Welcome to Riverside City College’s School of Nursing ~

RCC offers programs in nursing education that include Vocational Nursing and Associate Degree Nursing/Registered Nursing (ADN/RN). The Vocational Nursing Program is approved by the Board of Vocational Nursing and Psychiatric Technicians, and the ADN Program is approved by the Board of Registered Nursing and National League for Nursing Accrediting Commission.

Nursing programs are located on the Riverside Campus at 4800 Magnolia Avenue in the Life Science Building and at Moreno Valley College. For more information, please call (951) 222-8405. For counseling appointments regarding these programs, call (951) 222-8440.

Nursing is a highly rewarding occupation and there is a significant need for quality nurses in the greater Riverside area. If you are interested in pursuing a career in nursing, we have pre-nursing workshops scheduled throughout the year to provide additional information. Please see our [workshop calendar](#) to view event dates and times.

This is a specialized program.
For information regarding entry into the Nursing Program, go to [http://www.rcc.edu/academicPrograms/nursing/](http://www.rcc.edu/academicPrograms/nursing/) or call 951-222-8405.

The Community for Academic Progress (CAP) Program is an exciting program designed to allow students to enroll in grouped or paired courses that share common themes, activities, and assignments. Since the courses are linked, students take these classes as a group, allowing faculty and students to work and learn together. Whether you are transitioning from high school or are a continuing college student, CAP has a learning community for you! While college may seem overwhelming, CAP addresses your needs in an environment of caring faculty, staff, and administrators. In addition to learning communities, CAP offers math courses that are only open to CAP students.

The CAP Program Offers:
- An academic program based on your English placement with grouped courses in one convenient schedule;
- “Guaranteed” registration so that enrolling for college is not difficult;
- A personal orientation to introduce you to the program and to the college;
- Counselors who assist with your Student Educational Plan (SEP) and provide personal counseling and career development;
- Access to technology, both in and out of the classroom;
- Coordinated sessions with Supplemental Instructional (SI) Leaders who will provide study sessions demonstrating effective learning and study strategies;
- Field trip opportunities to CSUs, UCs, and private universities that give glimpses of university life;

Important Steps to Take Before Applying:
1. If you have not completed an RCCD application, please complete it online at www.rcc.edu;
2. If you have not taken the English, Reading and Math placement tests, please call the Assessment Center at 951-222-8451 for available testing hours;
3. If you have not completed the RCCD Orientation, please log on to WebAdvisor and complete the online orientation. You must also submit your One-Semester Educational Plan via WebAdvisor;

If you have not completed the above steps, you will NOT be able to apply for the CAP Program.

Steps to Apply:
Attend the Registration Day on July 18 in Room 255 in the Nursing Building at the Riverside City College campus. Registration will be first-come, first-serve anytime between the hours of 10:00AM to 3:00PM. During this registration day you will apply for the program, complete your CAP orientation and register for your CAP classes via Web Advisor. Please bring the following with you:
- Picture ID
- RCC Student ID Number
For safety reasons, strollers and children are not allowed.

IMPORTANT: Please review the CAP schedule in advance to determine which learning community you would like to be placed into. This will be based on your English placement and eligibility for courses in the community.

If you would like more information please send an e-mail to CAP@rcc.edu or call the CAP office at 951-328-3820.
FOUNDATIONAL COMMUNITIES
These learning communities will help you develop the academic skills necessary to prepare you for college-level coursework.

College Connections (CC)
Make the connections that will lead to success! Develop effective writing skills! Learn to read with greater understanding! Use proven study strategies! Reading the Word and the World (RWW)

Explore the world's great religions and seek answers to life's questions such as "Why are we here?" and "What happens after death?" without ever leaving RCC. See how a myriad of religious ideas can respond to world's ecological crises, economic justice, war, equality, and capital punishment. As you attempt to gain perspective from these complex worldly issues through reading about the religions of the world, you will be supported in a collegial environment which assists you in reading the course content. There is no better way to "read" the Word and the World.

Eating and Drinking Pop Culture (EDPC)

The Simpsons is the longest continuously running series on television today. One of the reasons for its success is that it is a living document of our popular culture. In a single episode, there are references and allusions to television shows, movies, music, sports, and consumer products. In the Eating and Drinking Pop Culture learning community you will explore the elements and effects of our current media driven world. Just think, you will be reading and writing about topics and themes that surround you. All you have to do is enroll and open your eyes.

IGETC = Intersegmental General Education Transfer Curriculum
FALL 2013

The RCCD General Education program prepares students to be able to demonstrate an understanding of how knowledge is discovered and constructed in the natural sciences, the social and behavioral sciences, the humanities, and language and rationality. Students will understand the methods of inquiry that underlie the search for knowledge in these fields. In addition, they will gain demonstrable skills in four broad interdisciplinary areas:

**Critical Thinking**
Students will be able to demonstrate higher-order thinking skills about issues, problems, and explanations for which multiple solutions are possible. Students will be able to explore problems and, where possible, solve them. Students will be able to develop, test, and evaluate rival hypotheses. Students will be able to construct sound arguments and evaluate the arguments of others.

**Information Competency & Technology Literacy**
Students will be able to use technology to locate, organize, and evaluate information. They will be able to locate relevant information, judge the reliability of sources, and evaluate the evidence contained in those sources as they construct arguments, make decisions, and solve problems.

**Communication**
Students will be able to communicate effectively in diverse situations. They will be able to create, express, and interpret meaning in oral, visual, and written forms. They will also be able to demonstrate quantitative literacy and the ability to use graphical, symbolic, and numerical methods to analyze, organize, and interpret data.

**Self-Development & Global Awareness**
Students will be able to develop goals and devise strategies for personal development and well-being. They will be able to demonstrate an understanding of what it means to be an ethical human being and an effective citizen in their awareness of diversity and various cultural viewpoints.

Failure to report for scheduled final examinations may result in a failing grade for the course. In case of illness or other emergency, the student must report to the instructor's office or department prior to the beginning of the examination.

Final examinations for evening (4:30PM and later) and Saturday and Sunday classes will be held at the time and place of the regular class meeting on the following dates:

Final Examination Schedules are specific to each college, and are to be used to determine the final examination dates for classes that are held only at that college.

Final examination for classes shorter than a full semester will be held on the last class meeting date.

The chart below details the final examination schedule for full-semester weekday classes. Choose the block that most closely matches the time and day the class meets, and that does not result in a conflict with other classes that are also scheduled within that same block. The date of the final examination will occasionally be scheduled on a day that the class does not normally meet. Note the start time and arrive promptly.

For classes not on the grid or conflicts that cannot be resolved, instructors will consult the department chair and the Riverside City College Dean of Instruction for resolutions.

Did you know?

There is a “sample” class loaded with tutorials and useful information. The sample class is based upon classes taught using the Blackboard 9.1 environment. Video tutorials, helpful links and other resources are available for viewing and reference.

To access, follow these easy steps:
Step 2: Under “Open Campus Links,” click “Visit the Sample Class.”

If you are taking classes using Blackboard 9.1, help is available 24/7. The Blackboard Student Support Service line is available to provide assistance 24 hours a day, 7 days a week for issues directly related to classes taught using Blackboard 9.1.

If you have reviewed the tutorials and information provided in the sample, or have reviewed the information provided on the Open Campus Help Page and are still experiencing difficulties, call toll free at 1-866-259-7271.

You can also get online support via e-mail and chat through the Online Learning Support Center link, located on the main Blackboard 9.1 login screen and on the Open Campus Help Page.
