# TRAILHEAD

## Interested in teaching and other educational careers, including early childhood?

The Education and Teacher Preparation instructional pathway is designed for students who are interested in education and/or teaching in early childhood, elementary or special education.

The following trailhead courses are designed to help students navigate through their first 16 units at Riverside City College within their chosen instructional pathway. These courses will allow students to explore major and career choices within their anticipated area of study without going off path in their first 16 units. The trailhead courses can be applied towards general education and potential majors within the Education and Teacher Prep pathway. For further exploration within your instructional pathway, please make an appointment to meet with a counselor.
