TRAILHEAD

Interested in expressing yourself creatively through drama, dance, music, theatre, and/or art?

The Visual, Performing and Creative Arts instructional pathway is designed for students who are pursuing degrees or careers in music, dance, film, television and video production, applied digital media, graphic design, theatre arts, studio arts, animation, art history, and/or photography.

The following trailhead courses are designed to help students navigate through their first 13 units at Riverside City College within their chosen instructional pathway. These courses will allow students to explore major and career choices within their anticipated area of study without going off path in their first 13 units. The trailhead courses can be applied towards general education and potential majors within the Visual, Performing and Creative Arts pathway. For further exploration within your instructional pathway, please make an appointment to meet with a counselor.
