

## Meet Your Instructor

- **Please take a moment to answer the following questions individually; then, discuss your answers with one another.**

1. What are the top three challenges to learning?
2. How do you think students learn best?
3. How do you see yourself/your SIL assisting in class and out of class?

- **Next, briefly discuss the following questions together.**

1. What is/are the best way(s) to advertise for SI?
2. How can the SIL best meet the needs of his/her instructor?
3. How can we work together to best meet the needs of the students?
4. What is the best time/way to meet to give/receive feedback to/from one another?

- **SIL: Please reflect upon what you have learned through meeting with your instructor and how you see yourself effectively fitting into the classroom environment as an SI Leader.**
