CSU Graduation Requirement in United States History, Constitution, and Government

Although this is not a part of the general education requirements, ***it is a CSU graduation requirement*** that you can complete at a community college before you transfer. One course may be applied toward completion of the nine units required under Area C. A different course chosen may also be used to partially fulfill the nine units required under Area D. The same course may not be used to partially fulfill both areas.

1. U.S. History (3 units)

History 6 or 6H or 7 or 7H,11,12,14,15,28,29,31,34; Humanities 16

2. Constitution and Government (3 units)

Political Science 1 or 1H

Note: Riverside City College's POL-1 fulfills the CSU graduation requirement in both U.S. government and California state and local government. Students with a score of 3 or higher on the AP U.S. Government and Politics exam or who have taken a U.S. government class at an out-of-state institution may have fulfilled the U.S. government requirement but will still need to fulfill the California state and local government in order to graduate from the CSU.

NOTES:

- 1. Courses cannot be double-counted to satisfy more than one area, even if a course is listed in more than one area.**
- 2. Upper division transfer students will need to complete a minimum of 60 transferable units, their "Golden 4" courses, and at least 30 units of general education.**
- 3. "Golden 4 Courses" in Areas A-1, A-2, A-3, and B-4 must be completed with grades of "C" or better prior to admission.**
- 4. Some CSU campuses may require specific general education courses based upon the major. Check with a counselor to ensure proper academic planning.**
- 5. It is highly recommended to make an appointment with a counselor to complete a student educational plan (SEP).**

Note: Norco College and Moreno Valley College are separate colleges and the courses that are approved for CSU GE may vary. Students who wish to take courses at another institution and apply them towards CSU GE should always first consult with a counselor to make sure the course will fulfill the intended requirement.
