

Language and Humanities

TRAILHEAD

Interested in exploring the human condition, studying the past, and/or communicating with others?

The Language and Humanities instructional pathway is designed for students who are interested in communication studies, English, film studies, history, humanities, journalism, languages, philosophy and/or teaching at the high school or college level.

The following trailhead courses are designed to help students navigate through their first 13 units at Riverside City College within their chosen instructional pathway. These courses will allow students to explore major and career choices within their anticipated area of study without going off path in their first 13 units. The trailhead courses can be applied towards general education and potential majors within the Language and Humanities pathway. For further exploration within your instructional pathway, please make an appointment to meet with a counselor.
