

California Community Colleges are now offering Associate Degrees for Transfer (ADT's) to the CSU. These may include Associate in Arts (AA-T) or Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree. California Community College students who are awarded an AA-T or AS-T degree are guaranteed admission with junior standing somewhere in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses. Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units. To view the most current list of Riverside City College Associate Degrees for Transfer and to find out which CSU campuses accept each degree, please go to: [www.calstate.edu/transfer/adt-search/search.shtml](http://www.calstate.edu/transfer/adt-search/search.shtml). Students are encouraged to meet with a Riverside City College counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.

**2024-2025**  
**POLITICAL SCIENCE**  
**(CSUGE) AA754**  
**(IGETC) AA755**

**Associate in Arts in Political Science for Transfer Degree**

The Associate in Arts in Political Science for Transfer Degree is designed to prepare the student for a seamless transfer into the California State University (CSU) system to complete a baccalaureate degree in Political Science or similar major. This degree is designed to prepare students to understand and critically appraise the American Political system and central issues in American politics, to evaluate topics in the key areas of political science, to clearly express political science concepts in scholarly writing, and to demonstrate an understanding of these ideas through their application to contemporary political problems.
