

**RIVERSIDE CITY COLLEGE – SCHOOL OF NURSING
ASSOCIATE DEGREE PROGRAM FOR REGISTERED NURSING
4800 Magnolia Avenue, Riverside, CA 92506-1299**

TRADITIONAL ADN (RN) INFORMATION SHEET

General Information

The Associate Degree Nursing Program (ADN) is approved by the California Board of Registered Nursing (BRN) and is accredited by the Accreditation Commission for Education in Nursing, Inc. (ACEN). Contact information for the [California BRN](#) is P.O. Box 944210, Sacramento, CA 94244-2100 or call (916) 322-3350. Contact information for the [ACEN](#) is 3390 Peachtree Road, NE, Suite 1400, Atlanta, GA 30326 or call (404) 975-5000.

The Associate of Science Degree (ADN) in Registered Nursing (RN) requires four semesters and an intersession, excluding the completion of prerequisite courses. Upon completion of the 73-74-unit program, the graduate earns an ADN (RN) and is eligible to apply for the National Council Licensure Examination for Registered Nurses (NCLEX-RN) for licensure as a Registered Nurse in the State of California.

Each Spring and Fall semester, 44 - 90 traditional candidates are accepted into the ADN (RN) program. Those applicants who are not accepted must reapply the following semester. There is no wait list. For information on requirements for the RCC-CSU (ADN/BSN) CEP, please see the *Concurrent Enrollment Program Information Sheet*.

For more information and a listing of Pre-Nursing Workshops, contact us at (951) 222-8407 or on the Health-Related Sciences Engagement Center [website](#). You may also contact RCC Counseling at (951) 222-8440.

Application to the School of Nursing

Students applying to the School of Nursing (SON) must have all eligibility and prerequisite requirements completed or in progress at the time of application. General education courses are encouraged to be completed prior to program entrance. The applicant is responsible for ensuring that **ALL** official up-to-date transcripts and other necessary documentation have been received by Riverside City College (RCC) at the time of application.

1. Admission will be denied to an applicant who earned a grade of “C-” or less in a nursing program at another college.
2. Foreign transcripts must have a *Detailed Evaluation* and must be submitted by the application deadline. Information can be obtained from the Counseling Office.
3. Students with prerequisite courses in progress must turn in a grade verification form to the SON office as soon as the final grade is available.
4. Students must have applied to RCC prior to applying to the ADN (RN) program.
5. Meeting minimum requirements of the program does not guarantee admission into the program.

Application Filing Period

SPRING SEMESTER - Application filing period between first business day of June to first business day of July.

FALL SEMESTER - Application filing period between first business day of October to first business day of November.

PETITIONING STUDENTS: (Students applying for readmission or for transfer): Year-round.

Applications may be obtained at the Nursing [website](#) during the application filing periods. Applications are submitted electronically through the link provided. Please verify the current application filing period dates on the Nursing website or contact the School of Nursing at (951) 222-8407.

Requirements for Eligibility and Prerequisite Courses:

1. Complete an RCC application on CCCApply and be eligible to attend RCC.
2. Cumulative GPA of at least 2.0 in all course work attempted at RCC and a cumulative GPA of 2.0 or greater, which includes all accredited college units attempted.
3. Minimum GPA of at least 2.5 in all general education courses is required for to earn an ADN (RN) degree.
4. Prerequisite Courses (15 units):
 - a. Minimum GPA of 2.5 in the following science prerequisite courses:
 - *Biology 50A (4 units)
 - *Biology 50B (4 units)
 - *Biology 55 (4 units)
 - b. Completion of Psychology 9 (3 units, Birth to Death) with a grade of “C” or better.
5. The *Test for Essential Academic Skills (ATI TEAS – TEAS 7)* is required for all applicants applying for the ADN (RN) program. Please see the *RCC SON TEAS Test* policy in the *SON Enrollment Committee Policy and Procedure Manual* for detailed information.
6. Meeting minimum eligibility criteria for the program does not guarantee admission to the program.

Anatomy and Physiology Requirement

RCC encourages students to complete the entire series of Anatomy and Physiology at one school. This is due to the concern of possible missing components in curriculum when completed at separate colleges. Nursing applicants that have taken Anatomy and Physiology at two separate colleges are required to receive approval for these courses by requesting a *Request for Equivalencies and Substitutions* form from the Counseling or Evaluations departments.

Selection Procedure

Available enrollment spaces are selected by rank order (highest points) based on points earned on the multicriteria factors and through random selection (see *Enrollment Criteria for 1st Semester Traditional ADN (RN) Students* attached). RCC reserves the right to designate a certain number of enrollment spaces for contract agreements and/or to meet requirements grant-designated outcomes.

Applicants with a regionally accredited bachelor’s degree from the United States (US) will be waived from completing the 6 general education courses, but must have taken the science prerequisites, satisfy the Statistics (MAT-12/12H or PSY/SOC-48) and PSY-9 requirements, and have taken courses in English Composition, Communication and Sociology/Cultural Anthropology.

Students must pass the *ATI Test for Essential Academic Skills (ATI TEAS – TEAS 7)* prior to program enrollment. Please see the *RCC SON TEAS Test* policy in the *SON Enrollment Committee Policy and Procedure Manual* for detailed information.

For specific information regarding the SON selection criteria, please see the *SON Enrollment Committee Policy and Procedure Manual*.

If a student is not offered a space in the program, a new application is necessary in the next application period. The SON has no wait list.

Transcript Requirements

Transcripts are *Official* when they are sent directly to RCC from the sending institution or are hand-delivered by the student in a sealed envelope from the sending institution. Copies of transcripts/diplomas not accepted. Transcripts are *Up-to-Date* when they are received by RCC no more than 90 days after the sending institution issued them, as verified by the date that the institution stamps on the transcript. If you need to request an official copy of your transcripts from other colleges previously attended, please visit the [Transfer Student](#) website. Transcripts that are not official and not considered *Up-to-Date* will be returned to the student, and will result in a lower priority status. Please be aware that your transcripts will be purged after one year if you have never been enrolled at RCC, or if you have not been an RCC student for four years.

Additional General Education Requirements (19-20 units)

The following general education courses are not required for admission to the ADN (RN) program; rather, they are required for the completion of the ADN (RN) degree. Most students complete these requirements before entering the ADN (RN) program due to the rigorous course load. Students who intend to continue at CSU or UC for their BSN should clarify the general education/graduation requirements with the Nursing Educational Advisor and/or Nursing Counselor (951) 222-8407.

Recommended Electives During Program

It is highly recommended that all nursing students enroll in a Nursing Learning Lab (B and/or C course) each semester. These electives provide opportunities for additional self-paced practice and mastery of nursing skills. Instructional guidance and computer assisted materials which support semester student learning outcomes are also available.

Expenses (per year)

1. Students pay Health Services Fees (\$25), parking (\$125), Student Services Fees (\$30) and tuition (\$46) per unit each semester. The cost is approximately \$6,000 for four semesters and an interession.
2. Students furnish their own uniforms. The cost is approximately \$250.
3. The costs of nursing books, supply bag, iPad, testing platform and other required learning resources are approximately \$2,500 for two years.
4. Physical examination/lab work costs are approximately \$98 - \$600.
5. Background checks/CPR costs approximately \$220.
6. It is recommended that students carry personal health and accident insurance including hospitalization. Policies are available to college students at reasonable rates. The college provides liability insurance at no cost to the student.
7. Students are required to purchase standardized testing package for use during the program. Estimated cost is \$580.

When planning expenses, students should be aware they may have to limit their hours of employment due to the rigor required for the ADN (RN) program. Scholarships and grants are available to those students who qualify.

Health Examination and CPR Certification

Students will be admitted to the program pending submission of a CPR card (American Heart Association BLS Healthcare Provider Course) that is valid for 2 years, required immunizations, and a completed health examination form with clearance permitting unrestricted functional abilities essential to nursing practice in accordance with the American with Disabilities Act (1990). A completed immunization record, health examination, and CPR certification are not required at the time of application.

Background Check/Drug Screen

All new and readmitting students are required to demonstrate a clear background check and drug screen prior to enrollment in the ADN (RN) program. See the *Background Check/Drug Screen* policy in the *SON Enrollment Committee Policy and Procedure Manual* for further details. The background check requires that students be able to provide a valid social security number Individual Taxpayer Identification (ITIN) number. The process for obtaining the background check is available in the School of Nursing office.

California Board of Registered Nursing Legal Limitation of Licensure: Misdemeanors/Felony Notification

Graduates of the ADN (RN) program are eligible to apply for the NCLEX-RN licensure exam. This requires that applicants submit fingerprints and report any prior conviction or any offense other than minor traffic violations. Failure to report such convictions can be grounds for denial of licensure. The BRN investigates convictions by obtaining information on the underlying facts of the case, dates and disposition of the case, and subsequent rehabilitation.

Questions pertaining to the legal limitations of licensure for such convictions should be addressed by the student to the BRN **prior** to beginning the ADN (RN) program: California Board of Registered Nursing, P.O. Box 944210, Sacramento, CA 94244-2100 or call (916) 322-3350; website www.rn.ca.gov.

Citizenship and Immigration Status Verification Required for VN/RN Licensure

The *Federal Personal Responsibility and Work Opportunity Reconciliation Act* requires government agencies to eliminate *public benefits* to individuals who cannot provide proof of their legal status in the US. *Public benefit* has been interpreted to include a license issued by a state. This means that all applicants for licensure as vocational/registered nurses will be required to submit verification of citizenship or legal residence status in the US. A license will not be issued until legal status in the US has been confirmed by the Immigration and Naturalization Service.

Disclosure of Social Security Number/ Individual Taxpayer Identification (ITIN) number

Disclosure of one's social security number or ITIN is mandatory for licensure by the BRN in accordance with Section 30 of the Business and Professions Code and Public Law 94-455 (42USCA 405 (c)(2)(C)).

Fingerprint Requirement

One requirement to qualify for the licensing examination is the submission of Live Scan fingerprints. These are evaluated by the California Department of Justice and the FBI.

The Riverside Community College District Board of Trustees has adopted policies and procedures and has endorsed practices which provide for the District and its employees and students to be in compliance with all the applicable laws relating to prohibition of discrimination on the basis of gender, age, race, color, national origin, religion, disability or sexual orientation.
