

Steps to Financial Aid

Apply

Financial aid applications are available beginning October 1 for the next academic year.

File online at
FAFSA at www.fafsa.gov
School code: 001270

OR

The Dream Application at
www.caldreamact.org
School code: 00127000

Submit Required Documents

You **MAY** need to complete and submit additional documents/actions to complete your file.

Check Web Advisor “Required Documents by Year” to determine if additional documents/actions are required to complete your aid application. Documents can be downloaded at: www.rcc.edu/services/studentfinancialservices/Pages/FA-Forms.aspx

Complete and submit ALL required documents together, with written signatures in person or via email to studentfinancialservices@rcc.edu.

Eligibility and Award Notification

Revised award notifications are emailed to students based on the file processing deadline date you have been placed on.

Financial aid eligibility can be reviewed on the Award Letter in Web Advisor.

The amount of your award in Web Advisor is based on full-time enrollment (12 units); students who attend less than full-time will receive less financial aid.

Check Student Email and Web Advisor

It will take 2-3 weeks for applications to be received.

You will receive an email to your student email when the FAFSA application is received.

Web Advisor will be updated under “Required Documents by Year”, once FAFSA is received.

You can review your FAFSA status, BOG Waiver eligibility and preliminary award notification on Web Advisor.

Know Your Deadline

Documents/Actions Required— You will be placed on a file processing deadline based on the date that all documents/actions required in Web Advisor have been received or waived.

No Documents/Actions Required— Your deadline date is determined by the date shown in Web Advisor that the FAFSA/Dream Application was received by RCC.

File deadline dates can be found on the deadline/disbursement schedule on our website at: www.rcc.edu/services/studentfinancialservices.

Disbursements

New Students: You will receive a green welcome envelope from BankMobile and an email to your student email instructing you on how to select a disbursement method. Funds are disbursed to eligible students based on your preferred disbursement method.

Returning Students: If you have an existing account with Bank Mobile (or Higher One), you can review and/or update your preferred disbursement method at: www.refundselection.com
