Units Determination:
General Work Experience (not related to one of the occupational disciplines listed below) is 3 units only.

Fall 2016
Final Examination Schedule

- Failure to report for scheduled final examinations may result in a failing grade for the course. In case of illness or other emergency, the student must report to the instructor's office or department prior to the beginning of the examination.
- Final examinations for evening (4:30PM and later) and Saturday and Sunday classes will be held at the time and place of the regular class meeting on the following dates:

<table>
<thead>
<tr>
<th>Monday, December 12</th>
<th>Tuesday, December 13</th>
<th>Wednesday, December 14</th>
<th>Thursday, December 15</th>
</tr>
</thead>
<tbody>
<tr>
<td>Friday, December 9</td>
<td>Saturday, December 10</td>
<td>Sunday, December 11</td>
<td>Thursday, December 15</td>
</tr>
</tbody>
</table>

  Classes meeting two nights per week will not meet the first meeting and shall use the second meeting for the final exam.

- Final Examination Schedules are specific to each college, and are to be used to determine the final examination dates for classes that are held only at that college.
- Final examination for classes shorter than a full semester will be held on the last class meeting date.
- The chart below details the final examination schedule for full-semester weekday classes. Choose the block that most closely matches the time and day the class meets, and that does not result in a conflict with other classes that are also scheduled within that same block. The date of the final examination will occasionally be scheduled on a day that the class does not normally meet. Note the start time and arrive promptly.
