any college-sponsored or related activity regardless of its location. Furthermore, the use of tobacco is prohibited in all District buildings.

Education

RCC offers a wide variety of educational opportunities to its students and the community which address alcohol and other drug-related issues. Information about courses is available in the College Catalog, Class Schedule and through the Counseling Center. Additional educational opportunities include awareness activities, conferences, workshops, films/videos, and lectures – some of which are available at College Health Services at each campus.

Assistance and Referral

Students can seek help through College Health Services. Student health professionals provide assistance for students with alcohol or drug-related problems, including crisis intervention, education and referral. Contact the Student Health Center at (951) 222-8151 or the Counseling Center at (951) 222-8440.

I. Introduction

Free inquiry and free expression are essential attributes of an educational community. As members of that community, students should be encouraged to develop the capacity for critical judgment and to engage in a sustained and independent search for truths. The freedom to learn depends upon appropriate opportunities and conditions in the classroom, on the campus, and in the community. The responsibility to secure and to respect general conditions conducive to the freedom to learn is shared by all members of the college community. Students should endeavor to exercise their freedom with maturity and responsibility.

II. Responsibility

- A. The Chief Executive Officer is responsible for establishing appropriate procedures for the administration of disciplinary actions. Issues involving matters of student grievance or student discipline follow the procedure below.
- B. The Chief Student Services Officer will be responsible for the overall implementation of the regulations which are specifically related to all non-academic, student-related matters.
- C. The Chief Instructional Officer will be responsible for overall implementation of regulations which are specifically related to class activities or academic matters.
- D. The District Compliance officer shall be responsible for the overall implementation of regulations, which are specifically related to the prohibition of discrimination, harassment and retaliation. Any complaint of unlawful discrimination (including sexual harassment) should be reported to the District Compliance Officer via telephone (951) 328-3874 or in writing: Riverside Community College District Office, 3801 Market Street, Riverside, CA 92501. NOTE: Board Policy 3500 does not apply to these matters.
- E. The definitions of cheating and plagiarism and the penalties for violating standards of student conduct pertaining to cheating and plagiarism will be published in all Schedules of Classes, the College Catalog, the Student Handbook, and the Faculty Handbook. Faculty members are encouraged to include the definitions and penalties in their course syllabus.

III. SSSP (formerly matriculation) Student Rights

- A. To challenge a prerequisite for a course because:
 - the necessary corequisite and/or prerequisite is not available
 - the student has the knowledge or ability to succeed in the course despite not meeting the prerequisite.
- B. To file a complaint of unlawful discrimination if the placement, orientation, counseling, prerequisites (or any other pre-enrollment procedure) is being applied in a discriminatory manner.
- C. To meet with a counselor to develop a Student Educational Plan, once an educational goal has been selected.

IV. SSSP (formerly matriculation) Student Responsibilities

- A. To declare a broad educational intent upon admission.
- B. To declare a specific educational goal by the time 15 semester units are completed.
- C. To meet with a counselor to develop a Student Educational Plan (SEP).
- D. To attend classes, complete assignments, and maintain progress toward a goal.

V. Standards of Student Conduct (Board Policy 3500)

References: Ed Code Section 66300, 66301, 76033; ACCJC Accreditation Standards I.C.8 and 10 (formerly II.A.7.b); Health and Safety Code Section 11362.79; 34 C.F.R. Part 86, et seq.

The Chancellor shall establish procedures for the imposition of discipline on students in accordance with the requirements for due process of the federal and state law and regulations.

The procedures shall clearly define the conduct that is subject to discipline, and shall identify potential disciplinary actions, including but not limited to the removal, suspension, or expulsion of a student.

Final action by the Board of Trustees on the expulsion shall be taken at a public meeting.

A second instance of academic dishonesty may result in expulsion proceedings. IV. Actions That May Be Taken Prior to Suspension or Expulsion

The following actions may be taken by appropriate personnel prior to considering suspension or expulsion:

- A. Removal from Class (Education Code Section 76032) -- Any instructor may order a student removed from his or her class for the day of the removal and the next class meeting. - B. Immediate Interim Suspension (Education Code Section 66017) -- The President or designee may order immediate suspension of a student where he or she concludes that immediate suspension is required to protect lives or property and to ensure the maintenance of order. If the person is on campus at the time, he or she must promptly leave or be escorted off campus. If consent is withdrawn by the President or designee, a written report must be promptly made to the Chancellor. The person from whom consent has been withdrawn may submit a written request for a hearing on the withdrawal within the period of the withdrawal. The request shall be granted not later than seven (7) days from the date of receipt of the request. The hearing will be conducted in accordance with the provisions of this procedure relating to interim suspensions.

In no case shall consent be withdrawn for longer than 14 days from the date upon which consent was initially withdrawn.

- C. Hearing Panel -- The hearing panel for any disciplinary action shall be composed of one administrator, one faculty member and one student.

The President of the Academic Senate shall, at the beginning of the academic year, establish a list of at least five faculty who will serve on student disciplinary hearing panels. At the time that a hearing is requested, the President will notify the Associated Students President who will provide the name of a student to serve on the

panel. This name shall be provided within 48 hours. The President or designee shall appoint the hearing panel from the names on these lists. However, no administrator, faculty member or student who has any personal involvement in the matter to be decided, who is a necessary witness, or who could not otherwise act in a neutral manner shall serve on a hearing panel.

- D. Hearing Panel Chair -- The President or designee shall appoint one member of the panel to serve as the chair. The decision of the hearing panel chair shall be final on all matters relating to the conduct of the hearing unless there is a vote by both other members of the panel to the contrary.
- E. Conduct of the Hearing -- The hearing will comply with principles of due process, including the right to confront and cross examine witnesses. The following procedure will be followed:
 1. The members of the hearing panel shall be provided with a copy of the accusation against the student and any written response provided by the student before the hearing begins.
 2. The facts supporting the accusation shall be presented by the administrator who issued the disciplinary action.
 3. The administrator and the student may call witnesses and introduce oral and written testimony relevant to the issues of the matter.
 4. Formal rules of evidence shall not apply. Any relevant evidence shall be admitted.
 5. Unless the hearing panel determines to proceed otherwise, the administrator and student shall each be permitted to make an opening statement. Thereafter, the administrator shall make the first presentation, followed by the student. The administrator may present rebuttal evidence after the student completes his or her evidence. The burden shall be on the administrator to prove by a preponderance of the evidence that the facts alleged are true.
 6. The student may represent himself or herself, and may also have the right to be represented by a person of his or her choice, except that the student shall not be represented by an attorney unless, in the judgment of the hearing panel, complex legal issues are involved. In that case, and if the student wishes to be represented by an attorney, a request must be presented not less than five (5) days prior to the date of the hearing. If the student is permitted to be represented by an attorney, the administrator may request legal assistance. The hearing panel may also request legal assistance; any legal advisor provided to the panel may sit with it in an advisory capacity to provide legal counsel but shall not be a member of the panel nor vote with it.
 7. Hearings shall be closed and confidential unless the student requests that it be open to the public. Any such request must be made no less than five (5) days prior to the date of the hearing.
 8. In a closed hearing, witnesses shall not be present at the hearing when not testifying, unless all parties and the panel agree to the contrary.
 9. The hearing shall be electronically recorded by the District, and shall be the only recording made. No witness who refuses to be recorded may be permitted to give testimony. In the event the recording is by tape recording, the hearing panel chair shall, at the beginning of the hearing, ask each person present to identify themselves by name, and thereafter shall ask witnesses to identify themselves by name. Tape recording shall remain in the custody of the District at all times, unless released to a professional transcribing service. The student may request a copy of the tape recording.
 10. All testimony shall be taken under oath; the oath shall be administered by the hearing panel chair. Written statements of witnesses under penalty of perjury shall not be used unless the witness is unavailable to testify. A witness who refuses to be tape recorded is not unavailable.
 11. Within five (5) days following the close of the hearing, the hearing panel shall prepare and send to the President, a written decision. The decision shall include specific factual findings regarding the

accusation, and shall include specific conclusions regarding whether any specific section of the Standards of Student Conduct were violated. The decision shall also include a specific recommendation regarding the disciplinary action to be imposed, if any. The decision shall be based only on the record of the hearing, and not on matter outside of that record. The record consists of the original accusation, the written response, if any, of the student, and the oral and written evidence produced at the hearing.

VII. President's Decision

Upon receipt of the Hearing Panel's decision, the President of the College will consider the decision of the Panel.

A. Long-term suspension -- Within five (5) days following receipt of the hearing panel's recommended decision, the President shall render a final written decision. The President may accept, modify or reject the findings, decisions and recommendations of the hearing panel. IX. Board of Trustees Decision

The Board of Trustees shall consider any recommendation from the Chancellor for expulsion at the next regularly scheduled meeting of the Board after receipt of the recommended decision.

The Board of Trustees shall consider an expulsion recommendation in closed session, unless the student has requested that the matter be considered in a public meeting in accordance with these procedures. (Education Code Section 72122)

The student shall be notified in writing, by registered or certified mail or by personal service, at least three days prior to the meeting, of the date, time, and place of the Board's meeting.

The student may, within two (2) days after receipt of the notice, request that the hearing be held as a public meeting.

Even if a student has requested that the Board of Trustees consider an expulsion recommendation in a public meeting, the Board of Trustees will hold any discussion that might be in conflict with the right to privacy of any student other than the student requesting the public meeting in closed session.

The Board of Trustees may accept, modify or reject the findings, decisions and recommendations of the Chancellor and/or the hearing panel. If the Board of Trustees modifies or rejects the decision, the Board shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. The decision of the

Board of Trustees shall be final.

The final action of the Board of Trustees on the expulsion shall be taken at a public meeting, and the result of the action shall be a public record of the District.

VII. Student Grievance Process for Instruction and Grade Related Matters (Administrative Procedure 3500[B])

References:

Education Code Section 76224

Title 5 Section 55024

I. General Provisions

1. Purpose: The purpose of the Student Grievance Procedure is to provide a means by which a student may pursue a complaint for an alleged violation of college or district policy concerning instruction or to appeal a grade. However, complaints regarding discrimination harassment or retaliation are to be handled in accordance with Administrative Procedure 6430[A] titled Handling Complaints of Discrimination, Harassment or Retaliation.

2. Scope: Student grievances for matters other than for discipline such as, but not limited to, grade challenges and academic or program issues, will be processed in the following manner. Please note: Per Education code 76224, the instructor's grade is final except in cases of mistake, fraud, bad faith, or incompetency.

A grievable action is an action that is in violation of a written college or district policy or procedure, or an established practice. The basis of the grievance is that an action constitutes arbitrary, capricious, or unequal application of a written college or district policy or procedure or an established practice.

3. Confidentiality: To protect to the maximum extent possible, the privacy of individuals who in good faith file legitimate grievances, these procedures will be considered confidential throughout initial consultation, preliminary and final review, and appeal, unless required to be disclosed pursuant to a court order or state or federal law. Confidentiality will also be afforded the respondent to avoid unwarranted damage to reputation. Breach of confidentiality by any party to the grievance is considered unethical conduct and may be subject to disciplinary action. However, those involved in the hearing process may seek consultation and/or guidance, from the District's General Counsel, or academic or student services administrators.

There may be cases where disclosure of part or all of the proceedings and final outcome must be considered to provide a remedy to the student, to correct misperceptions of the reputations of parties to the grievance, or for the best interests of the institution. In these cases, if, and only if, deemed appropriate by majority vote of the grievance committee in concurrence by the President, public disclosure will be directed through the President's office.

4. Protections for complainants: Any student has the right to seek redress under these procedures and to cooperate in an investigation or otherwise participate in these procedures without intimidation, threat of retaliation or retaliatory behavior. Any such behavior, verbal or written, in response to participation in the grievance process is prohibited and may be regarded as a basis for disciplinary action.

5. Abuse of process: A student must proceed with a complaint in good faith. Abuse of process, malicious complaints or frivolous complaints may be grounds for disciplinary action.

II. Definitions

1. District -- The Riverside Community College District
2. Student -- Any person currently enrolled as a student at any college or in any program offered by the District.
3. Instructor -- Any academic employee of the District in whose class a student is enrolled, or a counselor who is providing, or has provided, services to the student, or other academic employee who has responsibility for the student's educational program.
4. Day -- Days during which the District is in session and regular classes are held, excluding weekends and holidays.
5. Time Limits -- Any time specified in the above procedures may be shortened or lengthened if there is mutual agreement by all parties.

The time limit to initiate a change is one (1) year from the end of the term in which the grade in question was recorded. For further information on grade changes, see Board Policy/Administrative Procedure 2231.

1. A student will be encouraged to contact the faculty member and attempt, in good faith, to resolve the concern through the consultative process.
2. If consultation with the faculty member does not resolve the issue, the student may request a consultation with the department chair, assistant chair, or designee. The faculty member will be notified of the outcome of the meeting, by the party who meets with the student.
3. If the issue is not resolved with the department chair, assistant chair, or designee, the student may file a written Request for Consultation with the appropriate Dean. Forms will be available from the office of the appropriate Dean or Vice President. The Dean will convey a decision to all affected parties, as well as note that decision on the form.

IV. Grievance Process and Formal Hearing

If the issue is not resolved through informal consultation, the student may file a written grievance requesting a formal hearing within thirty (30) calendar days of the informal consultation with the Dean. The written request should contain a statement detailing the grievance to be resolved, and the action or remedy requested. The student will direct this grievance to the President. The student must notify the President at the time the student submits his/her request for a formal hearing if an accommodation for a disability will be needed at the hearing.

1. Upon receipt of a written request for a formal hearing, the President will, within three (3) days, excluding weekends and holidays, of receipt of the request for hearing, appoint an administrator (not the Vice President of Academic Affairs) to serve as chair of a grievance committee for the hearing.
2. A grievance withdrawn from the formal hearing stage will be deemed without merit and cannot be refiled.

At this time, both parties will also be invited by the Chair to submit a list of potential witnesses and the rationale for calling them. Each party's witness list will be given to the other party and to the Grievance Committee. Witnesses will be called at the discretion of the Grievance Committee Chair. This signed statement and witness list is to be received by the Chair no later than 10 days prior to the hearing.
Individuals approached by either party to act as a witness for that party are not under any obligation to do so and may decline to be a witness. Any witness has the right to cooperate in an investigation or otherwise participate in these procedures without intimidation, threat of retaliation or retaliatory behavior. Any such behavior, verbal or written, in response to participation in the grievance process is prohibited and may be regarded as a basis for disciplinary action.
- e. Notify the parties that they are entitled to bring a representative, from within the District, to assist them during the hearing. The representative's role is restricted to assisting the party. He/she may not actively participate in the grievance hearing or engage in the proceedings. The Representative must be an individual from within the District (student or employee). Legal representation is prohibited.
- f. Notify both parties as to who the members of the grievance committee will be. Each party will be allowed one (1) opportunity to request that a committee member be replaced with a different person because of perceived bias or conflict of interest. At that time, the committee chair may excuse that committee member and seek a replacement in accordance with IV.3 above.
- g. Provide, to the faculty, student and Grievance Committee, prior to the hearing, a copy of the document titled Grievance Hearing Protocol, C:\Users\radams\Documents\Legal\Hearing Protocol Rev 1.doc which shall serve as a guideline during the hearing. b. Submit its findings of fact and disposition to each party and the Vice President of Academic Affairs within ten (10) days (excluding weekends and holidays) of the completion of the formal hearing.

Education Code Section 76224

Title 5 Section 55024

I. General Provisions

A. Purpose: The purpose of this Procedure is to provide an equitable means by which a student may pursue a complaint for an alleged violation of college or district policy concerning any student service area program or staff such as, but not limited to, student financial services, disabled students programs and services, EOPS, admissions and records, counseling, library and learning resources, health/psychological services and tutorial services.

Complaints regarding discrimination harassment or retaliation are to be handled in accordance with Administrative Procedure 6430[A] titled Handling Complaints of Discrimination, Harassment or Retaliation.

Complaints regarding student discipline are to be handled in accordance with Administrative Procedure 3500[A] Student Discipline Procedures.

Complaints regarding instruction and/or grades are to be handled in accordance with Administrative Procedure 3500[B] Student Grievance Process for Instruction and Grade Related Matters.

B. A grievable action is an action that is in violation of a written college or district policy or procedure, or an established practice. The basis of the grievance is that an action constitutes arbitrary, capricious, or unequal application of a written college or district policy or procedure or an established practice.

C. Confidentiality: To protect to the maximum extent possible, the privacy of individuals who in good faith file legitimate grievances, these procedures will be considered confidential throughout initial consultation, preliminary and final review, and appeal, unless required to be disclosed pursuant to a court order or state or federal law. Confidentiality will also be afforded to the respondent to avoid unwarranted damage to reputation. Breach of confidentiality by any party to the grievance is considered unethical conduct and may be subject to disciplinary action. However, those involved in the hearing process may seek consultation and/or guidance from the District's General Counsel, or appropriate administrators.

There may be cases where disclosure of part or all of the proceedings and final outcome must be considered to provide a remedy to the student, to correct misperceptions of the reputations of parties to the grievance, or for the best interests of the institution. In these cases, if, and only if, deemed appropriate by majority vote of the grievance committee in concurrence by the President, public disclosure will be directed through the President's office.

D. Protections for complainants: Any student has the right to seek redress under these procedures and to cooperate in an investigation or otherwise participate in these procedures without intimidation, threat of retaliation or retaliatory behavior. Any such behavior, verbal or written, in response to participation in the grievance process is prohibited and may be regarded as a basis for disciplinary action.

E. Abuse of process: A student must proceed with a complaint in good faith. Abuse of process, malicious complaints or frivolous complaints may be grounds for disciplinary action.

II. Definitions

A. District -- The Riverside Community College District

B. Student -- Any person currently enrolled as a student at any college or in any program offered by the District.

C. Instructor -- Any academic employee of the District in whose class a student is enrolled, or a counselor who is providing, or has provided, services to the student, or other academic employee who has responsibility for the student's educational program.

D. Day -- Days during which the District is in session and regular classes are held, excluding weekends and holidays.

E. Time Limits -- Any time specified in the above procedures may be

shortened or lengthened if there is mutual agreement by all parties.

III. Informal Consultation Process

A student has 120 calendar days from the date of the incident or situation giving rise to the grievance to initiate the informal consultation process.

A. A student will be encouraged to contact the individual responsible for the situation which is the subject of the grievance and attempt, in good faith and in a professional manner, to resolve the concern informally.

B. If the issue is not resolved with the individual who is the subject matter of the grievance, the student may file a written Request for Consultation with the Dean/Director, or designee, responsible for the Department/individual that is the subject of the grievance. Forms will be available from the office of the Dean/Director or the appropriate Vice President. The Dean/Director will convey a decision to all affected parties, as well as note that decision on the form.

IV. Grievance Process and Formal Hearing

If the issue is not resolved through informal consultation, the student may file a written grievance, requesting a formal hearing, within thirty (30) calendar days of the informal consultation with the Dean/Director. The written request should contain a statement detailing the grievance to be resolved, and the action or remedy requested. The student will direct this grievance to the President. The student must notify the President at the time the student submits his/her request for a formal hearing if an accommodation for a disability will be needed at the hearing.

A student may withdraw a request for a formal hearing at any time by notifying the President by phone or email. However, a grievance withdrawn from the formal hearing process will be deemed without merit and cannot be refilled.

A. Upon receipt of the request for formal hearing, the President will, within three (3) days, excluding weekends and holidays, of receipt of the request for hearing, appoint an administrator (not the Vice President who oversees the individual or department that is the subject of the grievance) to serve as chair of a grievance committee for the hearing.

B. The formal hearing will be conducted before a College Grievance Committee.

This committee will be composed of the following individuals:

1. Two (2) students appointed by the College Associated Students President.
2. One (1) faculty member appointed by the College Academic Senate President.
3. One staff member appointed by the President.
4. One Dean/Director level administrator (not connected with the individual or department that is the subject of the grievance) appointed by the President.
5. One Vice President (not connected with the individual or department that is the subject of the grievance) appointed by the President of the College to serve as the chair of the committee. This individual may be from another College in the District. The chair of the committee will not vote in the final decision.

C. The College Grievance Committee Chair will:

1. Within a reasonable time period not to exceed twenty (20) days (excluding weekends and holidays) set a reasonable time and date for the hearing as well as a reasonable time limit for its duration. In the event the parties are not available within the 20 days, the Chair has the discretion of extending the time period, with notification to the parties.
2. Arrange for a disability accommodation if requested pursuant to the above.

3. Within three (3) days, excluding weekends and holidays, after setting the hearing date, notify both parties that they are to provide to the Chair signed written statements specifying all pertinent facts relevant to the grievance. A copy of these statements will be given, by the Chair, to the other party, as well as the Grievance Committee members. At this time, both parties will also be invited by the Chair to submit a list of potential witnesses and the rationale for calling them. Each party's witness list will be given to the other party and to the Grievance Committee. Witnesses will be called at the discretion of the Grievance Committee Chair. This signed statement and witness list is to be received by the Chair no later than 10 days prior to the hearing.

Individuals approached by either party to act as a witness for that party are not under any obligation to do so and may decline to be a witness. Any witness has the right to cooperate in an investigation or otherwise participate in these procedures without intimidation, threat of retaliation or retaliatory behavior. Any such behavior, verbal or written, in response to participation in the grievance process is prohibited and may be regarded as a basis for disciplinary action.

4. Notify the parties that they are entitled to bring a representative, from within the District, to assist them during the hearing. The representative's role is restricted to assisting the party. He/she may not actively participate in the grievance hearing or engage in the proceedings. The Representative must be an individual from within the District (student or employee). Legal representation is prohibited.
5. Notify both parties as to who the members of the grievance committee will be. Each party will be allowed one (1) opportunity to request that a committee member be replaced with a different person because of perceived bias or conflict of interest. Any such requests must be directed to the committee chair within two (2) days of notification of who the committee members will be and will state the perceived bias or conflict of interest. At that time, the committee chair may excuse that committee member and seek a replacement.
6. Provide, to the parties and Grievance Committee, prior to the hearing, a copy of the document titled Grievance Hearing Protocol, C:\Users\radams\Documents\Legal\Hearing Protocol Rev 1.doc which shall serve as a guideline during the hearing. Any requests for deviations from, or additions to, the hearing protocol, shall be addressed to the Committee Chair who will make the decision on whether or not the deviation or addition will be allowed.
7. Develop a list of questions, or intended areas of inquiry, sending it to both parties and the Grievance Committee at least three (3) days (excluding weekends and holidays) in advance of the hearing.
8. Maintain an official recording (audio or video) of the proceeding which will be kept in a confidential file but be available for review by either party. Individual parties will not be allowed to have their own recording device.
9. Ensure that the formal hearing will be closed to the public.

D. The Grievance Committee will:

1. Judge the relevancy and weight of testimony and evidence. The committee will make its findings of fact, basing its findings on the evidence presented. It will also reach a decision by a simple majority vote for disposition of the case.
2. Submit its findings of fact and disposition to each party and the Vice President within ten (10) days (excluding weekends and holidays) of the completion of the formal hearing.

V. Appeals

- A. Either party, within five (5) days (excluding weekends and holidays) of receipt of the Committee's decision, may appeal the decision to the President. The President may:
 1. Concur with the decision of the Committee, or

2. Modify the Committee's decision.

The President will submit his/her decision to each party within ten (10) days (excluding weekends and holidays) of receipt of the Committee's decision.

In all cases, final decision will rest with the President.

After a student has exhausted all grievance rights at the College level, the student has the right to file a complaint with any of the following resources:

- A. The Accrediting Commission for Community and Junior Colleges (ACCJC) at <http://www.accjc.org/complaint-process>. ACCJC is the agency that accredits the academic programs of the California Community Colleges. All forms of harassment are contrary to basic standards of conduct between individuals and are prohibited by state and federal law, as well as this policy, and will not be tolerated. The District is committed to providing an academic and work environment that respects the dignity of individuals and groups. The District shall be free of sexual harassment and all forms of sexual intimidation and exploitation including acts of sexual violence. It shall also be free of other unlawful harassment, including that which is based on actual, perceived or association with others' ethnic group identification, national origin, religion, age,

gender, gender identity, gender expression, race, color, ancestry, sexual orientation, physical or mental disability, genetic information, or any characteristic listed or defined in Section 11135 of the government code or any characteristic that is contained in the prohibition of hate crimes set forth in subdivision (a) of Section 422.6 of the Penal Code.

This policy applies to all aspects of the academic environment, including but not limited to classroom conditions, grades, academic standing, employment opportunities, scholarships, recommendations, disciplinary actions, and participation in any community college activity. In addition, this policy applies to all terms and conditions of employment, including but not limited to hiring, placement, promotion, disciplinary action, layoff, recall, transfer, leave of absence, training opportunities, and compensation.

The District seeks to foster an environment in which all employees and students feel free to report incidents of harassment without fear of retaliation or reprisal. Retaliation may involve, but is not limited to, the making of reprisals or threats of reprisals, intimidation, coercion, discrimination or harassment following the initiation of an informal or formal complaint. Such conduct is illegal and constitutes a violation of this policy.

Therefore, the District also strictly prohibits retaliation against any individual for filing a complaint, who refers a matter for investigation or complaint, who participates in an investigation, who represents or serves as an advocate for an alleged victim or alleged offender, or who otherwise furthers the principles of unlawful discrimination or harassment.

All allegations of retaliation will be swiftly and thoroughly investigated. If the District determines that retaliation has occurred, it will pursue all measures within its power to stop such conduct. Individuals who engage in retaliatory conduct are subject to disciplinary action, up to and including termination or expulsion.

The Chancellor shall establish procedures that define harassment and establish reporting procedures for employees, students, and other members of the District community that provide for the investigation and resolution of complaints regarding discrimination and harassment.

Any student or employee who believes that he or she has been harassed or retaliated against in violation of this policy should immediately report such incidents by following the procedures described in AP 6430[A] titled "Handling Complaints of Unlawful Discrimination or Harassment". A copy of the procedure is available at <http://www.rccd.edu/administration/board/Pages/BoardPolicies.aspx>, in each College library and all administrative offices in the District. Supervisors are required to report all incidents of harassment and retaliation that come to their attention.

To this end, the Chancellor shall ensure that the institution undertakes at least education and training activities to counter discrimination harassment and to prevent, minimize, and/or eliminate any hostile environment that impairs access to equal education opportunity or impacts the terms and conditions of employment. However, because of their special responsibilities under the law, supervisors will also undergo mandatory training within six (6) months of assuming a supervisory position. This policy and related written procedures, including the procedure for making complaints, shall be widely published and publicized to administrators, faculty, staff, and students, particularly when they are new to the institution.

Employees found in violation of this policy may be subject to disciplinary action up to and including termination. Students found in violation of this policy may be subject to disciplinary measures up to and including expulsion.

XII. Student Rights Related to Unlawful Discrimination

While students are free to express their concerns about unlawful discrimination or unwelcome behavior directly to the individual(s) who offended them, there is no legal requirement to do so. A decision to exercise or not exercise this option will not preclude a complainant from seeking assistance through the District's administrative process.

Riverside Community College District has identified the District Compliance Officer to the State Chancellor's Office and to the public as the single District officer responsible for receiving all unlawful discrimination complaints filed pursuant to Title 5, section 59328, and for coordinating their investigation. The actual investigation of the complaints may be assigned to other staff or to outside persons or organizations under contract with the District. Such delegation procedures will be used whenever the officer designated to receive complaints is named in the complaint or is implicated by the allegations in the complaint.

Administrators, faculty members, other District employees, and students shall direct all complaints of unlawful discrimination to the responsible District officer.

XIII. Academic Freedom (Administrative Procedure 2030, page 6)

The District reaffirms its commitment to academic freedom, but recognizes that academic freedom does not permit unlawful discrimination, harassment, or retaliation. To the extent that these policies and procedures are in conflict with the District's policy on academic freedom, the harassment policies and procedures shall prevail. Nothing in District policies and procedures shall be interpreted to prohibit bona fide academic requirements for a specific District program, course or activity.

It is recognized that an essential function of education is a probing of opinions and an exploration of information and ideas that may cause some students discomfort. It is further recognized that academic freedom insures the faculty's right to teach and the students' right to learn. If a faculty member wishes to use sexually explicit materials in the classroom, the District strongly recommends that faculty member work with the District Compliance Officer as well as academic discipline colleagues to assure that sexual harassment regulations are not violated.

When investigating unlawful discrimination or harassment complaints containing issues related to course material, the designated investigator will consult with a group of one to three (1-3) faculty members in that subject area appointed by the Academic Senate with respect to contemporary practices and standards for course content and delivery.

XIV. Handling Complaints of Unlawful Discrimination or Harassment (Administrative Procedure 6430[A])

The complete procedure and board policies can be found at www.rcc.edu/board. Available in alternate formats.

This is a summary of your right to file an informal or formal complaint of discrimination or sexual harassment. This is only a summary. Please see Administrative Procedures AP6430[A] for the complete District procedure. AP6430[A] can be found at www.rcc.edu under Board of Trustees Policies, at www.rcc.edu/administration/hr/dec.cfm or from the Diversity, Equity and Compliance office at (951) 222-8039.

How to Report

If you experience or witness what you believe to be unlawful discrimination or harassment, please document the following information:

- Date, time, and location of the incident

- Names and contact information for those involved and possible witnesses, if known
- Detailed information regarding the incident(s) observed
- Report your concerns and problems to the District by calling (951) 222-8039.

Discrimination/Harassment

Is contrary to the RCC mission of higher education and is against the law. District policy prohibits any discriminatory practice that is based upon an individual's actual, perceived or association with others':

- Ethnic Group Identification
- Religion
- Sex or Gender
- Color
- Sexual Orientation
- National Origin
- Age
- Race
- Ancestry
- Physical or Mental Disability

Or any characteristic listed or defined in Section 11135 of the Government Code or any characteristic that is contained in the prohibition of hate crimes set forth in subdivision (a) of Section 422.6 of the Penal Code.

Sexual Harassment

Has no place in an academic or work setting. RCC is committed to providing a positive and safe environment for all students, employees, and visitors. The following is a partial list of prohibited sexual harassment activities:

- Unwanted sexual advances
- Offering employment or grade benefits in exchange for sexual favors
- Actual or threatened retaliation for non-participation
- Leering; making sexual gestures; or displaying sexually suggestive objects, pictures, cartoons, or posters
- Making or using derogatory comments, epithets, slurs, or jokes
- Sexual comments including graphic comments about an individual's body
- Sexually degrading words describing an individual; suggestive or obscene letters, notes, or invitations
- Physical touching or assault, as well as impeding or blocking movements.

Resolution

Of complaints may be achieved by either formal or informal process. The choice of resolution process is determined by the individual raising the complaint. The purpose of the informal resolution process is to allow any individual who believes they have experienced discrimination or harassment to resolve the issue through a mediation process rather than the formal complaint process. Typically, the informal process is utilized when there is a simple misunderstanding or the individual seeks nothing more than a clarification of the misunderstanding or an apology from the other person and an assurance that the offending behavior will cease. Formal complaints must be filed in writing using the required formal complaint form available on our website, the State Chancellor's website or in the Diversity and Human Resources department. If a formal complaint is filed, the District conducts an investigation within required timeframes according to policy and law. During the formal process the complainant will not be required to confront, or work out problems with, the person accused of unlawful conduct.

Informal Complaints

May be filed by contacting the RCCD Diversity, Equity and Compliance office at (951) 222-8039. Informal complaints require written acknowledgement from the person filing the complaint. Choosing the informal process does not prevent the right to file a formal complaint

within the one-year time period for filing complaints.

Este es un resumen del derecho que usted tiene a presentar una queja formal de discriminación o de acoso sexual. Este es sólo un resumen. Por favor vea las Pólizas de la Junta Directiva Escolar AP 6430[A] para el procedimiento completo del Distrito.

La discriminación o el hostigamiento

El hostigamiento sexual

No es tolerado en un ambiente académico o de trabajo. RCC está comprometido a proveer un ambiente positivo y seguro para todos los estudiantes, empleados y visitantes. A continuación hay una lista parcial de actividades de hostigamiento sexual prohibidas:

- Propuestas sexuales indeseables;

- Usar palabras sexualmente degradantes para describir a una persona; o cartas, notas o invitaciones sugestivas u obscenas;
- Tocar o atacar físicamente, como también impedir o bloquear movimientos.

La Resolución

De quejas se puede lograr por un proceso, ya sea *formal* o *informal*. La opción del proceso la determina la persona que plantea la queja. El propósito del proceso de resolución *Informal* es de permitir a la persona que cree que ha sido discriminada ilícitamente o ha sido hostigada sexualmente, resolver el problema a través de un proceso de mediación en lugar de un proceso formal de queja. Típicamente, el proceso *informal* es utilizado cuando existe un simple malentendido o la persona procura solamente una aclaración del malentendido o una disculpa por parte de la otra persona y una garantía de que terminará ese comportamiento ofensivo. Las quejas *formales* deben reportarse usando un formulario de queja del Distrito disponible en nuestra página web, en la página web del Rector del Estado, o en el departamento de Diversidad y Recursos Humanos. Si se presenta una queja *formal*, el Distrito conducirá una investigación dentro de los plazos requeridos de acuerdo a la política y la ley. Durante el proceso *formal*, no se le exigirá a

la persona demandante que confronte o resuelva los problemas con la persona acusada de la conducta ilícita.

Las quejas informales

Se pueden reportar en la oficina de DEC del Distrito llamando al (951) 222-8039. Las quejas informales requieren que la persona que reportala queja lo haga por escrito. Escoger el proceso informal no le impide el derecho a reportar una queja formal durante el periodo de un año que tiene para reportar quejas.
